TOWN AND COUNTRY.

MONDAY EVEN'G, AUG. 26, 1872.

ENGINE HOUSE.—To-morrow the tenders are to be opened for the new fire engine-house for the Corporation.

AURORA BOREALIS.—Last night the heavens were gorgeous with auroral phenomena. These displays are "uncommonly common" this year.

HARVEST.—Notwithstanding the scarcity of laborers the grain harvest has been completed this early. The weather has been very fine, which has had much to do with the result.

OFF AGAIN.—The barge *Martin*, which was lately sunk in the river, with a cargo of grain, has been raised again, and arrived here this morning in tow, to be repaired for service again.

THIS is a civic holiday in Toronto. Kingston is to have one when we turn the first sod of Kingston's R.R.—Royal Road to Prosperity.

ALL cry and no wool. Such are the weather reports. All clouds and no rain. It is splendid for harvest work, but it is awful on dry wells and cisterns.

QUEBEC RIFLE ASSOCIATION.—To-day Lieut. Baillie of the 47th Batallion, and others of our crack shots left for Montreal to engage in the Quebec Rifle Association matches.

THE CARIBOO.—This steamer, a new visitant to port, arrived to-day. She is owned by Mr. Cockburn, the member elect for Muskoka, one of Friday's glorious Eleven to One, and is to be employed in towing rafts from Collin's Bay to Quebec.

CITY COUNCIL.—There was to have been a meeting of the City Council this evening, but the prospect is poor, when five of the aldermen are off on the Wesleyan Excursion. This, however, is not the civic holiday the people want, NOT much.

CHANGE OF TIME.—The steamers of the Canadian Navigation Company, have changed the hours of departure, in the morning, for Montreal, to an hour or so earlier, in order to permit of the rapids being run for the rest of the season, by daylight, as well as in the early summer season. The Express steamers will now leave at 3 a.m., and the Royal Mail steamers at 4 a.m. Passengers should note the change.

A TOUR.—The St. Lawrence Base Ball Club (the name should have been *Cataraqui* Club, in honor of Kingston's former title) are about to make their first tour. It was evident all along that they meant business, and we are not surprised at this early and bold step. They are first to attack the Guelph Club, the champions of Canada, who have been playing in the United States, and they are going to play them on their own ground. We hope they will bring home the champion silver ball. On the return home the St. Lawrence play with the Dauntless of Toronto.

POLICE COURT, Monday.—Before Mr. Strange.—Charles Preece, assault on Jas. McLaughlin, was fined $3 and costs or 30 days in gaol, on Saturday. He went up. This morning there were John Clancy, drunk, fined $2; Mary Long, disorderly, $2 or 15 days; Charles McLean, drunk, $2 or 15 days; another John Clancy, also of Kingston, and Edward McKenna, drunk and disorderly, fined $5 and costs each. They kicked up a row at the Tete de Pont Barracks, and two of the Artillery appeared against them. Sarah Nolan, a young girl of nineteen, utterly abandoned to all sense of honesty, was charged with stealing four dollars from the till of Mr. Thos. McKeever, flour merchant, on Saturday. She went in to make a purchase, and while the boy was employed whipped a $4 bill out of the till. She was followed and arrested, but the bill had flown. She was discharged, the girl's mother having begged her off, and paid back the money.

BASE BALL.

MATCH ON SATURDAY—A GRAND TOUR.

A very lively game of base ball was played on the Cricket Ground on Saturday between the crack nine of the Canada Engine and Machinery Company's Works and a good nine of the St. Lawrence Club. The playing was not so good as some already seen this season; still for the short practice the "Locomotive" boys played remarkably well, and by a week from Saturday, when the return match takes place, they will make things very lively for their opponents. The St. Lawrence did not have out their best nine owing to sickness and one of them being absent, which gave the "Locomotives" an advantage. For the practice the St. Lawrence Club are the best team we ever had the pleasure of witnessing, and so far this season they have been victorious in all their matches but one. The club has concluded to send, by the aid of the citizens, their boss nine to Guelph to play for the silver ball, and championship of Canada. We wish the boys every success in their undertaking, and bespeak for them a liberal subscription amongst our base ball admirers. Come on boys with your subscription list. All we ask is, Bring back the ball. The following are the scores of Saturday's game:—

LOCOMOTIVE.	R	O	ST. LAWRENCE.	R	O
W Thurston	2	2	J A Wright	2	10
T Gaskin	1	5	A Falconer	0	9
R Chanonhouse	5	4	J McCammon	2	9
J Casey	3	6	Dr Jarvis	5	7
A Shaw	7	3	T Driver	2	10
T Sullivan	1	2	A Power	2	9
H Tandy	5	3	T Dumble	5	5
G McCullagh	3	3	C Tossell	5	6
T Graham	2	5	T Parkin	4	7
	27	43		27	72

Majority for the St. Lawrence 29 runs.

Umpire—R J Ellbeck. Scorers—Messrs. Sullivan and R. Hendry.

The return match comes off a week from Saturday, when a much livelier game is looked for.

YACHTING.

Remember the yachting meeting this evening. Let us have a regatta, by all means!

The annual regatta of the Hamilton rowing club will soon take place. It is usually most successful.

The yachts *A. Ramsay*, of Gananoque, and *Island Maid*, of Kingston, had a race at Gananoque last week. The *Maid* was there on a fishing excursion, and challenged her old rival. She was beaten, however. The *Ramsay* is a splendid sailer.

Rome was saved by the cackling of a goose, and the *John Powers* was saved by little bustle.
