THANKFUL.—The Rain has done an infinity of good. The ground is thoroughly deluged, and will now stand another long drought. Most of the Spring Crops are up and doing well, and the Hay now looks as if it would be half a crop, whereas a fortnight ago, that half crop was not even hoped for. Potatoes however look well. Of Winter Wheat and Rye the prospect is not very good.

EXCURSION.—The first Excursion of the season—that of the Good Templars to Picton, comes off to-day. A more delightful trip and locality to visit are scarcely within the reach of Kingstonians.

DOMINION DAY.—The Mayor has been authorised by the City Council to declare Dominion Day a public holiday. We trust that this action will be followed by liberal arrangements on the part of a public committee for a Celebration that will do credit to "loyal old Kingston," which title, though musty, is one we may be justly proud of.

ROYAL CANADIAN RIFLES.—Half pay: Lieut. Thomas Henry Selwyn Donovan, late Royal Canadian Rifles, to be Captain by purchase.—

ARRESTED.—Capt. Eaton, of the tug Grenville, caused one of the firemen on board his vessel to be arrested yesterday on a charge of robbery. The case is likely to come before the Police Magistrate this morning.

"Healing on its Wings," say all who have made use of Dr. Wistar's Balsam of Wild Cherry, and by such use been cured of coughs, colds, bronchitis, sore throat, influenza or consumption. The prudent will always keep this standing remedy by them. 139

One peculiar characteristic of FELLOW'S COMPOUND SYRUP OF HYPOPHOSPHITES is its power of decomposing the food in the Stomach, rendering digestion and assimilation more perfect. This partly accounts for the rapidity with which patients take on flesh while using the article.

Price $1 50 a bottle; 6 for $7 50. Sold by apothecaries and by F. Cundill & Co., wholesale agents, Montreal. 139

The Combination of a central location for business with a quiet and retired home, is afforded by the addition of forty suites of rooms to the American House, Boston. Travellers will find this hotel one of the best in the land. 139

*POLICE COURT, TUESDAY.*

Before the P.M.:

Con Mulally was charged with assaulting his better half. He was ordered to find sureties to keep the peace.

Patrick Brien, an insane individual, was sent to goal with the view of having him placed in the Asylum.

There was no other business before the court this morning.

Sergeants McAulay and Nugent left for Clayton yesterday, for the purpose of securing the negroes Wilson and Steel and bringing them to this city.

*THINGS THAT I HAVE SEEN.*

I have seen a farmer build a house so large that the sheriff turned him out of doors.

I have seen a young man sell a good farm, turn merchant, and die in an insane hospital.

I have seen a farmer travel about so much that there was nothing at home worth looking after.

I have seen a man spend more in folly than would support his family in comfort and independence.

I have seen a rich man's son begin where his father left off, and end where his father began—penniless.

I have seen a young girl marry a young man of dissolute habits, and repent of it as long as she lived.

I have seen a man depart from the truth when candor and veracity would have served him to much better purpose.

I have seen the extravagance and folly of children bring their parents to poverty and want, and themselves into disgrace.

I have seen a prudent, industrious wife, retrieve the fortunes of a family, when her husband pulled at the other end of the rope.

I have seen a young man who despised the counsel of the wise and advice of the good, end his career in poverty and wretchedness.

I have seen a man engage in a law suit about a very trifling affair that cost him more in the end than would have roofed all the buildings on his farm.

*PERSONAL AND POLITICAL.*

Major Gereghty was again much better yesterday.

His Royal Highness Prince Arthur intends leaving for England with the Rifle Brigade in the ship Crocodile on the 28th inst.

Hon. Messrs. Campbell and Tilley have returned to Ottawa.

The British Columbian delegates are not expected back to Ottawa till the middle of July.

The American correspondent of the *Times* speaks of the activity of the United States authorities in suppressing Fenianism within their borders.

Irish national journals say England should not exult over O'Neil's defeat. The Fenians present failure will give them experience that will ensure the success of their next attempt.

NEW INSURANCE COMPANY.—the Agricultural Insurance (Fire) Company of Watertown, N.Y., has complied with the requirements of the Canadian Statute, relative to Foreign Insurance Companies transacting business in this country, and deposited $54,500 in U.S. bonds in the hands of the Receiver General of the Dominion. The "Agricultural" stands at the head of the list of the ninety-four Insurance Companies of the State of New York, and its stock is worth double of any other company in the State. The assets of the company are $498,894, and the net surplus $207,028. Each share of $100 of the stock is worth $307.03, which shews that the affairs of the Company are in a very healthy state.

Mr. Henry Cline is the General Agent for Canada, and his office is in J. C. Clarke & Co's Exchange Office, Corner of Ontario and Clarence Streets, Kingston.

PHYSICIANS, before you consure the Sarsaparillian Resolvent, for "Curing so many diseases," limit the range of diseases for which you give Calomel.

Neither Radway's Relief, Pills or Sarsaparillian, is specially recommended for one-tenth of the diseases that Calomel or Mercury is prescribed for.

HUMOURS AND SORES OF ALL KINDS,

And all diseases entailed from Small Pox, Measles, Erysipelas, Fever and Ague, Yellow Fever, Typhus, and other Fevers, such as Dropsy, Deafness, Fits, Loss of Memory, &c.

When infants and young children are afflicted with Sores of the Gums, Cancer, in the Mouth, Sore Heads, Ears and Eyes, either from Worms, Teething, or any other cause, Radway's Sarsaparillian Resolvent will speedily eradicate every particle of disease, and re-invest the child with health.
