NEWS OF THE DAY.

WEDNESDAY MORNING, JAN. 8, 1868.

SCHOOL TRUSTEES.—The School Trustee Elections come off this morning at ten o'clock in the different Wards. The list of Candidates published on Monday last will be found greatly correct.

CITY COUNCIL.—No business was done at the Council Board on Monday evening. A few of the Aldermen present in the offices went into the Chamber, and the Council adjourned, ostensibly for "want of a quorum," there being no pressing business to transact, and it being also the night of the elections. A special meeting of the old Council will be held on Monday next to close up the year's business.

A CAUTION TO BANKERS AND OTHERS—SHARPERS.—A couple of smart fellows, hailing from New York, and giving their names as James Conover and Henry Daniel Hooker, were arrested on Monday and stood on the police docket yesterday morning charged with obtaining money under false pretences. We report the particulars in full as a caution to parties in other cities, as there is little doubt but these gentlemen and their confederates will not rest satisfied with the result of their speculations in Kingston.

Some few weeks since these men presented two drafts, at different times, of $100 each, on the well-known bankers, Cook & Co., New York, to Messrs. Folger Bros., which drafts were duly honored. Having so far made a favorable impression and gained some degree of the public confidence, they lost no time in cultivating the acquaintance of as many of the respectable inhabitants of the city to strengthen this as much as possible. How far they succeeded in this is not certainly known, but they so far accomplished their purposes as to induce a gentleman of the name of Waldron to identify them and endorse a draft purporting to be drawn by Dyer & Co., Clifton, in favor of James Conover, for $1,000, which draft was cashed at the Bank of B. N. America. They had previously succeeded in getting a draft of $500 of the same character cashed by Mr. Woolley. This gentleman hearing of the transaction at the Bank and being rather doubtful of the men, and fearing that they were now about to clear out, set about endeavoring to regain his money, in which attempt he succeeded, the men refunding the money. Mr. Waldron hearing of this became alarmed, and applied to the Police Magistrate for a warrant for their apprehension. The police authorities having received information from Mr. Thos. Hanley that the men were at the Depot awaiting the train going East, despatched Detective McAuley and police Corporal Nugent, who lost not a moment in hastening to the spot, although the prospect was clear that they would be too late, but fortunately the train was delayed a short time, and the officers were enabled to make the arrest. Great credit is due these men for their promptness in the matter. The Police Magistrate telegraphed to the stipendiary Magistrate at Clifton, Mr. G. McMicken, and received answer that the firm of Dyer & Co. was bogus, and the parties so calling themselves had left the place.

The money having been refunded to the Bank of B. N. America, the Police Magistrate yesterday released the men, being unable legally to hold them, upon their consenting to allow the obstruction of the following drafts found in their possession, all of Dyer & Co., and dated Dec. 26:—One for $1,000; two for $1,100; one for $700; one for $500; one for $250, and one for $100.

From information received from Mr. McMicken, it is ascertained that two others of the lot (Dyer & Co.) left Clifton and proceeded westward. Therefore parties in that direction had better be on their guard. The same men a few days since presented a draft for $1,000 at the Royal Canadian Bank, and upon being requested to furnish a good local endorser, they referred to Mr. Rigney, of the firm of Rigney & Slavin, who they said would endorse for them. Conover accordingly proceeded to those gentlemen's store and made some purchases, requesting Mr. Rigney to accompany him to the Bank for the money, but when there he refused to put his name to the paper and so nothing came of the transaction.

CITIZEN'S SKATING RINK.—Since the frost set in the public Rink has been in capital order. On Monday it was largely patronized, being quite crowded in the evening, but yesterday the cold wind deterred very many from skating on it. The Rink, however, is in full blast for the season.

The ice in the King Street Rink is in splendid condition. The Rink is opened at all times and is well patronized.

POLICE COURT, Tuesday.—Archy Buchanan, up on the old charge of vagrancy, was allowed to depart on promise of going to work.

The Dickens furore is fast subsiding in the States.

The cost of new buildings in Chicago during the past year was upwards of nine millions of dollars.

According to the New York Court statistics there were only fifty-three divorces granted in the New York Courts in the past year. This is creditable to that city, and indicates that it enjoys a larger amount of connubial felicity than is generally supposed.

If Pius the Ninth remains upon the Pontifical throne for two years longer, his reign will have exceeded that of any of his two hundred and fifty-six predecessors.

A Vermont bank, which was closing up its business, redeemed $3,850 more bills than it ever issued. Skillful counterfeiting that.

Mrs. Hubbard, of Port Dalhousie, has received $7,000 remuneration for the loss of her husband, who was killed at the Angola accident—$4,000 from the Railroad Company, and $3,000 on an accidental insurance policy.

The official list of the victims by the hurricane and inundations at Porto Rico and the Phillipin Islands has been published. At the former one hundred and fifty-eight perished, and at the latter place the dead numbered considerably over five hundred.

The telegraph reported that Mr. Gladstone had, in a recent speech, made a sort of apology for Fenianism. In the speech referred to he declared that the doings of the Fenians were of such an atrocious character as "to bring the blush of shame to the cheek of every man who regarded them either as fellow men or fellow countrymen."

The Hamilton Times sleeps at one of its friends, Mr. McKellar, who fathered two important bills in the last Provincial Parliament, when it says: "The fact is, we have in Canada more absurd provisions in our Municipal and Assessment Laws than are to be found anywhere else. One would think legislation on these matters might, by this time, have reached something near perfection, but time and experience seem to do little for our legislators."

The Montreal folks began talking of a "Central Park" but a proposal to raise a loan of $350,000 for its construction, got the six months' hoist in the city council.

The greatest numbers of recruits for the Pontifical Zouaves have come from Belgium, France, and Holland. Fifty Highlanders have arrived in Rome to form the nucleus of a Scottish Legion. Within the last two months, France has contributed 3,000,000 francs for the support of the Papal army, and Ireland has sent £40,000.

By the terms of a recent order, the physicians of Cuba are not allowed to give any prescription to sick persons unless they shall have previously confessed to a priest.—Daily Witness.

Fudge!

NEGATIVE AILMENTS.

Often the bodily powers are weakened and depressed without pain, fever, or any other positive sign of disease. In these cases all that is required is to quicken the vital energies with the tonic and alternative action of Radway's Regulating Pills. They renovate the digestive function, gently stimulate the sluggish liver, equalize the circulation, and, as Shakspeare says, "Cleanse the stuffed bosom of that perilous stuff that weighs upon the heart."

Price 25 cents per box, coated with sweet gum, free from taste. Sold by Druggists. 4

* THE GREAT NEED SUPPLIED.—Pills have been supplied to millions. Salves have been rubbed in by the pound. Dr. Maggiel's two grand specifics are putting an end to this wholesale system of medication. One of his famous Pills is a dose. A box of his healing Salve is of more value, as a remedy for ulcerous and eruptive diseases, than a ship's cargo of the ointments advertised to cure everything, but are all, in fact, either useless or deleterious.

Dr. Maggiel's motto is CONCENTRATION. He has placed in the smallest compass the active principle of the most potent vegetable specifics. There is no mineral in his Pills—they do not gripe—they do not unsettle. They create a vigorous appetite, and correspondingly strengthen the digestion. They tone the liver, clear the head and steady the nerves.

No form of scrofulous disease can resist the disinfectant operation of the Salve. Tumor Abscesses, Salt Rheum, Boils, Pimples, Pustules, etc., are thoroughly eradicated by this unrivalled medicine. In fact, Maggiel's Bilious, Dyspeptic and Diarrhœa Pills cure where all others fail. While for Burns, Scalds, Chilblains, Cuts, and all abrasions of the skin, Maggiel's Salve is infallible. Sold by all Druggists at 25c per box.

☞ COUNTERFEITS! Buy no Maggiel Pills or Salve with a little pamphlet inside the box. They are bogus. The genuine have name of J. Haydock on box with name of J. Maggiel, M.D. The genuine have the Pill surrounded with white powder." 166
