NEW YORK MARKETS.

New York, Nov. 8.

Move doing in pots at 24,87 and Pearls 5,-37.

Flour—Quotations nominal; Canadian in fair demand, and prices below the views of buyers; sales 334 bbls at 24; sales of Genesee 1,000 bbls at 3,81 a 3,87 for common to straight state; 24 a 4,12 for pure Genesee.

Grain—Supply of wheat very large; Canadian mixed and white 83c a 85c—the former for ordinary in store; 2,600 bus prime white Genesee sold at 86c in store. Corn firmer, sales 20,000 bus at 58c to 59c for western mixed; 61c for round yellow.

Provisions—Little doing in Pork, and prices unchanged; sales 300 bbls old mess at 14,87; $15 for new do; 13,50 a 13,62 for new prime; $12 a 12,12½ for old do. Lard heavy sales 100 bbls at 8; a 8½ for old.

New York, 8th Nov. 1851.

The Steamship Pacific left at noon with $900,000 in Specie and 50 passengers, among them is Father Mathew.

Boston, 8th Nov. 1851.

The Brig Conductor arrived here last evening with the Captain and Crew of the ship Oregon of New York, which foundered at sea; 3 passengers were drowned.—they were Mr. Sampson of London; T. B. Donald of New York, and a young man, 18 years of age.

Buffalo, Nov 8.

Freights higher; prices are asked, and in some two or three instances 2c a Bushel, and 5c per bushel in advance of our rates have been paid; 6½c for flour, 13½c for corn. 16½c for wheat to Troy and Albany; 7½c for flour, 16c for corn, 18c for wheat to New York.

☞ FRONTENAC.—We were in error in stating that Mr. Kenneth McKenzie is "a strong supporter of the present Administration." Mr. K. McK. should he enter Parliament, will enter it as an Independent Member, and will not bind himself to any set of men until he knows their measures. In all probability Mr. K. McK. will say something on this subject himself.

CHARTER.—We have, says the Buffalo Commercial Advertiser, that the steamer Ohio, and schooner Oneida came in contact off Black River Point, last night, by which the Oneida received sufficient damage to fill her, but being loaded with lumber did not sink. The Ohio had her upper works damaged considerably. She towed the Oneida into Cleveland.

Well, Sandy Johnson? did you hear 'bout what dat hebi Philips?" "Oh course I didn't; what was it?" "You see, de doctor ordered a blister on her chist; well, as she hasn't no chist, an how, she put him on de hebi iron, and it drawed her new jimmy out ob shape and spile um entirely."

"I wonder (said a Scotch maiden) what my brother John sees in the lasses, that he likes them so weel; for my part I wad no give the company o' no lad for twenty lasses."

We should answer the accusation even of the most contemptible; the yelping cur at a brave's heels is a pitiful brute, but he may cause an overthrow.

"Well, Robert, how much did your pig weigh?" "It didn't weigh so much as I expected, and I always thought it would."

An honest man is better in the opposition of all things than tyranny itself can be in the imposing of them.

An honest man lives not to the world, but to his own conscience.

DIED.

At LaCole, on the 25th ultimo, of typhus fever, Doctor Henry T. Lord, son of the late Rev. John Lord, Mitchelstown, Ireland.

At the residence of his son-in-law, Wm. Morris, Esq., at Petit Brule, Mr. John Dawson, Esq., at the advanced age of 85 years.

Another Living Witness of the Hydropathic and Botanic Medicines, from Captain McMaster.

I WISH to inform the Public, for the good of the afflicted, that I was very unwell with a cough and inflammation of my lungs and chest, which threatened my whole constitution. I spared no cost or trouble to get rid of it, but I got no relief until I was advised to go to DR. LANKTREE, of Kingston, when I got his Medicines. It took but a short time, and little cost, until I could again rejoice in the return of my perfect health—thank God.

FRANCIS McMASTER.

Amherst Island, 23rd Aug., 1851. 212

SEEING and hearing of so many testimonials for Dr. Lanktree's Medicines, brings me to manifest my duty both to him and the public; for I was some time ago, to the knowledge of many in this city, given over as an incurable case, with Enlargement of the Heart and Liver Complaint, and was effectually cured by him; also, lately, I was in despair with a Dropsical Swelling, and obtained immediate relief, so that I am now able to do my business well, thank God.
