NEWS OF THE DAY.

FRIDAY MORNING, JUNE 19, 1868.

HAMALL'S SERENADERS.—This great Company of Serenaders will make their first appearance at the City Hall this evening. If we give them the benefit of one-half the press of Montreal and other large cities here and in the United States, we should certainly say that Mr. Hamall himself should be in the opera, but perhaps he finds the minstrel business pays better. A great variety of other attractions are presented by this troupe, amongst which are daring and graceful acts of the acrobats and gymnasts. Mr. Hamall's beautiful singing has earned for him the title of "the silver-toned vocalist." The programme is one of the best selected we have ever seen.

DOMINION DAY.—No step has yet been taken to have a Holiday or Celebration in Kingston on the First of July. We suppose that the citizens will have left to them the choice of attending to their businesses on that day, or of getting up private parties and excursions for their own pleasure. The ungenerous action of the City Council is very generally regretted. Elsewhere the most hearty action is taking place, but where is Kingston? The want of spirit does not coincide with the highly enthusiastic and loyal demonstration last year.

SUDDEN DEATH.—On Wednesday evening last, a man named John Scott, about 65 years of age, residing at the east end of Division street, died very suddenly. The deceased had been engaged during the past days of hot weather in burning lime, and had felt rather indisposed. About eight o'clock on the evening referred to, the deceased too ling worse, left his lime-kiln and went to his home, where he was helped on the bed by his wife, and where he expired in a few minutes. His wife, alarmed at his appearance on his arrival at the house, sent for Dr. Fenwick, but he was dead before the arrival of the physician. One of the City Coroners arrived, and upon enquiring into the circumstances of the case, decided that it was unnecessary to hold an inquest. The deceased was an industrious, hard-working man, and had by his labor, accumulated considerable amount of property.

THE R. C. R. BAND.—The attendance at the playing of this Band in the Park on Wednesday evening was very much larger than usual, on account of the change in the time. We hope it will continue to play in the evening instead of the afternoon, so that the citizens generally, and not a particular class, may have the pleasure of hearing it.

OUR NATIONAL GAME.—The popularity of La Crosse is rapidly spreading throughout the neighboring Republic, and bids fair to supplant base-ball. The Cleveland Herald says:—

"We should not be surprised if the Canadian game crossed to this side. What are the attractions of base-ball—a broken joint, a sprained knee, or a bunged eye from a 'hot ball'—to the glories of a free fight carried on 'in the most desperate manner' for the possession of the ball?"

CRICKET.—The St. George's Cricket Club of Oswego will arrive in Kingston next Wednesday, to play the expected match with the Kingston Cricket Club. Several very friendly matches have been played between these clubs, and we hope the coming one will be as agreeable as its predecessors.

EXCURSION.—Yesterday the Excursion of the 16th Volunteer Band and its friends, from Picton to Kingston, took place. The party arrived here about one o'clock in the afternoon, and left again before five o'clock. The day on the water was very delightful, and the trip made a very pleasant one.

☞ We have been guilty of bearing our part in misleading some of our Scotch friends by an announcement that three companies of the 78th Highlanders would arrive yesterday afternoon by the mail steamer from Montreal, to fill the place of the detachment of the 17th Regt. which left the other day for England. To the disgust of those persons who went to meet them, the Highlanders did not come, and in their stead were a number of homely-looking emigrants. The report seems to have got afloat, nobody knows how, not at any rate with the knowledge of the military authorities.

POLICE COURT, Thursday.—An intricate piano case was before the Court this morning. Several witnesses were examined, and the case was adjourned until Monday morning.

☞ A Washington special despatch says the there is a coalition against Radicalism forming by the Conservative Republicans and Democrats, with Chase at its head. Democratic leaders stand aloof from the movement.

☞ The Hon. Stanley Monck, second son of the Governor General, and the Hon. John Rose, Minister of Finance, sailed for Liverpool on the steamer Austrian, on Saturday last.

☞ A despatch from Halifax states that the Grand Orange Lodge met there on Tuesday last. The Hon. J. H. Cameron addressed the meeting next evening. Little attention is paid to the delegates from either of the upper provinces. They leave for home on Friday.

The Toronto Races.

Toronto, June 17.

The Toronto races came off to-day on the New Market Course. About twelve thousand spectators were present.

United Service Stakes.—Sweepstakes of $15 each, $100 added, ¾ mile. Entries—Twilight, Starlight, Citadel and Rustic; won by Twilight, owned by Dr. Morton, of Bradford.

Queen's Plate of 50 guineas, whole stakes to go to winner, 2 miles. Fifteen horses started; won by Nellie, owned by James White, of Halton.

13th Hussars' Charger Race, ¾ mile. Entries—Pilgrim, Burnt Amber, Blanche and Cigarette; won by Cigarette, owned by Capt. Huddlestone.

Toronto Hunt Hurdle Race—Entrance $10 each, $100 added. Six entries; won by Chang, owned by Mr. Moore, 10th Hussars.

Great satisfaction is expressed at the completeness of the arrangements in connection with the races.

NO REACTION.—THE SAFEST KNOWN TONIC.

The vivifying operation of ordinary stimulants is succeeded by nervous disturbances which require further medication to remove them. But Radway's Ready Relief tones and invigorates without exciting. HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
