NEWS OF THE DAY.

WEDNESDAY MORNING, JULY 8, 1868.

CORONER'S INQUEST.—An Inquest was held within Fort Henry on Tuesday, by Dr. Barber, on the body of a Bombadier, Phillip Allcorn, of the Royal Artillery, who was accidentally drowned in Navy Bay on Friday, July 3rd, while crossing in a Punt from the Fort Shore to the St. Lawrence Guard. The Punt was dangerous, and used contrary to express orders, to save the going round by land. The deceased was fresh from Home, and knew nothing of the management of Skiffs or Punts. Verdict of Accidental Death.

☞ We were in error last week in repeating what appears to have been a widely circulated report to the effect that the steamer Rochester ran aground and was delayed on the Excursion trip to Brockville on Dominion Day. No mishap of any kind occurred to mar the pleasure of the trip.

THE IRISH PIC-NIC.—The Committee of the St. Patrick's Society at a meeting held on Monday evening unanimously decided to have the Annual Pic-Nic on Wednesday, the 15th inst.

THE WEATHER.—Yesterday a splendid shower of rain fell, which put an end to the partial drought. Again yesterday afternoon it was intensely hot.

☞ Among the passengers outward on Saturday in the s.s. Peruvian, were the Rev. J. Brown, Messrs. P. Hatty and J. Gardiner.

TRIED TO HANG HIMSELF.—A blind man, known to the city as Greer, but whose real name is Thomas Ferreton, tried to commit suicide on Monday night by hanging himself with a strap attached to a beam in his room, off Earl street. A neighbor by the name of Sullivan, hearing a queer noise in the room, suspected something wrong, and forced open the door just in time to save Ferreton's life, whom he found hanging and nearly dead. After cutting him down, Sullivan informed the police, who arrived just in time to prevent a repetition of the act, which the man was about trying to effect. He appeared before the Police Magistrate yesterday morning, who sent him to gaol for 30 days as a vagrant, and for safe keeping. The attempt was made through the effects of continual drinking.

NEW LOCOMOTIVE. — Yesterday, the "Prince Leopold," No. 99, a new locomotive for the Great Western Railway, left the Works of the Canadian Engine Company, for her destination, Hamilton. She is a large and splendid locomotive, the finest, we think, that has ever been manufactured in Kingston. She is provided with all the latest improvements, and is a model of good workmanship. The engine reflects great credit on Mr. Tutton, the Superintendent of the Works.

THE STEAMBOAT "CORINTHIAN" STRUCK IN THE LACHINE RAPIDS.—The Montreal Witness of Monday says: Last night the steamer "Corinthian" struck in the Lachine Rapids and was, in consequence, immediately run on a shoal. She had on board a large number of passengers, and the "Maid of Canada" this morning went up to take them off. The "Corinthian" lies quite out of the Rapids. The cause of her unfortunate sinking was, probably the lowness of the water in the river at the present moment, or possibly the dense smoke from the burning of the woods.

(It is understood that the Corinthian has been got off without injury and taken into dry dock.)

POLICE COURT, Tuesday.—Mrs. Robbe was charged by Inspector Mostyn with selling liquor without license, but as the case was not proven, the defendant was discharged. Margaret Murray, a small girl, was charged with stealing some articles from Mr. Dumble, but as that gentleman did not wish to press the charge, the Magistrate allowed her to depart, having cautioned her as to her future conduct.—Wallace P. Stiter was charged by Benjamin Newan with stealing a pocket book from his person on Monday last, containing $32 in bills and a note for the same amount. The complainant stated that he had been boarding at defendant's house, four miles the other side of Seeley's Bay, in the township of Leeds, and on the day mentioned, started in company with the defendant for Kingston. When four miles this side of Seeley's Bay he missed his pocket-book, and accused the defendant of having taken it. The prisoner denied the charge, and said he would make it all right when they got home. Stiter said in his defence that the complainant had told him that he had left his pocket book at home, which had occasioned the remarks alluded to.—He appeared rather nervous, and very anxious to arrange the matter with the complainant. The magistrate remanded the defendant to gaol, to give him time to send to the Bay for the money, while the complainant was left under the surveillance of the police to prevent him drinking until the matter was settled, as he had already imbibed more than sufficient.

CALOMEL COMPLETELY SUPERSEDED.

In driving out one disease with mercury you substitute another. When a man is saturated with calomel or blue pill his health is ruined. Who can wonder then at the boundless popularity of Radway's Regulating Pills, which produce all the good results of the corrosive mineral, and entail none of its frightful consequences.

Price 25 cents per box, coated with sweet gum, free from taste. Sold by Druggists.

AMERICAN HOUSE
BOSTON, MASS.

THE very important and extensive improvements which have recently been made in this popular Hotel, the largest in New England, enable the proprietors to offer to Tourists, Families, and the Travelling Public, accommodations and conveniences superior to any other Hotel in the city. During the past summer additions have been made of numerous suites of apartments, with bathing rooms, water closets, &c., attached; one of Tufts' magnificent passenger elevators, the best ever constructed, conveys guests to the upper story of the house in one minute; the entries have been newly and richly carpeted, and the entire house thoroughly replenished and re-furnished, making it, in all its appointments, equal to any hotel in the country.

HALL'S
Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
