NEWS OF THE DAY.

MONDAY MORNING, JAN. 13, 1868.

VENISON.—In consequence of the deer-selling season being nearly over, large quantities of this choice meat are being rushed to market. On Saturday it was very plentiful. It has been selling at 10c. per lb., but now brings only 7c. for carcasses and 8c. for fore quarters. Large quantities are being daily shipped to the States. The 14th inst. (to-morrow) is the last day for the legal sale of venison.

CARD OF THANKS.—The Ladies of the Benevolent Society beg to return thanks to Mr. G. Offord for his liberal donation of $21, for the benefit of the orphans attending the Separate Schools.

THE BOGUS DRAFT MAN.—Mr. Thomas Hanley and the officer from Belleville, though succeeding in arresting Nelson, the Belleville operator, at Syracuse, N.Y., were unable to secure the other and principal swindler, the man who represented Dyer & Co. in the bogus firm at Clifton. When they arrested Nelson they found $1200 upon his person, which the officer secured. But after a consultation they were forced to return $700, and the rascal left, being $700 better off than he had himself fully anticipated. The $500 was given over to Mr. Thompson, one of the parties swindled. It has been ascertained that between Belleville, Picton and Trenton drafts altogether were sold to the amount of $8,000.

☞ The Montreal Gazette expresses regret that Sir Henry Smith has introduced into the Ontario Legislature a bill to enact that all future general elections of members for that Legislature shall be held in every County upon one and the same day, which it regards as a departure from British constitutional usage.

THE AMALGAMATED BANKS.—The united Corporation, under the name of the Merchants' Bank of Canada, with a capital of $3,320,000, goes into operation on the 1st March next. Each share shall be equal to and represent $100 in the capital stock thereof, and in such capital stock three shares of the Commercial Bank stock shall be taken to be equivalent to one share in the Merchants' Bank, and the shares of the said two Banks respectively shall be exchanged for shares in the capital of the amalgamated Bank in the above-mentioned proportion, and in case of any fractions of shares in the Commercial Bank that may be insufficient to constitute one share in capital stock of the amalgamated Bank, the directors may make such arrangements as they may deem proper. Dividends on the capital stock to be payable from the 1st January instant. The directors of the amalgamated Bank shall number seven, the head office to be in Montreal. Since the meeting, the shares of both Banks have advanced, and the amalgamation appears to meet with general approval. Merchants' stock is firm at 105 a 105½ and Commercial stiff at 34 to 37½, with few sellers under 40.

In a return made to the Ontario Legislature, the total sum paid out for the recent general elections is set down at $26,347 18. The payments were made in sums varying from $200 to $600—which latter sum was paid out in two instances, to the Returning Officer for Addington, and also for North Simcoe.

The Quebec Legislature has reduced its Committee of Contingencies to seven members, and the House employees to 29 permanent clerks, 9 extra writers and 6 permanent messengers—25 temporary messengers and 4 pages. This is still a greater number than are employed at Toronto. The Quebec Legislature has started on a most extravagant career, judging from reports.

The "continent" recently "discovered" by one or two American shipmates, is now supposed to be the "Plover Island" of the English charts. The season has been mild and the ships were taken a good way north, so that the mariners got a better view of Plover Island than is usual.

Emboldened by their success in robbing the Globe Office, some Toronto burglars the other night broke into the Leader Office, and stole—nothing! The burglar profession must be hard pushed and greatly degenerated, when newspaper offices are entered.

POLICE COURT, Saturday.—Overton Lee was charged with a breach of the city fire by-law, in having a foul chimney. The accused admitted that the chimney had caught fire, but pleaded ignorance of the by-law as an excuse. The testimony of the chimney-viewer being taken, he deposed that he had made the necessary legal call to defendant's house, when his wife refused his services. The defendant was fined $4 and costs. The chimney-viewer will make an inspection of the city next week to ascertain if the ladders required by law are attached to each house.

* THE GREAT NERVE SUPPLIER.—Pills have been supplied to millions. Salves have been rubbed in by the pound. Dr. Maagtel's two grand specifics are putting an end to this wholesale system of mollification. One of his famous Pills is a dose, a box of his healing Salve is of more value, as a remedy for ulcerous and eruptive diseases, than a ship's cargo of the ointments advertised to cure everything, but are all, in fact, either useless or deleterious.

Dr. Maagtel's motto is CONCENTRATION. He has placed in the smallest compass the active principle of the most potent vegetable specifics. There is no mineral in his Pills—they do not gripe—they do not enfeeble. They create a vigorous appetite, and correspondingly strengthen the digestion. They tone the liver, clear the head and steady the nerves.

No form of scrofulous disease can resist the distinctly specific operation of the Salve. Tumor Abscesses, Salt Rheum, Boils, Pimples, Pustules, etc., are thoroughly eradicated by this unrivalled medicine. In fact, Maagtel's Billous, Dyspepsia and Diarrhoea Pills cure where all others fail. While for Burns, Scalds, Chilblains, Cuts, and all ailments of the skin, Maagtel's Salve is infallible. Sold by all Druggists at 25c per box.

☞ Counterfeits! Buy no Maagtel Pills or Salve with a little pamphlet inside the box. They are bogus. The genuine have name of J. Hapdock on box with name of J. Maagtel, M.D. The genuine have the Pill surrounded with white powder." 106

NEGATIVE AILMENTS.

Often the bodily powers are weakened and depressed without pain, fever, or any other positive sign of disease. In these cases all that is required is to quicken the vital energies with the tonic and alterative action of Radway's Regulating Pills. They renovate the digestive function, gently stimulate the sluggish liver, equalize the circulation, and, as Shakespeare says, "Cleanse the stuffed bosom of that perilous stuff that weighs upon the heart."

Price 25 cents per box, coated with sweet gum, free from taste. Sold by Druggists. 4

The Great Secret of selling goods cheap is to buy them cheap and charge a small profit. We don't repeat the old cry of Selling off at Cost Price, Sacrificing the Stock, &c. We come out boldly before the public, and quote the price of our goods, and show them at the door with the prices marked in large figures. Or to save ladies from the annoyance, now so common, of being rudely forced to buy, we will send samples on application, postpaid, to any address.
