SATURDAY EVENING, JAN. 6, 1872.

TOWN AND COUNTRY.

CORRECT TIME.—St. George's Cathedral clock is perfectly correct, twice every twenty-four hours.

KINGSTON HIGH SCHOOL.—The re-opening takes place on Monday morning.

APRIL has come in the beginning of January. There is no accounting for weather more than tastes.

KINGSTON ENGINEERS.—This company is now fully organized here, and will soon make its application for enrolment under its elected officers.

CAPE VINCENT STAGE LINE.—The most regular and quick passages are now made by the Cape Vincent line, with the mails express and passengers. It is shewn to be very expeditious in its business.

THEFT OF GRAIN.—A quantity of peas and oats have been stolen lately from Mr. Sills' grain loft, Swift's wharf. A strict watch will be kept in future, however, suspicion having attached to certain persons.

POLICE COMMISSIONERS.—The Police Commissioners will meet on Monday next, instead of on Saturday as at first appointed. Applications for the vacancies in the Police Force will be then considered.

THE EPIPHANY.—To-day being the feast of the Epiphany, is kept as a holiday by our Roman Catholic citizens, and special services were held in St. George's and St. Mary's Cathedrals. Vespers will be sung in St. Mary's Cathedral this evening at 7:30.

THE ST. JAMES PLEADESIAN.—The attendance at the City Hall last night at the performances of this company was not quite so large as on Thursday. The programme was lengthy and varied, and the performance caused much merriment among the audience, who seemed highly pleased with the evening's entertainment.

PRESENTATION AT BELLEVILLE.—The legion of friends in Kingston to the Very Reverend Vicar-General Farrelly will be pleased to hear that he was this week presented by the St. Vincent de Paul Society of Belleville, with a beautiful gold Cross as a mark of their appreciation of his services in connection with the Society, and as a token of affection. The address and reply fully represented the mutual good feeling. The Rev. Gentleman earns respect wherever he goes.

MEMORIAL WINDOWS.—Two memorial windows have been placed in St. Andrew's Church, Montreal, one a *facsimile* of that erected by the ladies of the congregation in memory of the late Miss Mathieson, which was destroyed by the fire at the Church, and the other, a new one, to the late Dr. Mathieson, so highly known and respected in Canada, and a near relative of Mr. G. M. Kinghorn, of this city. The windows are both from the establishment of Messrs. James Ballantine & Son, of Edinburgh, and are most beautifully executed works of art.

THE KINGSTON AND BATH ROAD.—The annual meeting of the Shareholders of the Kingston and Bath road, was held on Thursday at the City Hotel. The affairs of the road appear to be progressing favorable under the management of Mr. John Fraser. Last year the sum of $400 was appropriated towards payment of a debt of the road to the county; and this year a similar sum was paid, in lieu of declaring a dividend among the shareholders. The directors of last year were re-elected. They are:—Mr. John Fraser, Mr. Joseph Ferris, Mr. P. Day, Mr. Anthony McGinn and Mr. John Everett.

SCHOOL TRUSTEE, CATARAQUI WARD.—This Ward loses this year an excellent Trustee in the retirement of Major Phillips whose, military duties require his full time and attention. But an effort is being made to fill his place worthily. A large number of the electors have solicited Mr. Daniel McEwen to present himself for the office. He complies with the wish so far as to place himself at the disposal of the electors, and if they elect him he will serve them faithfully. He cannot find time to canvas the Ward, but his friends can do a great deal for him. Mr. McEwen will make an excellent Trustee. He is a man of good sense, and thoroughly independent.

THE WEEK OF PRAYER.—These are the topics suggested by the Evangelical Alliance as suitable for exhortation and prayer, on the two first days of the week appointed for united prayer:

Sunday, Jan. 7—SERMONS: Subject—The faith once delivered to the saints, a universal and everlasting bond of union in the Christian Church. The duty of its defence and extension binding on all believers.

Monday, Jan. 8.—THANKSGIVING: God's "unspeakable gift"; for mercies, personal and relative; for national mercies; for the maintenance and restoration of peace, and for preservation from famine and other national calamities; for mercies of the Christian Church; for the progress of Christ, Kingdom and the usefulness of the Christian ministry.

RESIGNATION.—Policeman Hynes tendered his resignation on Thursday, which, no doubt, will be accepted when the Police Commissioners meet on Monday next. Mr. Foster is an old and tried member of the force and his withdrawal is to be regretted.

TO THE ELECTORS OF RIDEAU WARD.

GENTLEMEN,—The best refutation to the scandalous reports circulated this evening, relative to the conduct of Mr. P. O'Reilly to the office he now holds, is to be found in the following letter, which speaks for itself.

WM. ROBINSON.

W. ROBINSON, Esq., M.P.P., Kingston.
Dear Sir—

I have read this evening with surprise the alleged correspondence between Mr. John Mudie and Mr. John Sandfield Macdonald relative to my appointment to the offices rendered vacant by the death of my father.

In justice to you as well as myself I must say that I never applied to you for your influence to obtain for me the office, for two very good reasons—firstly, because I knew that I could not obtain your influence; and secondly—a very good reason you will admit—that I did not require it, as Mr. Macdonald on the recommendation of his friends, had agreed to appoint me to that office.

I would not have written you now, but I see at once that unscrupulous parties are endeavoring, most unjustly, to injure you on my account.

You can tell those gentlemen for me, that I am not in any wise indebted to you for my appointment, and that it is most unfair for them to state that you were instrumental in procuring it for me.

I feel it my duty to write you in this way, and believe me

Yours faithfully,
P. O'REILLY.

Kingston, Dec. 30, 1871.

RAILROAD DISASTERS IN THE UNITED STATES.—A record of railroad disasters in the United States from the beginning of November, 1870, to the end of October, 1871, comprises returns of 107 accidents. The total slaughter was 170 killed and 254 wounded. Forty of the accidents were collisions, which under thoroughly efficient management, ought to be ranked as almost impossible occurrences. The foremost place in the list is held by the severe disaster on the 26th August. Although most of the so-called accidents have been traced to negligence of officials, yet in no case has the punishment due to many slaughter been dealt out, to the offenders.

OXFORD UNIVERSITY PRIZES.—Statistics have been given to the public respecting the prizes of Oxford University. A sum of £35,000 a year is spent by the colleges in scholarships, making £125,000 to be accounted for to be added what the heads of the colleges receive, about £23,000, so without going any further the sum amounts to nearly £150,000 a year. It has long been said that one of the richest colleges in Oxford, Magdalen College, is in the habit of spending large sums of money every year to make up the value of its livings, to which its clerical fellows succeeded in turn.

Mrs. Counsaway, of Turn's Bay, Nova Scotia, presented her husband with a new year's gift of three boys and one girl. She has had thirteen children.

THE JEWS IN JERUSALEM.—It appears that the Jews nowhere suffer more vigorous persecution, and are nowhere in more wretched circumstances than in Jerusalem. There, as at Rome, they are shut up in a separate quarter, and that the darkest, filthiest section of the city. This quarter is a mere mud cave, lined with mud hovels. The Jews have no Consul to interfere when they are unjustly treated; if injured, they have to bear it in silence; if plundered by Arabs they have no hope of recovery. Coming to the land of promise to die, many of them are robbed on the way, and all are robbed when they come. Help is continually sent them from abroad, but none too much.

THE GRAIN TRADE.—The receipts of grain in the Ogdensburg and Lake Champlain Railroad elevator in Ogdensburg, during 1871, were as follows: Corn, 2,705,750; wheat, 618,819; barley, 205,673; oats, 187,648; rye, 5,418; total number of bushels, 3,724,308—an increase of 600,000 bushels over 1870.

Buffalo gives a good account of herself during the past year. Her receipts of grain, which were, in round numbers, 40,000,000 bushels in 1870, advanced to 78,000,000 bushels, while shipments by canal increased from 29,000,000 to 48,000,000 bushels.

$150,000 IN CASH PRIZES.—Highest prize $50,000 Gold Coin, to be distributed legally by chance, January 30th, 1872, in aid of the Mercy Hospital, Omaha, Nebraska. Patten & Gardiner, General Managers. See Advertisement.

Many Suffer rather than take nauseous medicines; and this is not to be wondered at, as the remedy is often worse than the disease. Sufferers from coughs, colds, influenza, sore throat, or tendency to Consumption, will find in Dr. Wistar's Balsam of Wild Cherry a remedy as agreeable to the palate as effectual in removing disease.

There is, probably, no way in which we can benefit our readers more than by recommending to them for general use Johnson's Anodyne Liniment. It is adapted to almost all the purposes of a Family Medicine; and as a specific for coughs, colds, whooping cough, soreness of the chest, lame stomach, rheumatism, spitting of blood, and all lung difficulties, it has no equal that ever we saw or heard of.

The propriety of giving condition medicine to horses, cattle and sheep, was discussed and admitted by many of the Agricultural Societies throughout the State last Fall, and we believe that in every case but one they decided in favor of Sheridan's Cavalry Condition Powders. Good judgment.

Dr. Jacobs, on Aphonia or loss of Voice.—Orange Street, St. John, N.B., 1869.—Mr. Fellows.—Sir; I am bound to award the palm of merit to the preparation of Hypophosphites discovered by you. I had occasion to use it myself in a case of Aphonia, which would not yield to regular treatment, and am happy to say, it proved to be all that you claimed for it, having acted with expedition and entire satisfaction.

I feel called upon to publish the fact, that the profession may avail themselves of a remedy in your "Compound Syrup of Hypophosphites." Yours, very truly,
S. JACOBS, M.D.

THE TRAVELLER'S FRIEND.—A gentleman who left this city the other day on route for Red River, remarked in the course of conversation that nothing gave more security to the traveller, and contributed more to his comfort than the possession of a small convenient Medicine Chest. This, he said, I carry in a most portable form, a single bottle is enough for my wants. If I have a nervous headache, a pain in my stomach or bowels, an incipient attack of Cholera, or any other internal disorder, half a tea spoonful sets me right again; while, if having caught cold, I suffer from Neuralgia or Rheumatism or Toothache, by using my bottle I am speedily well. As for mosquitoes and other insects, their bites or stings are so easily cured that I pay no attention to them. On being asked the name of this wonderful bottle, he replied, —Why! don't you know? the three As, Arnot's Arnica Anodyne.
