The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

TAYLOR BROTHERS,
Sole Proprietory, LONDON.

THE COCOA (or CACAO) of MARAVILLA is the Food Emphatic of Health, and is the Most Nutritious, Easily Digested, and Economical of Cocoas. TAYLOR BROS. have invariably maintained the exclusive supply to the Royal Families of Europe, owing to the careful application of their chemical principle and manufacture, which not only ensures the Cocoa being free from the adulteration of Starch, Arrowroot, Sugar, and Fecula, which so largely enter into the composition of Homœopathic and Cocoa-makers generally, but many who had hitherto not found any preparation of this kind agree with them, enjoyed the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

See following Extract from the Globe of May 14 1868:

"Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any thorough success has been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of Maravilla Cocoa. Adapting their perfect system of preparation to the finest of all species, of the theobroma, they have produced an article which far excels every other Cocoa in the market. Entire sensibility, a delicate aroma, and a rare combination of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For invalids this invalids we can not recommend a more agreeable or valuable Beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.
