DR. J. COLLIS BROWNE'S CHLORODYNE.

THE ORIGINAL AND ONLY GENUINE.

CHLORODYNE is admitted by the Profession to be the most wonderful and valuable remedy ever discovered.

CHLORODYNE is the best remedy known for Coughs, Consumption, Bronchitis and Asthma.

CHLORODYNE effectually checks and cures those too often fatal diseases—Diphtheria, Fever, Croup.

CHLORODYNE acts like a charm in Diarrhœa, and is the only specific in Cholera and Dysentery.

CHLORODYNE effectually cuts short all attacks of Epilepsy, Hysteria, Palpitation, and Spasms.

CHLORODYNE is the only palliative in Neuralgia, Rheumatism, Gout, Cancer, Toothache, Menstrualgia, &c.

From Lord Francis Conyngham, Mount Charles, Donegal, 11th Dec., 1868.

"Lord Francis Conyngham, who the time last year brought some of Dr. J. Collis Browne's Chlorodyne from Mr. Davenport, and has found it an wonderful medicine, will be glad to have half a dozen bottles sent at once to the above address."

Earl Russell communicated to the College of Physicians that he received letters patent from Her Majesty's Consuls in Turkey, directing Chlorodyne to be manufactured, and that the ONLY remedy of any service was CHLORODYNE.—See *Lancet*, 14 December, 1864.

CAUTION.—BEWARE OF PIRACY AND IMITATIONS.

CAUTION.—It is a fact that Sir W. P. Cockburn stated that Dr. J. Collis Brown was undoubtedly the Inventor of CHLORODYNE; that the story of the Defendant, Freeman, was quite destitute of truth, and that he had been known to say, he had been sworn to.—See *Times*, 10th July, 1864.

Sold in Bottles at 1s. 1½d., 2s. 9d., 4s. 6d., and 11s. each. None is genuine without the words "Dr. J. COLLIS BROWNE'S CHLORODYNE" on the Government Stamp. Overwhelming Medical Testimony accompanies each Bottle.

Patent Seed Sower AND HAND CULTIVATOR.

SINGLE OR COMBINED.

THE SEED SOWER combines in itself all the Best Qualities of all other SOWERS. It marks its own rows, makes its own drills, and evenly drops and covers the Seed, fully accomplishing the difficult sowing of Onions, Carrots, Parsnips, Peas, Beans, &c., and being the only one that will sow Beets and Parsnips with regularity. No sticks, weeds or brushes generally used in other Sowers and hoeing and hand work are used. The Cultivator runs over the ground in a garden or among root crops, as to pulverize and mellow the soil and destroys the weeds and prevent their growth. It takes the place of half a dozen men, by entirely dispensing with wheel or hand hoes. Testimonials Circulars &c. SEED SOWER for Gardener Farmer. Sold at manufacturers prices by

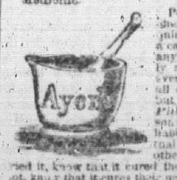
Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.



Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, ages and conditions. The virtues of these PILLS, the obvious benefits they confer upon those who take them, have caused them to be held in the highest estimation for a long series of years. Their sugar coating preserves them sound and entirely unimpaired in any climate, and they may be taken with safety by any body. They are gentle in their operation, but searching and thorough in their purgative effect, and are the most perfect and reliable cathartic for all the purposes for which a cathartic is needed that skill and science can produce. Their action on the digestive organs is such that a few of these Pills taken from time to time will suffice to keep the bowels in healthy action, and restore the system when deranged to vigorous health. For this reason they are preferred by those who have once tried them to any other cathartic they can procure, and those who have used them for their family physicians, recommending their use to their friends and neighbors, and we need not point to a large portion of the inhabitants of our own country to testify to the virtues of Ayer's Pills. They are sugar coated, so that they can be taken by any person, and are the most agreeable cathartic yet offered to the public. As they are free from all injurious ingredients, they may be taken with perfect safety by any person. Their mild but thorough action is such that a few of these Pills taken from time to time suffice to keep the bowels in healthy action, and restore the stomach when deranged to vigorous health. For this reason they are preferred by those who have once tried them to any other cathartic they can procure, and those who have used them for their families recommend
