Pacificatory.

We published on Saturday a communication anent the proceedings in the House of Assembly of Ontario on the Rectory question in this city.

In the interests of peace, the British Whig begs in due deference to all parties to suggest that there appears a way out of this labrynth of difficulty, open and honorable to all. It is understood that the Synod of Ontario is empowered to sell the Rectory Property. It seems to us that if the Synod were approached and the matter opened, the holders of the houses might purchase the respective sites.—In this arrangement, parties would come together who have no feeling towards each other, and although on all sides some sacrifice might have to be made, yet the whole question would resolve itself into a mere business transaction, and be finally settled. Each party of course would make the best bargain possible, but all would be finally satisfied.

FIRE AT NAPANEE.—About four o'clock on Friday afternoon an alarm of fire was sounded, and a fire was discovered in one of the bed rooms at the residence of Mr. Macnamara, Barrister, at Napanee. The fire seems to have caught through a defect in the stove pipe hole, through which a pipe leading to the upstairs passes, and to have spread to a partition wall. Fortunately it was discovered in time or the whole building would have been consumed. The flooring of two rooms was completely gutted, and the furniture, &c., of Mr. Macnamara destroyed. There was no insurance on the building or furniture. Mr. Macnamara's loss is about $200, the house being completely deluged with water.

14TH BATTALION.—Owing to the Hospital Concert, given by the Band of the Battalion, the usual weekly drill is postponed to Tuesday evening, when a full attendance is required, as important orders will be read on parade. On Monday evening there will be company drill for all who may choose to attend. Officers of the Battalion are requested to attend a meeting on Tuesday after parade.

FATHER DOLLARD.—We regret to say that the Very Revd. Mr. Dollard, so long Vicar General and Parish Priest of Kingston, is very ill, and may probably be no more when this sees the eye of the reader. Father Dollard is truly a good man.

POLICE COURT, Saturday.—Jimmy Ryan, up on his old charge, was sent to gaol for 60 days. Mr. McDermott was charged by one of his workmen, Timothy Quinn, with refusing to pay $11 due him for work. McDermott claimed that he only owed him $3, but offered to pay him $5 to get rid of him. The complainant said that defendant agreed to give him one dollar per day, and that he had worked eleven days, and when he asked for his wages, McDermott handed him $5, saying that he had earned no more. The Magistrate after examining several witnesses, employed by defendant, and who stated that Quinn had worked the full eleven days, said that it was a poor mechanic that could not earn a dollar a day, and ordered defendant to pay the $11 and costs.

Governor Seymour is firm in refusing to stand as a candidate for the Presidency.

About $3,000 has been contributed by the parishes of Quebec toward the Canadian Papal Zouaves.

Upwards of 21,000 registered letters were received and entered at the Toronto Post Office during the month of January last. This is the largest number per month received at any Post Office in the Dominion.

A motion in favour of introducing instrumental music into the Canada Presbyterian Church was carried in the Brockville Presbytery at its regular meeting at Prescott, on the 4th inst. Only one retired minister voted against the motion.

The house of James Cooke, of Rawdon, was totally consumed by fire on Monday night last. He lost everything, save some of the bed clothes, which were carried out when the family made their escape from the burning building.

The New-Brunswickers have always been furnished with parliamentary debates, officially reported and printed at the expense of the Government. This year, most of the papers are opposed to such a plan. There are enterprising dailies now in St. John which are able to produce them in their columns, and furnish them in this manner more satisfactorily.

On Tuesday night last the office of Neil Currie, boiler maker, near the Esplanade, Toronto, was broken into by burglars, who rippled the safe open, and as a reward for their labor, appropriated the monied contents—only two dollars.

Hon. Mr. Howland is quite well again.

Mr. J. C. Huffman has been elected Mayor of Napanee in place of Mr. Detlor, who could not legally hold the seat. Mr. Thomas Flynn is also elected Councillor.

☞ The last snow storm blocked up the railroad track between Rome and Watertown, N. Y., and consequently there have been no mail or passenger communication from Wednesday until Saturday, when these days mails were received. The trains on the Grand Trunk, especially though from the West, have also been quite irregular since Thursday last.

A gentleman in town designs appearing at the coming skating carnival in the character of "The affectionate husband." He will surely escape recognition from his wife.

The Buffalo Express commends the moderation of the telegraph operator in that city, who despatched through the country that O'Neill's Fenian meeting at St. James' Hall on Saturday last, only numbered six thousand. The capacity of the hall is eight hundred.

The Privy Council has not taken into consideration the appointment of a commission for rendering uniform the civil law of Ontario, New Brunswick and Nova Scotia. It is probable, however, that Col. Grey, of New Brunswick, will be one of the commission when the appointments are made.

J. Reyner's Tuning & Repairing Establishment is in Perfect Order.

J. REYNER, having engaged the best practical workmen formerly employed by the late Mr. John C. Fox, to repair Pianofortes and Musical Instruments in general, the public has a chance now that was never offered before in Kingston, and if owners of Pianofortes will favor him with their orders forthwith, it will enable him to keep the best of workmen, so that they will not leave the city; and to keep good mechanical men for all branches of Trades and Professions is the great and powerful lever which will make a city flourish and prosper.

Pianos repaired and made as good as new, if taken in time. Prices as low as possible.

a few pairs assorted of the largest and best made to be sold cheap

The Great Secret of selling goods cheap is to buy them cheap and charge a small profit. We don't repeat the old cry of Selling off at Cost Price, Sacrificing the Stock, &c. We come out boldly before the public, and quote the price of our goods, and show them at the door with the prices marked in large figures. Or to save ladies from the annoyance, now so common, of being rudely forced to buy, we will send samples on application, postpaid, to any address.
