TUESDAY MORNING, AUG. 2, 1870.

MR. PHIPPEN'S FUNERAL SERMON.—The Rev. George Grafly preached the Funeral Sermon of our lamented friend, the late Mr. Samuel Phippen, in the Baptist Church, on Sabbath morning. He took for his text John XIV. and 1st v., "Let not your hearts be troubled, ye believe in God, believe also in me." It was an eloquent and affecting discourse, calculated to make a deep impression upon the numerous friends of the deceased, who filled the church.

14TH P. W. O. RIFLES.—The annual competition with "The Princess of Wales Own Rifle Association" will take place during the present month at the ranges, Barriefield Common. The public will shortly be solicited for subscriptions, and as in Canada our safety in a great measure depends on our goodness of the rifle, we trust that the Association will be liberally supported. The following is a list of the officers of the Association for the present year:—President, Lieut.-Col. Callaghan; Vice-Presidents, Major Kerr and Captain Mathews; Treasurer, Capt. King, Paymaster; Secretary, Lieut. Johnson, acting-Adjutant; Committee of Management, Capt. Macdonald, Lieut. Smyth, Lieut. Somerville and Ensign Mockleston.

Hereafter all promotions in the Battalion will be by seniority, and each officer joining the 14th will have to begin at the foot of ladder, and as vacancies occur he will rise to promotion according to his standing.

Some changes are likely to take place in the band shortly, which it is anticipated will render it more efficient than it has ever been in the past.

ANOTHER PASTURAGE.—Has any body bought the grass in the City Park? It looks very much like it. A cow was grazing there on Sunday evening. Of course, the public will still wonder why the young shade trees are not thriving. It seems rather odd that, while children and nurses are most carefully driven off the grass plots, animals are let in to trample and destroy them.

DISMASTED.—The yacht *John Power* left here on Saturday to take part in the Regatta at Coburg to-morrow. About midnight, when off the Ducks, she had the misfortune to be dismasted, and was obliged to return, arriving in harbor again on Sunday morning with a jury mast, on which the top-sail was rigged. She brought every rope back with her again.

APOPLECTIC FIT.—When on his way to the fire on Sunday morning, Mr. Noon, lumber merchant, fell down on the sidewalk in a fit of apoplexy, and was taken home, and attended by two physicians. He is now in a low state.

A WASTE OF CITY MONEY.—When the late Mr. William Wilson built the handsome block of Stone Buildings in Wellington Street, he put down at his own expense a most substantial Stone Pavement, which was the pride of the city, far surpassing in looks and usefulness, the wretched and rotten planks now put by the City Contractors. For many years the Aldermen of St. Lawrence Ward, when they made what they called their Ward Appropriations, wisely allowed Mr. Wilson's Stone Pavement to remain, until this year it has been rudely torn up, to be repaired by some rotten, miserable planks, not only a disgrace to the city, but to common sense.

LACROSSE.—On Friday the Young Shamrocks defeated the Victoria Juveniles at lacrosse game, after a sharp contest, reversing their former defeat.

CANADA LOAN BILL.—In the House of Lords the Canada guaranteed loan bill was read a second time.

PARDON.—It is rumoured here that the Queen has granted an amnesty for all offences committed by the insurgents in the North West territories.

THE MAYOR'S PIC-NIC.—Owing to an unexpected engagement of the steamer Bay of Quinte, the Mayor's Pic-Nic for which invitations have been issued, will take place to-morrow at one o'clock, from the Grand Trunk wharf.

SOON TO OPEN.—The Dominion Telegraph Company are now strung as far as Kingston, and on Thursday an office will be opened in the Burnett House block for Kingston, under the management of Mr. Chas. Osborne, of the Montreal Telegraph office, who is well capable to take charge. Communication will then be complete to Toronto and all points west.

THE PASSPORT.—This steamer is still at Montreal, having her engine repaired. The other boats are filling her place by making extra trips.

A TOWNSMAN IN LUCK.—Mr. William Linton, brother of the far-famed Auctioneer of that name, has been appointed Superintendent of the Union Telegraph Company, at Ottawa, Illinois, back of Chicago.

POLICE COURT, MONDAY.

Before the P. M.

There was only a solitary case of drunkenness before the Court this morning, and the individual was fined $2.

A squabble between two of the gentler sex was amicably arranged between the parties, and the Court adjourned.

NEW INSURANCE COMPANY.—The Agricultural Insurance (Fire) Company of Watertown, N. Y., has complied with the requirements of the Canadian Statute, relative to Foreign Insurance Companies transacting business in this country, and deposited $64,500 in U. S. bonds in the hands of the Receiver General of the Dominion. The "Agricultural" stands at the head of the ninety-four Insurance Companies of the State of New York, and its stock is worth double of any other company in the State. The assets of the company are $498,894, and the net surplus $397,028. Each share of $100 of the stock is worth $397.03, which shows that the affairs of the Company are on a healthy state.

Mr. Henry Cline is the General Agent for Canada, and his office is in J. C. Clarke & Co's Exchange Office, Corner of Ontario and Clarence Streets, Kingston.

The use of Tobacco causes indigestion, palpitation, slowness of intellect, a desire for strong drink, and an intermittent pulse; it destroys the vitality of the blood, produces dizziness, disturbs sleep, makes a man miserable and prematurely old. When the diseases are serious and stubborn the best remedy is FELLOW'S COMPOUND SYRUP OF HYPOPHOSPHITES, as it restores the circulation, the nervous ganglia, builds up the muscles, and induces healthy Liver, Heart, Stomach and Intellect.

Price $1 50 a bottle; 6 for $7 50. Sold by apothecaries and by F. Cundill & Co., wholesale agents, Montreal. 174

D. Callaway

ARRIVED AT LAST.

THIS elegant Turkish Tonic is one of the most salutary and delicate preparations ever submitted for public approval in this hemisphere, and asserts its pretensions to patronage on the following grounds:—

That it is a preparation of one of the most eminent Purveyors to the Ottoman Court.

It prevents acidity of the stomach.

It relieves lowness of spirits.

It is a mild and invigorating tonic, and and a most efficient but innocuous stimulant.

It renders the breath sweet and agreeable.

It stimulates the appetite if taken *before* meals.

It promotes digestion if taken *after* meals.

It neutralizes the propensity for strong liquors.

It renders the intellect bright and clear.

If taken habitually it imparts vitality and energy to all the bodily organs.

By its use the man of 70 will become, as it were, restored to the elasticity of 30; and to persons of delicate constitutions it is strongly recommended.

It is an especial favorite with Oriental ladies.

Secure then health, longevity and vital energy by the habitual use of the ALKABASAR TURKISH TONIC.

Kept in stock by the principal Druggists and Grocers in the Dominion.

For directions for use see labels on bottles.
