Halton Region named a top employer

For the fourth consecutive year, the Region of Halton has been named in the Top 100 Employers in Greater Toronto.

An annual competition organized by Mediacorp Canada Inc. has named Halton Region one of the best places to land a job.

The competition recognizes the top 100 employers that lead their industries in a variety of categories. Halton was recognized

for its investment in ongoing training and skills development.

"We are honoured to be named one of the Top Employers in the GTA for a fourth consecutive year," Halton Regional Chair Gary Carr said in a media release.

"The employees who work at Halton are our greatest asset and this award is one of our most important achievements."
