THE ESTATE OF BARON ROTHSCHILD.—The New York Sun thus helps ordinary intellects to estimate the enormous wealth left by the late Baron Rothschild:—The estate left by the late Baron Rothschild, of Paris, is reported to be worth $400,000,000. Few persons, we presume, have any definite idea of this immense sum, but it may help them somewhat to form one, to mention that it nearly equals the total cost of all the buildings and improvements in the city of New York. The assessed value of the real estate in this city liable to taxation was, in 1867, $555,147,062. Adding to this one-half for under-valuation, and then deducting one-half of the total for the lots, and it gives us $416,585,297 as the worth of the buildings. If, then, the city were to be reduced to ashes to-morrow, from end to end, the Rothschild fortune would suffice to entirely restore it. Think of one single man having such an amount of property.

The Marquis of Hastings.

HIS WILL AND DISPOSITION OF THE FRAGMENTS OF HIS ESTATE.

Some surprise (says Argus, the sporting paper,) has been expressed that the Marquis of Hastings should have been interred at Kensal Green, instead of his ancestral vault at Donnington; but the choice of the former place was made, I believe, from the Marchioness's rooted aversion to ever seeing Donnington again. As regards the disposition of the late Marquis's property, it is left as follows:—Lady Hastings has a marriage settlement of £2,000 a year, charged on the Rowallan estate. All the remainder of the property, which includes the collieries (which are very slightly encumbered,) the house in Grosvenor Square, Craven Lodge, the furniture, plate, books, pictures, horses, carriages, and farm stock, are to be sold, and the proceeds to go to the Marchioness for her life, or unless she marries again, when they revert to his lordship's sister, Lady Constance Marsham, and to her children. The Marchioness's jewelry is bequeathed to herself, and the executors, Admiral Felverton and Mr. Padwick, are left £1,000 each. The Marquis's will has been proved. The personal property was sworn under £90,000. The Marquisate of Hastings is extinct.

Et nos quoque tela sparsimus. 'We too, have scattered arrows.' Such was the motto of the Marquis of Hastings, who died at the age of twenty-six. So early a death, and such a career, need but a simple record.

CENTS FOR POSTAGE.—The Toronto Telegraph makes the following statement, which is important only as it affects those who find Canadian cents refused for postage at the post office. Mr. Geo. Brown having accumulated $50 worth of cents after several weeks sale of the evening edition, conceived a brilliant method of getting rid of them. He sent to the postmaster for $50 worth of stamps which he received and on the following day sent his 5,000 cents in payment. Mr. Lessile refused them, but Mr. Brown insisted, and threatened that, unless the cents were received he would send forty or fifty boys with trumpets blowing to demand twenty cents worth of stamps each for twenty copper cents, a demand that the Postmaster could not refuse. He was therefore compelled to submit. He received the 5,000 cents, and reported the matter to the authorities at Ottawa.

Domestic.

Sir John Young's commission is said to have arrived by the *Nestorian*.

The Secretary Treasurer of the Grand Trunk, has received the sum of $5, "restitution to the Grand Trunk Railway Company."

One Stevens, a saloon keeper of St. Catharine's, has been committed for trial for a rape upon a girl aged 12 years, named Margaret Nugent.

It is said that Commodore Vanderbilt has leased the Great Western Railway for ten years, with a view to ultimately purchasing it.

It is rumored that E. H. King, Esq. Manager of the Bank of Montreal, has declined the offer of a Senatorship.

The Leader says that during a speech in the House of seven minutes duration Mr. McLeod repeated the word "Sir" no less than 144 times. This is opposition eloquence with a vengeance.

An action to upset the Toronto narrow-gauge by-laws, as invalid, has been commenced in Chancery by a man named Tracy, a chimney-sweep. The Northern Railway is supposed to be furnishing the money for this suit.

Romeo H. Stephens, Esq., of Montreal, has generously offered a silver cup, value fifty dollars, to the Dominion Snow-Shoe Club at their annual races.

Every man of the Governor General's body guard has again enrolled himself for another term of service. This speaks well for the men who rendered such valuable services to their country on the frontier in 1866.

The housebreakers at Montreal have been reaping a harvest. They are composed principally of boys under 21 years of age, but it is said their audacity and skill are equal to New York burglars.

The report of Mr. Donaldson, emigration agent, states that during the present year 4,671 immigrants remained in the country, against 2,195 during last year.

The dinner to Mr. Brydges takes place on Tuesday evening next, at the St. Lawrence Hall, Montreal. Lieut.-Governor Belleau, Sir John A. Macdonald, Messrs. Galt, Chauveau, Mitchell, Rose and the Intercolonial Commissioners are expected to be present. The list already numbers over 200 subscribers.

The late Wm. Dow, of Montreal, left to the General Hospital, $1,000; Orphan Asylum, $1,000; House of Refuge, $2,000; Females' Home, $600; St. Andrew's Church, for the poor, 1,400; do. Orphans and widows, $1,000. These and other legacies amounted to $60,000. The residence he left to the widow of his late brother, and her four daughters.

The Halifax Reporter says that J. K. Ryerson, M. P. P., for Yarmouth, has caused some men to carry away the alarm bell belonging to the fog apparatus, erected by the Dominion Government at the entrance of the Yarmouth Harbor. Our contemporary calls upon the Local Government to express their condemnation of the outrage by restoring the bell to its place. A civilized man that Mr. Ryerson.

On Thursday last a man named Wm. Tobin, who had been employed for several years as night watchman at Labatt's Brewery, Prescott, was found dead in one of the brewery vats, having been suffocated by carbonic acid gas. It is not known for what purpose deceased entered the vat, as his regular duty did not require him to do so, and being an experienced hand, he must have known the danger attending such a step.

A farmer named Charles Cleary, from St. Basile, while eating breakfast at his boarding house in Quebec, attempted to swallow a piece of meat which stuck in his throat. A doctor was sent for, but before assistance could be rendered, the unfortunate man was suffocated. The piece of meat, when removed from his throat at the inquest, weighed over an ounce. Deceased was a well-to-do farmer, and leaves a wife and several children.

The city of St. John N. B. has been visited with a series of exemplary punishments. Tingley's failure, the Commercial Bank failure—the flight of Saucton—the St. Stephen Bank failure—Scovill's disastrous failure—Major Robinson tried for a misdemeanor—S. J. Scovill in Kingston jail—the Chief of Police and a City Marshal indicted for aiding in kidnapping—the Mayor in the hands of an investigating Committee—trouble among the Portland police—the St. George (Carleton) Church case in the courts—all these incidents occurring within a few weeks!

FERRY DAVIS' PAIN KILLER.—From the reports of dealers in this city, we think no proprietary medicine has had a larger sale. Its valuable properties, as a speedy cure for pains, colds, &c., seem to be generally appreciated, and no family should be without it, in case of accident, or sudden attack of dysentery, diarrhœa, cholera morbus and even Asiatic cholera yield to its magic power.

NEWS OF THE DAY

SATURDAY MORNING, DEC. 19, 1868.

SNOW SHOE CLUB.—The efforts to establish this institution have received a temporary check through the discreditable conduct of a few gentlemen, in frustrating the meeting at the Mechanics' Institute on Thursday night. As is usually the case when some selfish end is to be attained, the tactics used are more in keeping with the tastes inculcated by the rowdy element of society, than those emanating from an association with gentlemen. There is room enough in Kingston for two clubs, and more still for that matter, and these gentlemen would have reflected more credit on themselves by abstaining from any interference in this affair, or at least they might have shewn their objection in a more legitimate and less demonstrative manner.

THE LATE JUDGE DRAPER.—The funeral of this much lamented gentleman takes place to-day at half past twelve, and will be attended by the members of the bar in a body. The friends and acquaintances of the deceased are invited to join the procession. The flags on all the public buildings and private staffs have been floating at half mast for two days out of respect to his memory.

ORDINATION.—To-morrow (Sunday) morning at 11 o'clock, the Lord Bishop of Ontario will hold the Ordination Service in St. George's Cathedral.

ANNIVERSARY.—To-morrow two Anniversary Sermons will be preached in the Queen Street Wesleyan Methodist Church, at morning and evening service, by the Rev. Thos. W. Jeffreys. On Monday evening the annual meeting will be held in the City Hall.

SAVE YOUR LIMBS.—By sprinkling ashes on the side-walk in front of his premises, each citizen may save his own or neighbor's limbs. At present the action of pedestrians on the icy walks resembles, that of very poor sailors on a vessel's deck during a gale.

POLICE COURT, Friday.—Charles Rappee, was charged with assaulting William Robbs on Thursday afternoon. The complainant not being able to appear, the Magistrate refused to accept bail for the accused and adjourned the case until this morning, or until such time as the complainant shall be able to appear. Mr. B. M. Britton appeared for Mr. Rappee and urged the acceptance of bail, but without effect. This was the only case.

John Warren, who was charged with robbing his employer at Boston, Mass., was visited yesterday at the gaol by a detective from that place. The officer is well acquainted with Warren, and identified him as the person who had decamped with the property of his employers. The accused will be examined this morning.

Wistar's Balsam of Wild Cherry.

This remedy has long been cherished by the community for its remarkable efficacy in relieving, healing and curing the most obstinate, painful and long-standing cases of Cough, Cold, Influenza, Sore Throat, Bronchitis, Whooping Cough, Croup, Asthma, Inflamation of the Lungs; while even Consumption itself has yielded to its magic influence when all other means have failed. Its whole history proves that the past has produced no remedy of equal value, as a cure for the numerous and dangerous pulmonary affections which prevail all over the land.

UNSOLICITED TESTIMONY.

From Andrew Archer, Esq., of Fairfield Me:—"About eight years since my son, Henry A Archer, now Postmaster at Fairfield, Somerset County, Me., was attacked with spitting of blood, cough, weakness of Lungs and general debility, so much so that our family physician declared him to have a "Settled Consumption." He was under medical treatment for a number of months, but received no benefit from it. At length, from the solicitation of friends and others, I was induced to purchase one bottle of Wistar's Balsam of Wild Cherry, which benefited him so much I obtained another bottle, which in a short time restored him to his usual state of health. I think I can safely recommend this remedy to others in like condition, for it is, I think, all its purports to be—the Great Lung Remedy for the Times!" The above statement, gentlemen, is my voluntary offering to you in favor of your Balsam, and is at your disposal.

Prepared by SETH W. FOWLE & SON, 18 Tremont St. Boston, and for sale by Druggists generally.

GRACE'S CELEBRATED SALVE.

Amesbury Mass., Oct. 13th, 1863.

Mr. Grace—Dear Sir:—Having been afflicted grievously for several weeks with a severe abcess upon my side, I used several remedies for its eradication without receiving any relief, until I applied your salve, which effected a speedy and permanent cure. I therefore feel happy to certify my confidence in its virtues. Yours with respect.

JAMES SEAN.

I certify to the truthfulness of the above statement.

WHY THEY WORK WONDERS.—People ask how is it that RADWAY'S REGULATING PILLS work such wonders in bilious disorders. It is because they are composed of the most valuable active elements of the finest aperient and anti-bilious herbs and gums, without any admixture of the grosser parts. Furthermore, they are the only Pills ever manufactured that contain vegetable substitute for mercury and at once thoroughly efficient, and entirely harmless.

Price 25 cents per box, coated with sweet gum, free from taste. Sold by Druggists. 294

MR. JAMES I. FELLOWS, St. John, N. B.

Sir—Having, while at your Establishment, carefully examined your prescription, and the method of preparing your Compound Syrup, I felt anxious to give it a fair trial in my practice. For the last twelve months I have done so, and I find that in Incipient Consumption, and other diseases of the Throat and Lungs, it has done wonders. In restoring persons suffering from the effects of Diptheria, and the cough following Typhoid Fever prevalent in this region, it is the best remedial agent I have ever used. But for persons suffering from exhaustion of the powers of the brain and nervous system, from long continued study or teaching, or in those cases of exhaustion from which so many young men suffer, I know of no better medicine for restoration to health than your Compound Syrup.

If you think this letter of any service, you are at liberty to use it as you see fit.

I remain, yours, &c.,
