## Broccolini buys 30 acres in the Gateway

Broccolini Construction, a single-source provider of construction, development and real-estate services for the residential, commercial and industrial markets based in Montreal, recently purchased over 30 acres in the Halton Hills Premier Gateway.

The company bought properties that had been owned by Landscape Ontario and the Pands Group (Steeles Ave. and Fifth Line).

Broccolini's initial plans call for the construction of an industrial building.

The Town looks forward to working with Broccolini Construction and assisting them in moving their application forward, say Town Economic Development Officer Doug Penrice.

Founded in 1949 by Donato Broccolini, the company has built everything from homes to warehouses to office buildings.

Retire the way you *deserve* to.
