—OF—

HENDERSON'S
Photographic Art Gallery.

THIS GALLERY is furnished with every Appliance required in the production of THE VERY BEST WORK in the following branches of the Photographic Art, namely—

Plain and Colored Portraits,
ALL SIZES.

Copies of Old Pictures.
Landscape and Architectural Views.
Photographs of Machinery, Furniture, &c., &c.

Special care and attention given to the Copying of Daguerreotypes, Ambrotypes, &c., to Large Photographs and Painting them in Oil or Water Colors, in the most Artistic manner.

There is no necessity therefore in sending to some distant city, when a nicely Colored Copy of a valued picture is wanted, as it can be done equally as well here and at much smaller expense.

The Subscriber assures the Public of Kingston and vicinity that in executing all orders with which he may be favored he will endeavour to give entire satisfaction.

A VARIETY OF FRAMES FOR SALE AT LOW PRICES.

FRIDAY EVENING, FEB. 2, 1872.

TOWN AND COUNTRY.

THIS is a most charming winter day. How do you like it?

POLICE COURT, Friday.—There is little doing in police circles. This morning again the court was dull, stale and unprofitable. Two strangers only were taken in last night, George Robinson and Peter Rourk. They paid $1 each this morning, and charged it to their wet grocery account.

A "CORNER" IN PORK.—Mr. Robert Makins received "quite a pork" in his store this morning. It was the carcase of a Chester white pig, raised by Mr. P. Davidson of Prince Edward County. It was eighteen months old, and now weighs dressed 352 lbs. It must have been a splendid specimen of a thriving hog.

A SPLENDID LOT.—A collection of the finest singing birds we have seen for a long time is at present on exhibition and for private sale for a few days only at Mr. Wm. Murray's Auction Room. They are a part of a large lot lately imported from Europe by the owner, Mr. Herman Mutilberg. They comprise the English robin and linnet, gold finch, canary, and many other kinds of cheerful little songsters.

DONATION PARTY.—The Rev. C. B. Mulvaney has already received a proof of the good will of his new parishioners at Pakenham and Fitzroy. A large number of the members of St. John's congregation, assembled at the parsonage, Pakenham, and presented the Reverend Doctor with a portion of the fruits of their labor with which God had so abundantly blessed them during the past year. The address also congratulated Mr. Mulvaney on her recovering from severe illness.

PROFESSOR BELL'S READINGS.—Prof. Melville Bell, of the London University, is about to give readings on three successive evenings in Montreal. Few gentlemen at the present day read better than Professor Bell. Being a gentleman of high culture, he thoroughly appreciates the character which he pourtrays, and thus adds wonderfully to the interest of his elocutionary efforts. We are glad, therefore, to learn that he is coming to Kingston.

PROSPERING.—The Dominion Telegraph Company are making contracts for several branch lines throughout Ontario—notably from Port Hope to Peterboro, and from Brockville to Pembroke. The local manager in Kingston, Mr. Eilbeck, is making arrangements to run a side line out to Portsmouth, to the office of Messrs. Chaffey Bros. This will be a great convenience to the people of Portsmouth, especially as a ten cent tariff to the city will probably be adopted.

TEMPERANCE ADVANCEMENT.—The religious temperance movement is advancing throughout Ontario. In Kingston it flourishes exceedingly well in St. Mary's Cathedral and other churches, the clergy using their good influences in its behalf energetically. We see in a New York religious paper the statement that there is a growing demand from Canada for temperance publications, and the Rev. Mr. Stafford's district (about Lindsay) is reported as taking the lead in the temperance work.

A MONTH ago the Toronto *Telegraph* laughed at the Hamilton *Standard* because it did not come out as large as the Toronto dailies. The *Standard* now takes advantage of a good opportunity to return the compliment, and sympathises with the *Telegraph* in its reduction of size. However, there is not much occasion for such sympathy with that organ as the public and press express. It is now fully as large as one half of the daily papers of the Province; though Toronto ought to be a little ahead of the smaller places.

THE CUNARD LINE AND THE AMERICAN MAILS.—The offer of the Cunard line of steamers to carry the European mails from New York for Wednesday free, will probably be referred to the same Committee that first heard the contest and decided in favor of the Williams and Guion line. The offer is altogether extraordinary, and the more so in consideration of the fact that two years ago the Wednesday mails were put on the Williams and Guion boats, because the Cunard Company would not carry them at the compensation which the Post Office Department was by law authorized to allow. Whatever the purpose of the Company in making the offer it cannot be ignored, and the contract will, in all probability, be awarded to it for the next two years. In that case a reduction in the postage for that day might be made, unless such reduction should result in overloading those mails so as to render it impracticable.

A FRIGHTFUL PROSPECT.—To reduce the whole of Northern Europe to a frozen wilderness, Capt. Silas Bent, an American physical geographer, proposes to make a big cut in the Isthmus of Panama, which will allow the surplus equatorial current of the Atlantic to flow into the Pacific. The effect of thus diverting the Gulf Stream will be to convert Great Britain and Germany into regions with the temperature of Labrador, assuring the future pre-eminency of the United States. The design is gigantic and benevolent.

$150,000 IN CASH PRIZES.—Highest prize $50,000 Gold Coin, to be distributed legally by chance, January 30th, 1872, in aid of the Mercy Hospital, Omaha, Nebraska. Patten & Gardiner, General Managers. See Advertisement.

Dr. Wistar's Balsam of Wild Cherry is a combination and a Command for healing and curing diseases of the throat, lungs, and chest. It cures a cough by loosening and cleansing the lungs, and allaying irritation; thus removing the cause, instead of drying up the cough and leaving the disease behind.

The crown of womanly beauty is an elegant *coiffure*. As this cannot be obtained without the use of some Hair Gloss or lixateur, even by the most skilful *artiste*, how much should the ladies feel themselves indebted to the inventor of the Great Hair Dressing of the age. *Coco-Glycerine*, which nourishes and beautifies the Hair, is delightfully perfumed, *and leaves no stain on the gentlemen's waistcoats.* Ask for *Coco-Glycerine*. 14

Consumption, Bronchitis, General Debility.—Caution.—Hypophosphites.—Fellows' Compound Syrup of Hypophosphites. As this preparation is entirely different in its combination and effects from all other remedies called Hypophosphites, the public are cautioned that the name of Fellows & Co., blown on the bottle. The signature of the inventor, James I. Fellows, is written with red ink across each label, and the price is $1.50 per bottle.

Two Questions Easily Answered.—Why should men wear beards? Because they are a great protection to the throat and lungs, and add much to their personal appearance. Why should we use "Bryan's Pulmonic Wafers?" Because when used for coughs, colds, tickling in the throat, hoarseness, &c.; they act like a charm. Ministers and lawyers use them, physicians recommended them, and singers and public speakers say they are the very best medicine for the cure of all complaints. Sold by all medicine dealers, at 25 cts. per box.

Many people, particularly children, suffer with the ear ache; and for the benefit of such we give a sure but simple remedy. Put in two or three drops of Johnson's Anodyne Liniment, stop the ear with undressed wool, bathe the feet in warm water before going to bed, and keep the head warm at night.

Capt. Charles Sager, who keeps a superb stock of lively horses in Portland, Me., informed us recently that he uses Sheridan's Cavalry Condition Powders regularly in his stables, and that the expense is more than offset by the diminished amount of grain necessary to keep his horses always in order.

Not Quite So.—"It is among the most savage and debased tribe only that the condition and comfort of the horse have been neglected," but we believe there are many in civilized countries who are guilty of the same neglect, and without the excuse of the former; here all may avail themselves of the use of an article which has done more than anything else heretofore known to improve the condition and relieve the suffering of the horse. Those who will not use it will be the losers, their horses the sufferers; to avoid both use Darley's Condition Powders and Arabian Heave Remedy," and you will be satisfied with the result. Remember the name, and see that the signature of Hurd & Co., is on each package, Northrop & Lyman, Newcastle, Ont., Proprietors for Canada. Sold by all Dealers.

MARAVILLA COCOA. *No breakfast table is complete without this delicious beverage.*—The Globe says: Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doub whether any thorough success had been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which supersedes every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For homœopaths and invalids we could not recommend a more agreeable or valuable beverage. Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Orientia, Homœopathic Cocoa and Soluble Chocolate. Steam Mills—Brick Lane, London, Exports, Chickory Mills, Bruges, Belgium.

NO RISK.

Thomas' Eclectric Oil! Worth Ten Times its Weight in Gold. Do you know anything of it? If not, it is time you did.

Pain cannot stay where it is used. It is the cheapest Medicine ever made. One dose cures common SORE THROAT. One bottle has cured BRONCHITIS. Fifty cents worth has cured an OLD STANDING COUGH. One or two bottles cures bad cases of PILES and KIDNEY TROUBLES. Six to eight applications cure ANY CASE OF EXCORIATED NIPPLES OR INFLAMED BREAST. One bottle has cured LAME BACK of eight years standing. Daniel Plank, of Brookfield, Lioga County, Pa., says: "I went thirty miles for a bottle of your Oil, which effected a WONDERFUL CURE of a CROOKED LIMB by six applications." Another, who has had ASTHMA for years, says: "I have half of a 50 cent bottle left, and $100 would not buy it if I could get no more."

Rufus Robinson, of Nunda, N. Y., writes: "One small bottle of your ECLECTRIC OIL restored the voice where the person had not spoken above a whisper in FIVE YEARS." "Rev. J. Mallory, of Wyoming, writes: "Your ECLECTRIC OIL cured me of Bronchitis in ONE WEEK." Dealers all over the country say: "We have never sold a medicine that has given such complete satisfaction as this."

It is composed of SIX OF THE BEST OILS THAT ARE KNOWN. It is as good to take as for external use, and is believed to be immensurably superior to anything ever made. Will save you much suffering and many dollars of expense. Is sold by one or more dealers in every place where these circulars are found. Price, 25 cents. Why not buy it to-day?

Prepared by S. N. THOMAS, PHELPS, N.Y., and NORTHROP & LYMAN, NEWCASTLE, Ont., Sole Agents for the Dominion.

NOTE.—*Electric*—Selected and Electrized.

Sold in KINGSTON by E. H. PARKER, HEATH & GUNN, R. WHITE, H. SKINNER, and by all medicine dealers.

R. W. ALLEN,
Bill-Poster and Distributer

WANTED:
Tenders for Fuel Wood.

SEALED TENDERS, addressed to the undersigned, will be received until Noon of the 15th proximo, from persons willing to furnish the CITY OF KINGSTON

WATER WORKS COMPANY

—WITH—

800 CORDS OF SOFT WOOD

—AND—

250 CORDS OF HARD WOOD

The Soft Wood to consist of Hemlock, (not peeled) Soft Maple, Elm and Ash.

The Hard Wood to consist of Hickory, Hard Maple, Red Birch and Beech.

All the Wood to be of a good sound and merchantable quality; and none of it to be less than Three Feet Nine Inches long from point to point. Said Wood to be delivered at the Company's Works, and to be fairly and closely piled by the Contractor in piles not less than 48 feet in length, and 6 feet in height.

One fourth the whole quantity of each kind to be dry, and the delivery to commence (with the Dry Wood) on 1st of May next.

J. WILSON,
Manager K.W.W.

Water Work's Office,
Kingston, 30th Jan., 1872. 17
