Strategic Action Plan 2015 – 2018

Help shape the future of Halton for the next four years

Every four years, the newly elected Halton Regional Council develops a plan that sets out its priorities and establishes its strategic direction. The draft Strategic Action Plan provides a starting point for discussion and guides the development of specific, measurable actions that can be implemented to achieve our long and short-term goals and objectives. Regional Council works in consultation with stakeholders to gather feedback on the areas that matter most to Halton residents and businesses.

We invite you to provide your comments on the draft Strategic Action Plan at our upcoming roundtable meeting.
