MAPLE LEAF CLUB.—On Monday evening the Maple Leaf Lacrosse Club was formed out of material from the defunct Kingston and Kingston Rangers Clubs. It numbers about 30 members, and an increase to its members is expected. The following officers were elected:—President—H. Minns. 1st Vice President—W. McLennan. 2nd do do—[illegible]. Field Captain—J. McLennan. 2nd do do—[illegible]. Committee—W. Robinson, W. Reid, W. Orme, Elliott, J. Rowe, and Jas. Kennedy. The fees are to be one dollar for the remainder of the season.

The uniform will be grey knickerbockers, white shirt, white cap with maple leaf, red stockings. The Club is to practice on Tuesdays, Thursdays and Saturdays at 5 p.m., on Mondays, Wednesdays and Fridays at 5 a.m. The Club is going at once into the spirit of the game. It is expected that its formation will encourage several interesting matches this season.

ORANGEISM.—Messrs. Blacker and Potter have intimated their intention of meeting with the brethren and friends of the Loyal Orange Institution in Kingston, at their New Hall, Princess Street, on Monday next, of which timely notice will be given.

RAIN.—The "genial" fell lightly on Monday night, and yesterday nature seemed refreshed, and the atmosphere was cool and pleasant, to the great relief of celebrators of the Glorious Twelfth.

THE NEW NATION.—The Winnepeg *New Nation* of June 24 reached us by mail yesterday. Its contents have been anticipated by correspondents, but still it is a most interesting exchange paper.

"A wonder of medical science," may well be applied to Dr. Wistar's Balsam of Wild Cherry. It is nearly half a century since this remarkable remedy was introduced to the public, and yet the immediate and enviable reputation which it gained by its wonderful cures of coughs, colds, whooping cough, sore throat, influenza, consumption, and all bronchial complaints, is to this day sustained. 162

CITY COUNCIL.—On Monday evening the regular meeting of the City Council was adjourned for want of a quorum. A similar action took place on the last regular meeting night. The vacation the City Fathers have taken is quite a relief to them at this season, and they will on return to their toilsome discuss the Budget of 1870 with fresh vigor. The fact is worthy of consideration, however, that the affairs of the Corporation do not appear to have suffered, in the absence of the deliberations of the wise Fathers. The fact is the city is so well governed that its wheels run for a long time in the old grooves without fresh oiling.

Few travellers are unacquainted with the American House, Boston, but they may not be aware of the many improvements in this popular house. Suites of rooms, vertical railway, lunch room, billiard halls, &c. 162

MASONIC.—To-day, Grand Lodge meets in Toronto on Annual Communication. P. Grand Master Harington and a lot of Eastern Masons passed upwards yesterday. While here they visited the new Masonic Halls and were greatly pleased at their convenience and magnificence. It is to be hoped that the Masonic Feud will now be healed. P. G. M. Harington will do his very best to heal it.

POLICE COURT, TUESDAY.

Before the P. M.

John G. Fairman, from Fredericksburg, came to town to draw his pension but unfortunately fell into the hands of the Philistines. This morning he was charged with drunkenness. He denied the soft impeachment and said that he was none of that kind. The Magistrate hoped that he was not and discharged him.

THE LATE STABBING AFFRAY.

The examination of witnesses in this case was resumed yesterday morning at 9 o'clock before the Police Magistrate. The County Attorney was present on behalf of the Crown, and Mr. James O'Reilly, Q.C., and Mr. John McIntyre for the prisoner.

Bernard Bird, sworn—I was employed at the Crystal Palace during the late Camp as messman; I knew James Clayton, who was a waiter there on that occasion; I was there on the morning of the 21st of July when the Camp was being broken up; I saw the prisoner Grimason there; he came to the Camp to take over the stoves at breaking up of the Camp; the prisoner and Clayton had an altercation about lifting a stove into the waggon, which was ended by Clayton striking prisoner in the face and knocking prisoner down; when he arose Clayton struck him again and knocked him down. I saw the two men immediately afterwards sparring alongside the waggon, and Clayton called out that he was stabbed; I then turned and went over to prisoner and put him on the ground, and picked up the knife now produced within a few paces of where the men were scuffling; the blade of the knife was opened out; another man came to my assistance, and we held Grimason until he was given in charge to a file of men; Grimason was drunk, and I am certain he did not know what he was doing.

The evidence of this witness gives a different complexion to the case entirely and places the conduct of the prisoner in a much more favorable light; so much so that, at the conclusion of the taking of this witness' evidence, the Magistrate consented to take bail for the prisoner's appearance at the next Court of Competent Jurisdiction. Bail was accordingly entered into; the prisoner himself in $400 and two sureties in $200 each. The prisoner was then discharged and left the Court, accompanied by his mother and several of his friends.

PHYSICIANS, before you censure the Sarsaparillian Resolvent, for "Curing so many diseases," find the range of diseases for which you give Calomel.

Neither Radway's Relief, Pills or Sarsaparillian, is specially recommended for one-tenth of the diseases that Calomel or Mercury is prescribed for.

When a Physician is at loss for the proper medicine to use—he prescribes Calomel or Mercury in some form—better give the R. R. R.

HUMOURS AND SORES OF ALL KINDS,

And all diseases entailed from Small Pox, Measles, Erysipelas, Fever and Ague, Yellow Fever, Typhus, and other Fevers, such as Dropsy, Deafness, Fits, Loss of Memory, &c.

When infants and young children are not afflicted with sores of the Gums, Cancer, in the Mouth, Sore Heads, Ears and Eyes, either from Worms, Teething, or any other cause, Radway's Sarsaparillian Resolvent will speedily eradicate every particle of disease and reinvest the child with health.

MARAVILLA COCOA.—*For Breakfast.*—The Globe says "Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any thorough success had been achieved until Messrs Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which supersedes every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For homœopaths and invalids we could not recommend a more agreeable or valuable beverage." Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate. Steam Mills—Brick Lane, London. 1
