BY ATLANTIC CABLE.

Vienna, Nov. 12.

The Reichsrath has passed the bill prescribing new regulations for the army. Baron Von Beust carefully explained his former speech so as to remove all cause for anxiety.

ARCHBISHOP OF CANTERBURY.

London, Nov. 12.

The Rev. W. Thompson, D.D., Archbishop of York, succeeds the late Rev. Charles Thomas Longley as Archbishop of Canterbury, and Rev. B. Wilberforce, D.D., Bishop of Oxford, succeeds to the See of York.

THE ELECTIONS.

The Parliamentary elections commence to-morrow. Most extensive measures of precaution against disturbances at the polls have been taken by the police authorities. Troops have been sent to Blackburn, an important borough in the county of Lancaster, where serious trouble is feared.

MILITARY COMMISSION.

St. Petersburg, Nov. 12.

The International Military Commission has agreed to prohibit the use, in time of war, of all explosive projectiles weighing less than 400 programmes.

LATEST.

New York, Nov. 13.

The Democrat's special says there are there are four parties who will contest the coming election in Spain—the party of the Provisional Government, Prim, Serrano, and Partero representing the army. The Conservative party, composed of the commercial and industrial classes desiring a monarchy and monarchial constitution, with maintenance of local liberties. The Democratic party, inclining toward a Republic, and demanding the government of the nation by the nation. The Clerical party, wishing for the return of Isabella and for restoration of privileges taken from them by the revolution.

The Emperor and Empress of Austria are expected at Paris in the course of the present month.

Gustave Lambert is now at Havre for the purpose of organizing his Arctic Pole expedition.

The Turkish Government has made a contract with a House in Boston for the purchase of one hundred revolving guns.

The agitation in the Danubian Provinces is said to be the cause of the present military preparations.

St. Petersburg, Nov. 12.

An Imperial ukase fixes the time of making the conscription in January. Four persons out of every thousand are to be drawn to complete the effective force of army and navy.

TERRIBLE INUNDATION.—Reference was a short time since made to a recent inundation in Switzerland. No one, however, had any idea of the magnitude of the calamity, or of the terrible distress which it has caused. We learn that, as the overflowing waters of the Rhine and Rhone swept through the valleys with resistless fury, houses, mills, and factories were torn from their foundations, forests, vineyards, and crops of grain were carried away, and worse than all, hundreds of human lives were sacrificed. The pecuniary loss will not fall short of sixty millions of francs, an enormous sum for the Swiss, who are anything but a rich people.

NEWS OF THE DAY.

SATURDAY MORNING, NOV. 14, 1868.

MR. REYNER'S CONCERT.—The most liberal arrangements are being made for this Grand Concert, the announcement of which appears in another column. It will be *the* concert of the season, as all the talent of the city will be combined in it.

MUNICIPAL MATTERS.—Though some time will elapse before the Municipal Elections must occur, the people of Napanee are "up and doing." Mr. Huffman announces that he will be a candidate for the Mayoralty. Mr. B. C. Davy also determined to contest for this the most honorable gift of the people of Napanee. These two latter gentlemen, not thinking it a good policy that both should offer with Mr. Huffman in the field, concluded to canvass the town, and agreed that whichever had the smallest number of supporters should retire in favor of the other. The result has not shown any advantage for either so late as Tuesday night.

☞ The St. Andrews Societies of Toronto and Ottawa held their annual meetings on Tuesday evening, and agreed to celebrate the day. The Treasurer of the Ottawa society reports his having $690 on hand after relief being afforded during the past year to 33 families. Mr. Jas. Frazer was re-elected President, At Toronto, the Hon. D. L. Macpherson was also re-elected President.

POLICE COURT, Friday.—The prisoner Le Page, arrested by Policeman Illsey on Tuesday last on the charge of stealing a sum of money from the Hotel Dieu Hospital, was further examined this morning. After the taking of the evidence of two witnesses he was committed for trial. Mr. John McIntyre appeared for the prisoner. Samuel Mead, a delapidated customer, was charged with stealing a coat from Mr. D. McKay. The prisoner admitted the charge and was sent to gaol for two months, which evidently fully met his wishes. One drunk, who got on a Grecian bender, was fined $2. These were the only cases this morning.

MCPHERSON VS. KINSLEY.—There were two distinct charges against the defendant, who is a constable of the Township of Pittsburg. The first by Miss Elizabeth McPherson, who charged the defendant with having, on the 6th inst., forced his way into her residence, Bagot street, in company with the wife of one of the complainants, who is the father of Miss McPherson, and who has been separated from her husband for about fourteen months. The object of the defendant's thus intruding was to endeavor to obtain possession of the child of McPherson, a girl about 7 years of age, who was in charge of the complainant. The defendant had endeavored to get an order from the Police Magistrate for the possession of the child, by representing that the Recorder had given him directions for such, which representations were not believed by the Magistrate, who consequently did not grant the order, but sent him to the Recorder. This representation the accused acknowledged to have been a lie. Complainant swore to the defendant forcing his way into the house, another evidence was corroborated by her sister. The Magistrate fined Kinsley $20.

The complainant in the next case, Daniel McPherson, is father of the last plaintiff, and charged the defendant with having taken him with a pretended warrant about the beginning of November on the charge of having set fire to his (McPherson's) barn, which was under the levy of the Sheriff, and which had been burnt down, and having kept the complainant during the entire day, and complainant afterwards found that there had been no warrant in the possession of Kinsley, who had acted entirely on his own responsibility. The Magistrate fined defendant $20. Mr. Wm. Ferguson appeared for the defendant and gave notice of appeal in both cases. Mr. Price was the counsel for the complainant.

FELLOWS' COMPOUND SYRUP.

To Mr. JAMES I. FELLOWS,

Manufacturing Chemist, St. John, N.B.

We the undersigned, have much pleasure in recommending your Compound Syrup. After a fair and protracted trial of the same, we consider your preparation a very valuable nervous tonic, far surpassing many others of considerable repute, and well worthy the confidence of the profession generally.

We beg to remain, yours very truly,

A. H. CHANDLER, M.D.
H. A. JACOBS, M.D.

Moncton, N. B., November 9, 1867.

Mr. JAMES I. FELLOWS, Manufacturing Chemist.

Sir,—For several months past I have used your Compound Syrup in the treatment of Incipient Phthisis, Chronic, Bronchitis and other affections of the Chest and I have no hesitation in stating that it ranks foremost amongst the remedies used in those diseases. Being an excellent nervous system, and through it it invigorates the body.

It affords me pleasure to recommend a remedy which is really good in cases for which it is intended, when so many advertised are worse than useless.

I am Sir, yours truly,

Z. S. EARLE, Jr., M.D.

Pocket volumes containing these Lectures, will be forwarded post-paid, on receipt of 25 cents, by addressing "SECRETARY, New York Museum of Anatomy and Science, 618 Broadway, New York." 12

S-a-r-s-a-p-a-r-i-l-l-i-a-n.

Associated with other powerful vegetable ingredients that form RADWAY'S SARSAPARILLIAN RESOLVENT, is curing the worst cases of Chronic, Scrofulous, Syphiloid, and Urinary Diseases, as well as Skin Diseases.

A medical gentleman inquires "if the Resolvent is a cure for Spermatorrhea, Impotence, and Discharges from the System, that threatens dissolution," &c.

THE RENOVATING RESOLVENT, when prepared under the old process, cured many, persons in this city and elsewhere, who, from, self-abuse, had almost placed themselves beyond the reach of cure, but who were cured, and since married, and have children. This is good evidence of its powerful curative and fruitful efficacy.

As a Blood Purifier, it is superior to all Sarsaparillas—these decoctions are mere washes compared to the powerful, stimulating strengthening, and life-invigorating effects of the true SARSAPARILLIAN RESOLVENT. So quick as this remedy in passing into the circulation, that it may be detected in the Blood and Urine in ten minutes after it is taken.

In ordinary Pimples, Blotches, Worms or Insects in the Skin, Black Spots, Sores, Eruptions, &c., a few doses is sufficient to make the skin clear, smooth, and healthy.

In aggravated Disease of the Skin, Sores Ulcers, Fever Sores, Salt Rheum, Syphiloid Secondary or Primary, this remedy cures permanently, and has cured after the treatment of Ricord, Velpeau, Du Barry of Paris, and the same treatment in this country, failed. (For the theory of cure, see Dr. Radway's new medical book, False and True, now ready;) also, many other diseases not proper to mention in a public advertisement. But so powerful is this remedy, that physic lans, who formerly had no faith in Sarsaparilla, are deeply interested in its wonderful effects, a prepared by Dr. Radway in the SARSAPARILLIAN RESOLVENT.

It is acknowledged to be a superior, a safer and more rapid cure than Buchu, Juniper Cubebs, Turpentine, Copaiba, &c., for all diseases of the Urinary, Bladder, or Uterine Organs, and the only sure cure for Teleration and Degeneration of the Kidneys. Dr. Radway has for several years given special attention to diseases of these organs, and his treatise on Kidneys, Bladder, and the Urine in "False and True" is the most thorough and explicit of any published.

THE SARSAPARILLIAN RESOLVENT is the best remedy in the treatment of Consumption of the Lungs and Bronchitis.—It purifies the Blood and loosens the phlem, so that expectoration is easy. It supplies the waste and decay of the body with new and healthy material, and repairs the emaciated body with new strength—it secures a good appetite, and checks the waste and dissolution of the lungs. A few doses in consumption will do good.

Read FALSE AND TRUE. Send one letter-stamp to RADWAY & CO., No. 87 Maiden Lane, N. Y. Information worth thousands will be given you. Price of RESOLVENT SARSAPARILLIAN, $1 per bottle, or $10 per dozen.

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and* falling out of the hair; *and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original; it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
