MONDAY MORNING JANY 17, 1870.

ACCIDENT.—A woman fell on the side-walk near Mr. Peter Macdonald's store, Market Square, on Saturday, and broke her leg. The walks are at present in a very dangerous condition, being covered with ice, and pedestrians should be very careful of themselves. The unfortunate woman was assisted home by two of the police. We have been unable to learn her name.

THE RED RIVER PRISONERS.—Among the list of prisoners detained by the insurgents at Red River, we find the name of Mr. Sidney Mulkins, son of the Rev. H. Mulkins, Chaplain of the Penitentiary. Mr Mulkins was, for some time, a student in the law office of Messrs. O'Reilly & Draper, of this city, but last Spring finding the study of Blackstone both stale and unprofitable, he struck out for Red River, and became articled to the Surveying staff of Col. Dennis. Mr. Mulkins is an active and energetic young gentleman and one likely to succeed in anything he may undertake.

THE ICE.—Teams were crossing on the ice bridge on Sunday, the thaw having had no effect on it. One United States mail was brought over on Friday night by the Express Stage, and the regular mail on Saturday afternoon.

GYMNASIUM.—The preliminary meeting for the formation of a Gymnasium Club, was held at the Mechanics' Institute on Friday evening. An organization was discussed, and future action was postponed until Tuesday evening, when a Committee will report on a suitable building for the purpose of a Gymnasium, and steps will be taken towards founding the Club.

WEARING VOLUNTEER UNIFORMS.—A military over-coat is a warm and comfortable luxury on a cold night, and to one would not object to its occasional use on promiscuous occasions, though it may not be according to regulation; but when it is seen as it often is, on the back of a transfer, wood cutter, or mechanic, it is time that the Militia Department look after its property. From what has already transpired, we believe that Lieut. Col. Corbett, on assuming his new duties, is bound to take steps to prevent Volunteers wearing Regimentals when not on duty. So Volunteers look out!

SUSPICIOUS CHARACTERS.—Two young men, representing themselves as detectives, called at the shop of Mrs. David on Princess street, in this city, on Friday evening, and asked to be shewn some double barrelled guns. Mrs. David complied with their request, and shewed them all the guns in her possession, but not being satisfied apparently with the articles produced, they left, and said they would call again. They also pretended that Detective Macaulay was assisting them in ferreting out some stolen property, of which they were in search. It is needless to say that the Police know nothing of the fellows. They are evidently some of the numerous swamps that hover about Belleville during the winter season, and business being dull up there, they thought they would try their hand at something in Kingston. We would advise them to return to that moral town, and not attempt to ply their vocation here, as the people of this city are too sharp for such cattle.

A MEAN ROBBERY.—Some rascally vagabond came time during the past week got access to the interior of St. John's Church, Pittsburgh, and by means of false keys robbed the whole Six Missionary Boxes of their entire (silver) contents, the gathering of a whole year. He left a few coppers in each box so that the robbery might not soon be found out.

YOUNG MEN OF ST. ANDREW'S CHURCH CHRISTIAN ASSOCIATION.—The Festival given under the auspices of this Association on Friday evening in Ontario Hall was a very successful affair. The Revd. Mr. Inglis, President of the Association, filled the chair. After refreshments were served and partaken of, addresses were delivered by the Revd. Messrs. McMorine and Prof. Murray, Prof. Murray in the course of his speech spoke of his recent visit to Scotland, and the movement there gathering strength for the confederation of all the sectaries of the Church of Scotland into one powerful national church. The learned Professor's address was well received. Mr. G. M. Macdonald read a select on from Henry VI., which was well rendered and heartily applauded. Mr. Woods of the Grammar School, also read "Bob Sawyer's Party" in capital style. The reading was one of the best amateur efforts we have listened to in Kingston, was repeatedly interrupted with laughter, and deservedly applauded at the close. Mr. Inglis then pronounced the benediction, and the audience dispersed, well pleased with the evening's entertainment.

LATE.—The weather does not agree with the trains any more than it does with human beings. On Saturday afternoon the Express from the West was two and a half hours late in arriving, and that from the East three hours behind hand as well.

### Police Court, Saturday.

Before John Creighton, Esq., P.M.

The calendar before His Worship this morning was again very light. The first candidate for judicial honors was Richard Wright, an old pensioner, who was charged with being drunk. He did not deny the soft impeachment, but pleaded as a defence his ignorance of the strength of the poison which he had been "hoisting." The Magistrate thought he had thrown himself outside of a sufficient quantity to test its strength, and fined the old "buffer" the usual $2 or 30 days. The fine was paid, and Richard was himself again.

Robert Bates, a miserable looking creature, next made his appearance, charged with vagrancy. He begged very hard to be let off, and promised to dig out at once if His Worship would only permit him. The Magistrate took Robert at his word, and allowed him his liberty on condition that he would leave the city at once and go to Napanee or some other God-forsaken place.

☞ THE WEATHER.—Oh, there is no use talking about it. It is an enigma. Thermometer was 16° below zero on Friday, on Saturday it was quite mild, raining all day.

A communication from Toronto announces a great accident in the Polytechnic School. Orders had been given to fix temporaries for the demolition of the arsenal gray, and workmen were employed accordingly, when all at once a tremendous explosion took place, killing seven persons, and wounding several others.

Fits are frequently preceded by a rise of weight in the back, loins, and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs, at times symptoms of indigestion are present, as flatulency, uneasiness of the stomach, &c. A disagreeable itching is a common attendant. At certain times a lingering or burning pain is experienced, bringing on very severe, and after the fecal discharge there is more or less bearing down or tenesmus. For this painful disease, Dr. Briggs' unrivalled Pile Remedy is a specific. Cure guaranteed according to directions, the greatest sufferer will feel the benefit of its virtues. Sold by Druggists and Country Merchants generally. Dr J. Briggs & Co., Proprietors. Offices 208 Broadway New York, and No. 6 King St. West, Toronto, Canada.

In the first or incipient stage of Consumption there will be a slight difficulty in breathing, perhaps amounting to a shortness of breath, more especially on exertion. Cough is a very early symptom, it may be slight and hacking at first, but gradually becomes more and more distressing and frequent, at first it is dry, but is soon attended with an expectoration of a thin or frothy character, or resembling mucus. Very frequently the expectoration will be streaked with blood, and sometimes the unfavorable symptom of consumption will be made or less profuse bleeding from the lungs. To those it will not be a matter of a doubtful nature, we offer a Remedy, that is certain to bring back health to the pale cheek, (name, and) to the hearts of the friends. Dr. J. Briggs' Renovator, the Great Throat and Lung Healer. Sold by Druggists and Country Dealers. Dr. J. Briggs & Co., Proprietors, 208 Broadway, N.Y., and No. 6 King St. West, Toronto.

Dr. J. Briggs' Pile Remedy is acknowledged by all who have tried it (and their name is Legion) to be the best, most successful and effectious Remedy ever used for that disease. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

Frosted Feet, Chilblains, Corns, Bunions, Bad Nails, &c., are positively cured by the use of Dr. J. Briggs' Modern Curative. This remedy has been compounded with great care, and, used as directed, never fails. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

Catarrh, a disease which distresses us and disgusts our friends, can be instantly relieved and quickly cured by using Dr. J. Briggs' Advantor, an invaluable Remedy for all pain and inflammation. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

Consumptives, try Dr. J. Briggs' Throat and Lung Healer. It will relieve and cure you. For all diseases of the Throat, Chest, and Lungs, nothing can surpass its beneficial effects. Sold by E. H. Parker and R. White, Kingston; and all Druggists.

### R. R. R.

Ladies, should always keep Radway's Ready Relief in their sideboards or toilet cases; it will be found of great value in all the varied complaints which ladies are more or less troubled with. Headache, Toothache, Wandering Pains, Dizziness, &c., are instantly relieved and cured by its use.

LADIES BEWARE!

Insanity, Fits, Heart Disease, Rush of Blood to the Head, Vanishing of Blood, Weakness, Bad Dreams, Lowness of Spirits, Languor, Loss of Appetite, Consumption, and rapid decline, follow speedily Irregularities and Profusions. To guard against these evils, let the least be sensible warm water mixed with Radway Relief slightly, for three or four days before the expected period. If afflicted with either of these symptoms, take the Renovating Resolvent, and at night take six or eight of Radway's Pills. A few days' use of these medicines will remove all obstructions, and restore the system to health and regularity.

Sold by Druggists and Country Merchants, at 25 cents per bottle.

## A. A. A.

## Arnot's Arnica Anodyne!

## THE NEW PAIN RELIEVER,

IS THE MOST RELIABLE REMEDY for all Pain, of whatever kind, whether internal or external. It is a certain cure for NEURALGIA, TOOTHACHE, RHEUMATIC AFFECTIONS, INFLAMMATORY SORE THROAT, DIARRHŒA, COLIC, DYSENTERY, CRAMPS, COLDS, DYSPEPSIA, FLATULENCE,

*And all Complaints of the Stomach and Bowels.*

It is not a weak or watered Medicine, rashly or carelessly intruded on the public attention, but has been used by thousands in the immediate vicinity, as well as elsewhere through Canada, and in every case, as far as Known, with the best results. Dr. ARNOT, the eminent Physician whose name it bears, was well known as one of the most distinguished Medical Practitioners in the Empire, and this remedy has been pronounced by all who have experienced its wonderful curative powers as well worthy of its author's reputation.

No one need continue a sufferer from pain when by the timely and proper use of A. A. A. the suffering is sure to be alleviated immediately, and entirely banished after a few applications. Its taste and odour are both agreeable, so that when taken it gives no offence to the most delicate palate, and when inhaled through the nostrils refreshes and stimulates the olfactory nerve more than the best Eau de Cologne.

If you suffer from NEURALGIA, use A. A. A.
If you are a martyr to TOOTHACHE, use A. A. A.
If you are afflicted with RHEUMATISM, use A. A. A.
If you are attacked by DIPTHERIA, use A. A. A.
If you have been BURNT, or SCALDED, or STUNG, or FROST BITTEN BRUISED, use A. A. A.
