NEWS OF THE DAY.

MONDAY MORNING, JAN. 6, 1868.

THE ELECTIONS TO-DAY.—The Polling Places in the contested Wards for the election to-day are as follows:—

FRONTENAC WARD.—Polling Place, Jos. Moore's, corner of Clergy and Colborne Streets; Returning Officer, Thos. Keys.

RIDEAU WARD.—Polling Place, W. H. G. Savage's Paint Shop, Brock Street; Returning Officer, John Gray.

ST. LAWRENCE WARD.—Polling Place, Ben. Holden's Cabinet Shop, Princess St.; Returning Officer, John Harkes.

VICTORIA WARD.—Polling Place, Mrs. Robt. Gaskin's, Barrie Street; Returning Officer, Samuel Shaw.

DUDLEY WALLER.—This wonderful boy elocutionist, sometimes styled "orator," will give his series of recitations this evening in the City Hall. Those who attend will, no doubt, pass a very pleasant evening. Dudley is a remarkably smart boy, with a wonderfully acute memory, and is master of nearly 1,000 pieces. He has given the greatest satisfaction wherever he has appeared before an audience—and will not be less interesting than before on the present occasion.

☞ The sale of Furniture, Piano, &c., by Mr. J. J. Linton, which was to have taken place on Saturday, is postponed until Tuesday (to-morrow) morning, at the Sale-rooms in the Market Square.

ST. PAUL'S CONCERT.—A Concert will be given in the City Hall on the 16th January, in aid of the Building Fund of St. Paul's Church. A lady singer, of great reputation in the musical world, from Toronto, and the Choir of the Church, assisted by several ladies and gentlemen from other choirs, will sing some of Handel's Choruses, Glees, &c.

SNOW STORM.—Another blustering snow storm began on Saturday morning, and kept up quite brisk all day. The roads are very heavy, and in some places quite drifted up. They will require to be well broken before heavy loads can be brought in safely. This last storm made the sleighing doubly sure for some time to come.

The storm interfered somewhat with the trains. The morning train yesterday was five hours late, and the evening trains were many hours behind hand; consequently no evening mails were received till after the Post Office closed.

POLICE COURT, Saturday.—One drunk was fined $2. William Wilson, from Michigan, was charged with being disorderly, and in company with Mary Sheppy, a well known vagrant, in Princess street. He was admonished and discharged, while his companion was fined $5 or 20 days in gaol. Mary Higgins, charged with being drunk and a vagrant, was sent to gaol for one month. The prisoner pleaded hard to be sent up for a longer period. Jane Watson, from Montreal, one of the same stamp as the last, was also sent to gaol for a month.

☞ A Company is being formed in Halifax for the purpose of procuring a ship to convey emigrants to New Orleans.

☞ Four cargoes of tea have recently gone from China to England by the American route, via San Francisco, Panama and across the Isthmus.

☞ The Boston Herald says: The various qualities of Canadian apples have now reached such a degree of excellence that they are greatly sought after and eagerly bought up for the American market. A few years ago it was just the reverse.

On Monday last, snow fell as far down as Richmond, Fortress Monroe, and Louisville.

The Fenian excitement in Liverpool has closed the dock and timber works to Irish laborers.

The American Government has received advices of the wonderful discovery of an island in the Arctic Ocean, one hundred miles long, and various miles broad, and with coal on it too.

The Japanese Tycoon has resigned, and the Government is now to be carried on by a Council of Daimios. The port of Yeddo will not be opened to foreign ships before April next.

The Spaniards are moving for an Atlantic Cable of their own. The tenders have been invited for a line running to the Canaries, thence to Porto Rico and Cuba, and then to Mexico, Panama, and South America.

A lay preacher in a community up the country made a palpable hit on Sunday last, in describing the happy state of the first man and woman in Paradise, until the Devil, "that Fenian of hell," entered and destroyed their happiness.

The man Sullivan who was beaten in Belleville on New Year's Eve, died on Friday morning last.

The British war vessel Chanticleer lay alongside of the United States steamer Lackawanna, at Honolulu recently and her band struck up "Dixie" and "Bonnie Blue Flag" Southern war songs. The Americans played "The Wearing of the Green" in retaliation.

The notorious Swindler, Pugh, of Toronto whose exploits created a sensation about two months ago, has received a sentence of two years and six months' imprisonment in the Penitentiary, having been found guilty of obtaining goods under false pretences on three indictments. He lately failed in an attempt to break gaol.

NEGATIVE AILMENTS.

Often the bodily powers are weakened and depressed without pain, fever, or any other positive sign of disease. In these cases all that is required is to quicken the vital energies with the tonic and alterative action of Radway's Regulating Pills. They renovate the digestive function, gently stimulate the sluggish liver, equalize the circulation, and, as Shakespeare says, "Cleanse the stuffed bosom of that perilous stuff that weighs upon the heart."

Price 25 cents per box, coated with sweet gum, free from taste. Sold by Druggists. 4

* THE GREAT NEED SUPPLIED.—Pills have been supplied to millions. Salves have been rubbed in by the pound. Dr. Maggiel's two grand specifics are putting an end to this wholesale system of medication. One of his famous Pills is a dose. A box of his healing Salve is of more value, as a remedy for ulcerous and eruptive diseases, than a ship's cargo of the ointments advertised to cure everything. Yet are all, in fact, either useless or deleterious.

Dr. Maggiel's motto is CONSERVATISM. He has placed in the smallest compass the active principle of the most potent vegetable specifics. There is no mineral in his Pills—they do not "physic"—they do and enable. They create a vigorous appetite, and correspondingly strengthen the digestion. They tone the liver, clear the head and steady the nerves. No form of scrofulous disease can resist the distinctive operation of the Salve. Tumor Abscesses, Boils Blotches, Boils, Pimples, Pustules, etc., are thoroughly eradicated by this unrivalled medicine. In fact, Maggiel's Bilious, Dyspeptic and Diarrhoea Pills cure where all others fail. While for Eruptions, Scalds, Chilblains, Cuts, and all abrasures of the skin, Maggiel's Salve is infallible. Sold by all Druggists at 25c per box.

☞ CONVENIENCE! Buy no Maggiel Pills or Salve without a little pamphlet inside the box. They are neat. The genuine have name of J. Hardcock on box with name of J. Maggiel, M.D. The genuine have the Pills enveloped with white powder. 195
