The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS, LONDON.

THE COCOA (or CACAO) of MARAVILLA is the true THEOBROMA OF LINNÆUS—Cocoa is indigenous to South America, of which Maravilla is a favoured portion. TAYLOR BROTHERS having secured the exclusive supply of this unrivalled Cocoa, have, by the skilful application of their simple principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoas, that it has not only secured the preference of homœopaths and Brandy-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

(See following Extract from the Globe of May 14 1868.)

"Various importers and manufacturers have attempted to attain a reputation for their Prepared Cocoas, but we doubt whether any thereat success had been achieved until Messrs. Taylor Bros. discovered the extraordinary qualities of Maravilla Cocoa. Adopting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which supersedes every other Cocoa in the market. Extra solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homœopaths and invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

One Hundred Cases of Confirmed Consumption, whose one lung is more or less gone, was dissected and dried, as may be seen.

50 CASES OF SUSPECTED CONSUMPTION.

Dr. Radway, three years since published the world, that Consumption was cured in the several stages of Consumption, showing in every case, that where tubercles become deposited in the Lungs and other organs, as in the Kidneys, Liver, Spleen, Bronchial Glands, Throat, Skin, &c., the formation of Tubercles destroys the Blood in this weak, pale, watery, and in defiance of such a consumption as Albumen, Phosphates, and the rich red colouring matter of the Blood Corpuscles. In the absence of these constituents the Blood, be it ever so diluted, is incapable of health and nourishment, and wherever there is inflammation, it deposits tubercles and decomposition, it has not the power to hold in solution its natural constituents, and Ulcers, Sores, Tumors, Cancers, and Vascular Diseases are formed, the presence of which causes inflammation, scattering, and consequent suppuration.

This reader, is the true cause of the formation of Tubercles and consumption. Dr. Radway was the first to advance this theory of the cause of Consumption and its kindred diseases, and prepared the **Radway's Resolvent** to supply the Blood, which such cases require, that is deficient, in the constituents of a system, and to give it the nourishment and strength to hold its natural constituents in solution. Dr. Radway's theory was published in England, France, Germany, and America, and has received approbation from the medical men of both hemispheres. From this best medical books have been published by medical writers, claiming to have discovered the cure of Consumption, but have failed to produce the remedy to cure it. Dr. Radway was the first to advance this theory, and the first and only discoverer of a medicine adequate. In **Radway's Sarsaparillian Resolvent** the public have a remedial agent that will cure Consumption and all diseases of the Lungs, Bronchial, Kidneys, Bladder, Liver, Womb, Throat, Glands, and Urinary Organs.

In all Wasting Diseases, such as Involuntary Loss of Sperm, Emissions, Weakness of the Genital Glands, Leucorrhœa, and all Urinary Diseases, Gravel, Lime Stone, Brick Dust, Uric Acid, and Calculous Concretions, the **Sarsaparillian Resolvent** is a positive cure. In Dropsy, Diabetes, and uncured Venereal, Syphilis, by its many, long, and cures when all other medicines fail.

EVERY DAY

an increase of flesh, weight, and strength is experienced. It is fat-forming. Calorific or Heat making. It is in the Blood what oxygen is to the atmosphere—it supplies the life principle. It swiftly removes from the surface all spots, Blotches, Pimples, Tetters, Ringworm, Blackheads, Worms, Scurvy, &c., imparting a **Clear & Beautiful Complexion** to all.
