London, Nov. 25.

The ship Louvre, from Quebec for Liverpool, was abandoned at sea. The crew have arrived safely.

The report of the death of Mazzini is contradicted.

Madrid, Nov. 24.

A transport with war stores sailed from Cadiz for Cuba yesterday. A fleet with troops for Cuba will sail on the 2nd of December.

London, Nov. 24.

Among the candidates elected yesterday are Sir John Simlon, Liberal, for the Isle of Wight, Sir Patrick O'Brien, Liberal, for Kings County, and John Brady, Liberal, for Leitrim.

Letters from Buenos Ayres report that Sarmiento is desirous of having the command of the army given to one of the United States Generals who distinguished themselves in the war of the Rebellion.

London, Nov. 25.

Speculation is rife in regard to the composition of Mr. Gladstone's cabinet. It is considered as very nearly certain that the Earl of Kimberly will be the Secretary of State for Foreign Affairs.

The propriety of having the Alabama commission hold sessions successively in London and Washington, is now under consideration.

London, Nov. 25.

The Times says that the liberal majority will be 117. The defeat of Mr. Gladstone for south west Lancashire is mainly due to a local dislike for the Irish.

London, Nov. 24.

The advocates and supporters of the Anglican Church, are making a tremendous effort to keep the present cabinet at the head of affairs. Several archbishops have gone to see the Queen, and respectfully requested her not to accept Disraeli's resignation until the wishes of the new Parliament shall have been consulted.

The surprise of an unexpected continental question is likely to strengthen the position of the present cabinet. Lord Stanley's policy, whose efforts in advising France and Prussia to disarm were on the eve of succeeding, has unexpectedly been checked by the new aspect assumed by the Eastern question. An alliance has been formed, it seems, between Russia and Prussia, for the purpose of creating a monarchy out of the Danubian provinces, and of placing at his head Prince Charles, the nephew of the King of Prussia, and now King of Bulgaria. This arrangement would place the whole Eastern Empire under the control of the northern powers and give Constantinople to Russia.

The indications of this coalition are so strong that Lord Stanley has, for the present, abandoned all hopes of inducing European powers to disarm.

NEWS OF THE DAY.

FRIDAY MORNING, NOV. 27, 1868.

THE TEMPORAL POWER OF THE POPE, AND GARIBALDI.—The lecture by the Right. Rev. Dr. Lynch, Bishop of Charleston, on this subject, given in St. Mary's Cathedral on Wednesday evening, was very largely attended by persons of nearly all sects. We have already spoken very highly of Bishop Lynch's ability as a public speaker, and our good opinion of him has been greatly strengthened by hearing this lecture. His oratory may well place him in the first rank of eloquent men. The lecture was a complete review of the comprehensive question of which it treated, and also a strong defence of the Pope in his temporal position. The lecture was under the management of the gentlemen in connection with the Society of St. Vincent de Paul. Dr. Lynch is announced to preach in Lindsay on Sunday next, and to deliver two lectures in the same place next week.

FIRE ALARM.—About half past twelve o'clock yesterday the fire bells sounded a vigorous alarm, and crowds of people were attracted to the corner of Queen and Barrie Streets, where it was found that a portion of the interior of the house of Mr. Wm. Fee had caught fire, probably from a defective chimney or stove pipe. A few pails of water extinguished the fire, and averted the greater danger. Damage slight. The engines and hose carts had no sooner arrived, than they were ordered back to the engine house.

YOUNG MEN'S CHRISTIAN ASSOCIATION OF ST. ANDREW'S CHURCH.—The next lecture of the course will be delivered by Rev. P. Gray, in the Rooms of the Association, William Street, this (Friday) evening at 7:30 oclock. Subject: "The Crusades." It is to be hoped that the efforts of the Association will this winter be appreciated by a large attendance as on former occasions.

THE FENIAN PRISONERS AT OTTAWA.—The order to admit the Fenian prisoners Callaghan, Slattery, Doody and Kinsella to bail has been received, and as soon as the bail bonds are completed they will be set at liberty. Callaghan, Duggan and Slattery expected to obtain sureties in Ottawa, and Doody and Kinsella in Montreal. An impression is abroad that Kinsella, being indicted as an accessory to Mr. McGee's murder, could not be bailed, but this is incorrect. Callaghan will, of course, have to answer the charge of having assaulted the turnkey when he endeavored to escape, but the assault will hardly turn out to be a very violent one.

LATER.—The prisoners have been released. No order for the release on bail of Duggan had arrived, so that he still remains in confinement.

DEMONSTRATION.—The Orangemen of Kingston and vicinity have fixed upon this evening (Friday) for their purposed Demonstration in honor of the election of Mr. W. Johnson of Ballykilbeg, the Grand Master of the Orangemen of Belfast, to the representation of that constituency in the British Parliament. Mr Johnson by his unswerving advocacy of the rights and liberties of the Protestants in Ireland has won the favor and esteem of all his brethren, whether of Great Britain or Canada, and, after the hard fought victory he has just won over rank, influence and capital, in the gaining of his seat, the Orangemen of Kingston feel that they cannot allow the event to pass over without showing in some unmistakeable manner, the gratification it has afforded them. The demonstration to-night will no doubt be enthusiastic on the part of the Orangemen of the county as well as of the city. The announcement of a bonfire, torchlight procession and mass meeting, can be seen in another column.

POLICE COURT, Thursday.—Jas. Roach was the only prisoner before the Court this morning; he was charged with being drunk and with assaulting his father. The case was adjourned for one week and the prisoner sent to gaol for that period. John Rynard, Barrie Street, was charged by Inspector Mostyn with selling liquor on Sunday. The Inspector failed to prove the charge and the case was dismissed.

THE LAST VESSEL SEAWARD.—The Napier, the last ocean going sailing vessel in port, departed from Montreal on Wednesday for Liverpool, laden principally with grain. The ss Austrian has yet to take her departure.

OTTAWA.

The Governor General—Serious Accident.

Ottawa, Nov. 25.

The Privy Council met to-day. Business is only routine.

A telegram was received to-day from New York, stating that Sir John Young would arrive here on Friday afternoon and would have much pleasure in being received in a public manner. A programme has been drawn up of the reception. The procession will embrace the city officials, members of the Government, volunteers, firemen, &c. This programme may be changed, however, as the Judges cannot arrive here to swear Sir John until next week. It is expected that the oath will be administered and a public reception take place in the Senate Chamber on Tuesday.

A serious accident occurred to-day at Spencerville. While the morning train from Prescott was waiting for crossing, Sheriff Powell and Sergt. Davis were amusing themselves by firing at a telegraph post, when one of the balls glanced, striking in the forehead a little girl 16 years old, who was sitting in an upstairs window of a house near by. The girl was alive at last accounts.

NEW BRUNSWICK.

The Financial Crisis.

St. John, N. B., Nov. 24.

Financial matters are improving, and confidence is being gradually restored. The St. Stephen bankrupt paper is now taken at 90c to 95c. It is considered certain that the Bank will resume.

A meeting of Scovil's creditors took place last night. The liabilities are supposed to be half a million. Business is very dull.

INFIDELITY.—A letter from Newcastle says: A few nights ago, two farmers visited the house of a man, who is a hard-working individual, and has a wife and five children. The husband returned sooner than was expected, and was horrified at receiving the most convincing proof that his wife was anything but faithful and true. He at once drove the farmers and the faithless woman from the house, telling the latter to never again darken his door. She is young and good looking, while the farmers are men of good position. On the following day the husband applied for a warrant for their arrest, but the magistrate refused to grant one.

A PHANTOM CRISIS.—The Globe pretends to talk of a crisis in political affairs at Toronto. There is no ground for any such fustian. Our contemporary wishes, no doubt, a crisis, or a dozen of them for that matter, if it could only drive out of office the administration that is so usefully employed, and see in their places mere creatures of its own. But the public mind is sufficiently enlightened to understand this, and to appreciate the endeavours of those who, despite the opposition and slanders of the Globe, are doing so much to promote the welfare and contentment of the Province.—Free Press.

SARSAPARILLIAN RESOLVENT

Is a better remedy and a safer purgative for Kidney, Bladder and Urinary difficulties and Buchu, Turpentine, Cubebs, Juniper, Gin, or any other direct diuretic known.

SARSAPARILLIAN RESOLVENT is a quicker cure for the removal of spots, blemishes, sores, eruptions of the skin, black spots or worms in the flesh, than any of the ordinary Sarsaparillas in use. These decoctions are mere washes to the powerful, stimulating and purifying efficacy of DR RADWAY'S SARSAPARILLIAN RESOLVENT. A few doses will restore the vigor of life to the weak, deliberated an infirm.

RADWAY'S SARSAPARILLIAN RESOLVENT is the consumptives hope. It loosens the phlegm, repairs the waste of the body with new healthy material, made from pure, rich blood, and stops decay. Let it be tried.

Buchu is not a safe or safe remedy to take as a general medicine; it is subject to the same objections, as Blue Pills, Quinine, Corrosive Sublimate Mercury, etc., and other direct or exclusive properties. Persons that have taken either of those remedial agents for a length of time, are aware of the serious trouble involved—the liver, spleen, and other glands suffer. So with Buchu—its exclusive diuretic action on the kidneys, will, if used continually, suspend the secreting functions of other organs. Buchu, as is well known, is a direct diuretic, and is chiefly employed by medical men to secure an increased action of the kidneys.

But in most cases when thus employed, its use after a few doses is suspended and opiates administered, to modify his action, or to compensate the kidneys from the great strain they suffer from the direct influence of Buchu. Now Buchu indiscriminately used in cases of diabetes, gravel, brick dust deposits, uea, uric, or little acid, and in granular degeneration of the kidneys, catarrah of the bladder, dropsy, etc., is like taking salts to check diarrhoea.

PAREIRA BRAVA, associated with SARSAPARILLIAN and other remedial agents, in RADWAY'S REGULATING RESOLVENT, is compensating remedy. It cures every kind of disease of the Kidneys, Bladder, Skin, and Uterine Organs. A few doses will make the extraordinary change—for the better.

One ounce of Dr. Radway's Extract of the Pareira Brava Root, is worth all the Buchu Leaves that ten generations of Hottentots or other Savages can gather. Try it, and be cured.

Ask for Dr. Radway's Sarsaparillian Resolvent. Price, $1 per bottle, or 6 bottles for $5. Address,

RADWAY & CO.,

SARSAPARILLIAN RESOLVENT stops all weakening discharges that threaten to destroy life. The Resolvent, when prepared under the old process, cured many persons of diseases brought on by self-abuse, who have since married and have children. This ought to be good evidence of its powerful purifying and truthful efficacy. As prepared now, under Dr. Radway's new process, there is no disease that can be reached through the blood, urine and sweat, but that it will cure. Many diseases, not proper to mention in an advertisement, is explained; and means of cure pointed out, in Dr. Radway's new Medical Publication, FALSE AND TRUE, now ready. Address RADWAY & CO., 439 St. Paul Street, Montreal. Price of RESOLVENT SARSPARILLIAN, $1 per bottle, or 6 bottles for $5. 277

HALL'S

Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. *It restores* GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. *It makes the scalp white and clean; cures dandruff and humors, and* falling out of the hair; *and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a* HAIR DRESSING. *It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.*

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various names; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
