NEWS OF THE DAY.

SATURDAY MORNING, JUNE 27, 1868.

JAPANESE TROUPE.—We are to be favoured with a decided novelty in the coming of the celebrated Japanese, who from the time they made their debut in New York have received more favorable notice from the press and more patronage from the public than any company of performers either native or foreign that ever travelled in this country. They number twenty-four artists, and among them are five females, the first who ever left the empire of Japan. They have also five juveniles, each of whom is a wonder in his way. We will not dwell upon the specialities they present, or quote the encomiums they have received from all the eastern and southern cities.

CRICKET MATCH AT TORONTO.—Yesterday and to-day are being contested at Toronto in a great Cricket match—the College vs. the Province. The Province eleven are drawn from Toronto, Kingston, Hamilton and London. Mr. Hornby, R.C. Rifles, and Mr. Brown, R. A., whose fine playing on Wednesday was so much admired, represent Kingston.

EXCURSION TO KINGSTON.—The steamer Bay of Quinte will make an excursion from Belleville to Kingston on Dominion Day, returning by moonlight. This will give excursionists ample time to visit all the sights in the city.

BATHING AND FISHING.—The High Bailiff has found it necessary to issue a public notice warning persons against bathing at any of the city wharves between the hours of six o'clock in the morning and eight in the evening. A city by-law makes this an offence and fixes a fine of $2 for each infraction. Notice is also given of the penalty fixed by the Fisheries Act of last Parliament for fishing on Sunday, referred to yesterday, and it would behoove those concerned to beware in time. Sixty persons are summoned to appear at the Toronto Police Court this morning for breaking this law.

DOMINION DAY—LA CROSSE MATCH.—The Kingston Club having selected their "twelve," have challenged the Pittsburg La Crosse Club to a friendly return match, to be played on Wednesday next, Dominion Day, at the Cricket Ground. This Match will decide the question of superiority, as the last exciting and hard-fought contest resulted in a drawn game. The Match will fill a gap left in the short list of attractions for holiday seekers on Dominion Day. We are sure it will furnish pleasure and excitement to a large crowd of people. The Kingston La Crosse Club deserve praise for their efforts in bringing the National Game so frequently before the public.

DOMINION DAY.—As we have not heard of a muster and review of the Volunteers or troops on Dominion Day, we presume there will be none, in the absence of a General Order for a parade from headquarters. We think the Volunteers should be free to enjoy the holiday as they please.

THE HORSE THIEVES.—At an examination before the Police Magistrate on Thursday evening, the Indian horse thieves admitted having stolen the horses from Mohawk Plains on Tuesday last, and Mr. Port, who was present, identified one of them as his property, and the other as belonging to Widow Murley. The Magistrate committed them to the Belleville gaol for trial.—The prisoners left in the custody of the Belleville constables, and Mr. Port was allowed to take care of both the horses, being instructed to bind Mrs. Murley over to prosecute them.

POLICE COURT, Friday.—Peter Rice, a crazy old vagrant, was charged with being drunk and disorderly, and wishing to be "sent up for seven days to get a sleep and revive from the blues," was committed to gaol for ten days. Two drunks were fined $2 each. Ann Jane Avery, a small girl from Hamilton, was charged with being a vagrant. She was sent back to her home at Hamilton.

The natal day of the new Dominion will be generally observed and properly celebrated as a holiday in Napanee.

Lt.-Col. Shaw, Brigade Major, has inspected the Napanee Volunteer Infantry, but failed to compliment them on their efficiency.

Advices received from Glasgow, dated 11th inst., says no word had then been heard of the Shandon or Glenniffer, though the latter was reported two days before by mistake.

The British Government has resolved to give compensation to those whose property was destroyed by the Clerkenwell outrage. The amount was estimated at £8,000.

Everything connected with the building trade is very active in Halifax just now, and masons, bricklayers, carpenters, joiners, &c., are getting high wages, and are in great demand; contractors having to refuse work, owing to their not being able to get hands to do it.

The Washington Correspondents state that the sub-committee on Ways and Means have fixed upon sixty cents as the tax on whiskey. As the bill will not be reported before this week, nor enacted into law before a month, it is proposed to pass a joint resolution, fixing the reduced tax at once, so that the government may commence immediately to retrieve its losses in revenue and break up frauds.

NO REACTION.—THE SAFEST KNOWN TONIC.

The vivifying operation of ordinary stimulants is succeeded by nervous disturbances which require further medication to remove them. But Radway's Ready Relief tones and invigorates without exciting. Hence, it is a perfectly harmless preparation. Instead of determining the blood to the head, it equalizes the circulation, and while acting locally, braces up the whole physique.

Price 25 cents per bottle. Sold by Druggists.

Government Notice.

PHOTOGRAPH BEFORE USING AFTER USING

HALL'S Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
