NEWS OF THE DAY.

WEDNESDAY MORNING, JUNE 24, 1868.

THE CRICKET MATCH.—Last night the St. George's Cricket Club, with their friends from Oswego and Syracuse, arrived here in the steamer Rochester, forming quite an excursion party. The Kingston Club met their visitors, and tendered them an hospitable greeting. This morning at ten o'clock the Match will begin on the Cricket Ground, and a most interesting one it is expected to be. The St. George's Club possess a very strong team, but will be well matched. They will at least find in the Kingston Cricketers "foemen worthy of their steel." Many very friendly matches have taken place between the Kingston and Oswego Clubs, and the latter have always shown themselves to be fair dealing and honorable gentlemen. A lunch will be provided on the ground to-day by Mr. Swales, of the British American Hotel, the provisioner of the Club. The Band of the R. C. Rifles will play on the ground from five to seven o'clock.

The very heavy and unexpected thunder shower yesterday afternoon may render the ground unfit for the Match, in which case it will have to be postponed. Barriefield Common may possibly be in good condition.

THE CLERKSHIP OF THE PEACE.—By the death of the lamented Mr. Robert M. Wilkison, the offices of Clerk of the Peace and County Attorney for the County of Frontenac have become vacant, and Mr. Wm. Ferguson, jr., is already freely spoken of as Mr. Wilkison's successor. We hope it is so, and if the appointment goes by merit, it is sure to be so. The offices are in the gift of the Premier of Ontario, who, as Attorney General and head of the Legal Profession in the Province of Ontario, is responsible for the appointment without reference to local interference, which is too often exercised to the great detriment of the public service. We speak advisedly when we say that Mr. Ferguson's appointment would be putting the right man in the right place. The profession would approbate it, and on professional and political grounds he deserves it from Mr. Sandfield Macdonald.

☞ The Picton Times announces the appointment of John W. Langmuir, Esq., of that place, as Prison Inspector for Ontario.

ST. ANDREW'S CONCERT.—The promised Concert of St. Andrew's Society comes off on Monday evening next. Mr. Kennedy, the Scottish Vocalist, and the "Dickens of Song," who has been so well received in Kingston on previous occasions, will, with the assistance of his daughter, Miss Kennedy, render a most attractive programme. In point of success it promises to be the great Concert of the season.

DOMINION DAY.—It will be seen that the City Council have authorized the Mayor to proclaim a holiday in the city on the 1st of July, but have not provided for a celebration. A grant to aid the Fire Brigade in making a turn-out was refused on the score of economy, which is now the ruling spirit with the City Fathers.

THE BAND.—The Band of the R. C. Rifles plays in the Cricket Ground this afternoon at 5 o'clock, instead of in the City Park. This will be an additional attraction for the Cricket Match. The following is the

PROGRAMME.

Overture—Nabuco ..... Verdi.
Quadrille—La Belle Helene ..... Strauss.
Reminiscences of Mozart .....
Valse—Morgenstern ..... Labitzky.
Selection—La Vie Parisienne ... Offenbach.
Galop—Wilhad Eisenbahn ..... Kuhner.
God Save the Queen.

THE LAKE AND THE SAGUENAY.—The steamer Magnet left Montreal yesterday on her first trip to the Saguenay, and will be followed next week by the str. Union. The route to the Saguenay having been opened, the new Canadian Line (late Am. Express Line), from Lewiston to Montreal, has commenced operations. On Saturday the steamer Columbian, late the Cataract, Capt. Estes, passed down, and arrived up on Monday evening on her first trip from Ogdensburg to Lewiston. The Athenian (formerly the Bay State), Capt. Morley, left Lewiston on Monday morning and arrived yesterday morning on the first downward trip. These steamers connect at Ogdensburg with the river boats Banshee and Champion, forming a daily line to Montreal from Niagara Falls. The strs. Columbian and Athenian have been greatly strengthened and improved by the work performed on them by their new owners. The Cataract has been made almost a new boat. In point of appearance and comfort the two boats stand unrivalled on the lakes.

POLICE COURT, Tuesday.—John Auseem, one of the young men implicated in the disturbance on Montreal Street in April, was brought up this morning and fined $2 for that offence. James Tweddell, James Loughran, James Auseem and Margaret Watson, were charged with being disorderly, and with robbing Wm. Spooner of $4 on Monday night last. It appears that complainant overtook them on his way to the lower depot, and asked them to have a ride, when they all got in his waggon and drove to the station, where they had something to drink. One of the party offered complainant 50c. to drive them to the city, which he accepted, but when he had reached Charles street they refused to give him the fare, and a general row took place, which aroused Corporal Nugent, who lives near by, and who at once proceeded to the scene of action, and soon settled the affair by arresting the disorderly parties. As the Magistrate was not satisfied about the money being stolen, he fined the young men $3 each or 14 days in gaol, and Margaret Watson $10 or 30 days in gaol on the first charge.

The first great prize meeting of the Dominion Rifle Association will take place at Laprairie, commencing on the 16th September.

The Dominion La Crosse Club of Montreal, has beaten the Lancaster Club on their own ground. The Dominion Club won three straight games, the time of each being one hour, four minutes, and two hours and fifty-seven minutes, the longest game on record.

General Sherman, commander of the department of the East, has made an inspection along the frontier and reports all quiet on the "lines" from Detroit to Boston.

Active preparations are being made all over England for a general election contest. Candidates were numerous and the supporters of the prominent political party leaders animated to an unusual degree.

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
