NEWS OF THE DAY.

MONDAY MORNING, JAN. 27, 1868.

CITIZENS' RINK.—Should the weather be at all favorable for skating, the Volunteer Band of the 14th Battalion will play on, the Citizens' Rink this evening.

POLICE COURT, Saturday.—Margaret Spooner, a miserable looking object out of the gaol the day previous, was sent back to that establishment for one month. Elizabeth Dawson and Mary Dillon, of the same class, who had just come forth from gaol, were allowed to depart on promise to clear out.

Mr. Jas. Wooley appeared to answer the charge of obtaining a gold watch, gold chain locket, and a gold medal, the property of the the late Mr. John C. Fox. The charge was preferred by the Official Assignee of the estate. Mr. Bawden appeared for the Assignee, and Mr. S. M. Britton defended Mr. Wooley.

Mr. Purdy, sworn—Was with Mr. Fox in his last illness; saw the articles in his possession; received them from Mr. Fox, who told him to take them to Mr. Wooley as a security for $325 borrowed money. The amount was to have been paid to S. M. Ambler, New York, in ten days from the 9th, 10th, or 11th inst.,

In answer to Mr. Britton, witness said the draft was accepted by Mr. Wooley and the property was given as security for the benefit of Mr. Fox.

Mr. J. Shannon, sworn—Was Official Assignee of the assignment was made December 19th; did not see the articles alluded to in the possession of Mr. Fox after the assignment; understood that they were in the possession of Mr. Wooley; went to that person and demanded them; he said that anything he had of Mr. Fox was more than indebted to him to their value; asked Mr. Wooley to name what articles he had, and what his claims were, to which he replied that he must consult his lawyer.

Mr. John Rowlands sworn—Saw the property in Fox's possession; they were given to him, and he kept them in possession for two days and then returned them; this was the last time he saw the property. Knew the purpose for which the draft of Ambler upon Mr. Wooley was drawn. It was the purpose explained in the letter given him and which he read it was for the settlement of certain claims of Mrs. Fox, then in New York. After argument by Counsel, the Magistrate reserved his decision until Monday.

There was no fraud in this transaction, Mr. Wooley having simply taken security for the exceptance of the draft.

"Skatist" is the latest word coinage.—It beats "Skatorial."

Postmaster Kelly, of New York, has struck a telling blow at the gift-concert frauds, by denying their managers the privileges of the Post Office.

The New York Tribune says that Train's arrest was nothing but an advertising dodge, that eccentric individual having induced one of the passengers to lay an information against him.

Col. Micheal Bailey died in Buffalo on the 17th inst., from the effect of wounds received at Fort Erie, while directing the Fenian invasion. He also led in the storming of Fort Wagner, South Carolina.

Major-General Lindsay, of the Guards, has been appointed "Inspector-General of Her Majesty's Reserve Forces," that is, in fact Commander-in-Chief of the 300,000 men who compose the Volunteer and Militia of the United Kingdom. It is understood that he will at once mobilize this force, and organize an efficient commissariat and transport corps.

Steps are being taken to erect a Crystal Palace in Napanee for agricultural purposes. The ground is a beautiful site, the gift of R. J. Cartwright, Esq., M. P.

An Indian by the name of Moses Brant, was found on Tuesday morning near Shannonville, frozen to death—the result of getting intoxicated.

Significant Speech by Lord Stanley—Spanish Note.

Madrid, Jan. 23.

A bill for furnishing improved breech-loading arms to the army has passed and is now law.

London, Jan. 23.

At a ministerial dinner at Bristol, last evening, Lord Stanley made a very significant speech. Referring to Ireland he said, that that island had never been in a more prosperous condition, nor had she been ever more disaffected. The latter he attributed mainly to the designs of American soldiers. He thought the proposed church reforms ought to go over to the next parliament, and as to land reforms in Ireland they were out of the question.

The tone of the French press, as well as that of Prussia, is eminently peaceful.

The Chinese government has taken some military steps on the Russian frontier, which the latter government regard as warlike and offensive. A protest is to be sent forward.

London, Jan. 23.

Charles Kean, the tragedian, died to-day, aged 57 years.

Copenhagen, Jan. 23.

The Rigsdag to-day met in secret session. The subject under consideration was the sale of the Danish Islands in the West Indies to the United States. It is generally understood that the treaty to transfer was approved.

Madrid, Jan. 23.

The Spanish Minister of Foreign Affairs has addressed a note in answer to a despatch from Prime Minister Menabrea. The Spanish Ambassador is instructed to inform the Italian Government that Spain is determined to maintain the integrity of the Temporal Power of the Head of the Church at Rome, but in no other respect will she interfere in the affairs of the Italilian Peninsula.

LATER.

Significant Newspaper Articles—New French Loan.

St. Petersburg, Jan. 24.

The Boersenzeiting calls attention to the fact that the new French army bill materially increases the power of Napoleon, and is sure to prompt him to assume a higher stand and a bolder tone in regard to European politics.

Paris, Jan. 24.

The semi-official La Patrie, in an editorial, observes that Russia is the only power not now in harmony with the rest of Europe.—Efforts of a character to tranquilize the public mind and give assurance of prolonged peace are singularly antagonistic, by the fact the every power in Europe is actively engaged itself as if for anticipated war.

It is said a new French loan to the amount of 750,000,000 will surely be put upon the market soon.

LATEST.

Affairs in Abyssinia approaching a Crisis—Warlike Indications.

New York, Jan. 24.

The Herald's Abyssinian special despatch says:—King Theodore is in camp in position near the palace of Magdala, where it is presumed all the captives are at present held. The native rebel chiefs have drawn up their forces in his front, and by this hostile attitude aid the operations of the English. The powerful Governor of Tigre is also near. He is a friend to foreigners, and sent a message to this effect to General Napier, the British Commander-in-Chief. A fight will probably occur shortly.

A despatch from Madrid says news from the provinces of Arragon and Catalonia has been received. Another rising is anticipated in favor of the eldest son of Don Juan. The widow of Don Carlos had sent 40,000,000 reals to aid the insurrection.

Madrid, Jan. 24.

The Minister of War has ordered 50,000 American breech-loading rifles.

Paris, Jan. 25.

A Republican paper was put in circulation here yesterday, but the copies were immediately seized by the police.

Vienna, Jan. 24.

Archduke Albert, Commander of the Austrian army, has been ordered to prepare to take the field.

St. Petersburg, Jan. 24.

The Journal of St. Petersburg says that the Empire of Russia is great, powerful and strong in its resources and equal to France. At the same time it is neither her wish nor policy to seek to extend her nation, but on the contrary to endeavour to maintain peace so as to insure a continuance of progress. She bears no illwill to the other powers of Europe but does not wish to see any one of the great Powers have particular preponderance in influencing its affairs. Nor will Russia allow others to arrogate such a position. The article concludes with the assertion that whatever power precipitates war in Europe just now will ensure for itself and deserves the execration of history in future.

Queenstown, Jan. 25, a. m

The steamer Cuba, from New York, has arrived.

Latest from Quebec.

Quebec, Jan. 25.

The ice bridge still holds good, but owing to the mild weather we have had, it is not very thick. On Wednesday evening a habitant named Gosselin, from one of the country parishes on Levi side, while crossing fell through a hole in the ice and was drowned.

Frank Gulchen, who shot at and wounded Laurencelle and Bouffard on Sunday, was committed yesterday to stand his trial at the Court of Queen's Bench.

FROM MONTREAL.

Montreal, Jan. 24.

The Montreal Presbytery of the Canada Presbyterian Church decided by a vote of 17 to 12 not to permit the use of the organ in Divine Service.

Edward Spelman has been committed for trial at the Queen's Bench, for violently resisting an excise officer in the discharge of his duty.

It is stated that a general order has been issued, requiring all officers garrisoned in Canada to join their respective corps by the 1st June next; and also to restrict further allowances to leave to that date.

Late liquor frauds seem to have stirred up Government officials. An illicit distillery has been seized.

HELP THE PATIENT, NOT THE DISEASE.

Disease is weakening. So are drastic purgatives. To give them is to prostrate the patient, and afford disease an easy triumph. Radway's Regulating Pills have exactly the opposite effect. They not only discharge all the impurities of the system through the bowels, but soothe, tone and invigorate the whole internal organization.

Price 25 cents per box, coated with sweet gum, free from taste. Sold by Druggists. 21

* THE GREAT NEED SUPPLIED.—Pills have been supplied to millions. Salves have been rubbed in by the pound. Dr. Maggiel's two grand specifics are putting an end to this wholesale system of medication. One of his famous Pills is a dose. A box of his healing Salve is of more value, as a remedy for ulcerous and eruptive diseases, than a ship's cargo of the ointments advertised to cure everything, but are all, in fact, either useless or deleterious.

Dr. Maggiel's motto is CONCENTRATION. He has placed in the smallest compass the active principles of the most potent vegetable specifics. There is no mineral in his Pills—they do not gripe—they do not enfeeble. They create a vigorous appetite, and correspondingly strengthen the digestion. They tone the liver, clear the head and steady the nerves. No form of scrofulous disease can resist the disinfectant operation of the Salve. Tumor Abscesses, Salt Rheum, Boils, Pimples, Pustules, etc., are thoroughly eradicated by this unrivalled medicine. In fact, Maggiel's Bilious, Dyspeptic and Diarrhœa Pills cure where all others fail. While for Burns, Scalds, Chilblains, Cuts, and all abrasions of the skin, Maggiel's Salve is infallible. Sold by all Druggists at 25c per box.

"COUNTERFEITS! Buy no Maggiel Pills or Salve with a little pamphlet inside the box. They are bogus. The genuine have name of J. Hardock on box with name of J. Maggiel, M.D. The genuine have the Pill surrounded with white powder." 166

THE NEW PATENT
SUN BURNERS

ARE the best yet invented, giving 50 per cent. more light than ordinary Burners of the same size, and throwing the light downwards like a Lamp Shade. The Chimney, which is not heated by the flame, can be removed at pleasure without extinguishing the light.

For sale at the Medical Hall.
