Religious Conference Meetings at the Sons of Temperance Hall, Princess Street, every Sunday afternoon from 4 to 5:30 o'clock.

SATURDAY MORNING, JAN'Y 15, 1870.

THE WEATHER.—This has been a quiet week.

On Sunday, a clear bright frosty day, freezing up the harbor, with every prospect of the Ice Bridge.

On Monday, a rainy, sloppy day, with ever prospect of the sleighing's leaving us.

On Tuesday, cold and frosty, putting an end to the thaw.

On Wednesday, another big thaw, a night snow.

On Thursday, it blew, it snew, and frizz horrid, making every single soul keep within doors, and not a sleigh came to town.

On Friday, it was bitter cold, the Thermometer standing early in the morning at 16 degrees below zero,—the coldest day of the year.

This Saturday, we can't tell how the weather will be, seeing this was written last night.

What does 'lucus a non lucendo' mean? It means this—the Refuge for the Destitute in Kingston is called "The House of Industry," because there is never any kind of work done in it.

AN EXPLANATION FOR BIGOTS.—The term methodist or methodistical does not necessarily imply any connection with the Wesleyan or any other kind of Methodism—it means a narrow-minded contracted view of matters and things. In the same way a man of Catholic spirit does not mean that he is a Roman, or other Catholic, but that he is a man of kind and charitable opinions favourable to all mankind.

PRAISEWORTHY MUNIFICENCE.—The Perth Standard contains a piece of Kingston news not generally known: "The treasurer of the Orphans' Home thankfully acknowledges the receipt of $100,00 from John Carruthers, Esq." Munificent truly!

A PRESENT TO THE PRINCE.—The ladies have kindly presented Prince Arthur with a China Tobogan. The unsophisticated reader must not imagine this Tobogan to be a China utensil, but a real Tobogan to slide down hills on.

RETURNED.—Mr. Sheriff Corbett has returned home in good health and spirits, after a long stay among the Blue-Noses, engaged in arbitrating claims along the Line of the International Railway. He assumes the vacancy on the Militia Staff in this District as Lieut.-Colonel.

SKATING.—A couple of days ago the ice was in splendid condition for skating, but was not strong enough to be trusted; now it is quite strong enough for all purposes but it is difficult to find sufficient glare ice to make a rink on account of the snow which lies upon it.

THE TRAINS.—The first Express train from the East since Thursday morning at four o'clock, arrived yesterday at 9 a.m., with double mails. Yesterday afternoon's trains, both East and West, arrived only an hour or so each behind time. Altogether it has been a trying week on the line.

TO CONTRIBUTORS.—For the thousand and first time we have to say that anonymous communications are never published in the British Whig. Intelligent young men, like students generally are, should know this, or they may learn it by troublesome experience.

THE ICE BRIDGE—FIRST CROSSING.—The cold snap has perfected the ice bridge. It is now quite safe for heavy teams, several of which crossed from Garden and Wolfe Islands yesterday, morning and afternoon. The Cape Vincent Stage Line brought their sleigh and horses across in the afternoon. The first crossing with teams last winter was a fortnight earlier.

AMERICAN MAILS.—Yesterday afternoon the Express Stage brought over the United States mails of the day previous, which the broken state of the American Channel delayed at the Cape. Yesterday's mails are not yet at hand, the communication with Cape Vincent being still difficult and irregular. The American Channel, though, was broken up yesterday, and will be in a fit state for crossing to-day, so that future mail communications may be as perfect as in the season of navigation.

THE COUNTY GAOL.—The scantiness of the daily police reports is strong evidence of a prevailing morality in Kingston, but we are sorry to say the condition of the gaol is not. There are confined there 39 prisoners—20 male and 19 female—many of whom are vagrants and prostitutes, a larger number than the Institution has supported at any time within two years.

POLICE COURT, FRIDAY.—The least said is soonest mended. So that we shall not offend anybody by reporting what transpired at the Police Court yesterday. In truth, there was no business at all. Happy city; moral people.

THE NEW YORK CLERICAL ABSCONDER.—Nothing further has been heard of Cooke, the absconding clerical libertine, and the young lady who fled with him. The impression of the friends of Miss Johnson is that the pair have gone South. Circumstances would also point to England as a probable place of refuge. Cooke is heir to a large entailed property in that kingdom, and will become wealthy upon the death of an aged uncle there. It has been ascertained that he spent the week before his flight in borrowing money from his congregation, and that he has probably secured the members out of some thousands of dollars. Cooke's previous labors in the ministry were at Adrian, Flushing and Hamilton, and it is now remembered in those places that his conduct was erratic at times in regard to women, and that second letters on file. The accounts of the previous behaviour of concession with his recent villainy, leave no doubt that this is a deliberate, cold blooded scoundrel, and that no palliation of his offence on the score of mental infirmity or abuse of liquor or opium can be urged.—N. Y. World.

BREAKFAST.—EPP'S COCOA.—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctor's bills." Made simply with boiling water or milk. Sold by the trade only in ½lb., ¼lb. and 1lb. packets, labelled—JAMES EPPS & Co., Homœopathic Chemists, London.

Piles are frequently preceded by a sense of weight in the back, loins, and lower parts of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, as flatulency, unceasiness of the stomach, &c. A disagreeable itching is a common attendant. At certain times a stinging or burning pain is experienced, being often very severe; and after the fecal discharge there is more or less bearing down or tenesmus. For this painful disease, Dr. Briggs' unrivalled Pile Remedy is a specific cure; used according to directions, the greatest sufferer will feel the benefit of its virtues. Sold by Druggists and Country Merchants generally. Dr J. Briggs & Co., Proprietors. Offices 208 Broadway New York, and No. 6 King St. West, Toronto, Canada.

In the first or incipient stage of Consumption there will be found some difficulty in breathing, perhaps amounting to a shortness of breath, more especially on exercising. Cough is a very early symptom; it may be slight and hacking at first, but gradually becomes more and more distressing and frequent; at first it is dry, but is soon attended with an expectoration of a thin or frothy character, or resembling mucus. Very frequently the expectoration will be streaked with blood, and sometimes the observable symptom of consumption will be more or less profuse bleedings from the lungs. To those singled out as victims to this fatal malady, we offer a Remedy, sure in its results to bring back health to the poor weakened frame, and joy to the hearts of the friends. Dr J. Briggs' Redovator, the Great Throat and Lung Healer. Sold by Druggists and Country Dealers. Dr. J. Briggs & Co., Proprietors. 208 Broadway, N.Y., and No. 6 King St. West, Toronto.

Dr J. Briggs' Pile Remedy is acknowledged by all who have tried it (and their name is Legion) to be the best, most successful and efficacious Remedy ever used for that disease. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

Frosted Feet, Chilblains, Corns, Bunions, Bad Nails, &c; are positively cured by the use of Dr. J. Briggs' Medern Curative. This remedy has been compounded with great care and used as directed, never fails. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

Catarrh, a disease which distresses us and disgusts our friends, can be instantly relieved and quickly cured by using Dr. J. Briggs' Alleviator, an invaluable Remedy for all pain and inflammation. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

Consumptives, try Dr. J. Briggs' Throat and Lung Healer. It will relieve and cure you. For all diseases of the Throat, Chest, and Lungs, nothing can surpass its beneficial effects. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

R. R. R.

Ladies should always keep Radway's Ready Relief in their vanities or toilet cases; it will be found of great value in all the varied complaints which ladies are more or less troubled with. Headache, Toothache, Wandering Pains, Dizziness, &c., are instantly relieved and cured by its use.

LADIES BEWARE!

Insanity, Fits, Heart Disease, Rush of Blood to the Head, Vomiting of Blood, Weakness, Bad Dreams, Lowness of Spirits, Languor, Loss of Appetite, Consumption, and premature decay, follow speedily Irregularities and Resistance. To guard against these evils, let the feet be soaked in warm water mixed with Ready Relief daily, for three or four days before the expected period. If afflicted with either of these symptoms, take the Renovating Resolvent, and at night two to six of Radway's Pills. A few days' use of these medicines will remove all obstructions, and restore the system to health and regularity.

Sold by Druggists and Country Merchants, at 25 cents per bottle.

Arnot's Arnica Anodyne!

THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for

NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATORY SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,

It is not a week or untried Medicine, rashly or carelessly introduced on the public attention, but has been used by thousands in the immediate vicinity, as well as elsewhere throughout Canada, and in every case, such as are known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and this remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of the author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A. the suffering is sure to be alleviated immediately, and entirely subdued after a few applications. Its taste and odor are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils refreshes and stimulates the olfactory nerve more than the best Eau de Cologne.
