THE GRAND GIFT CONCERT
A FIXED FACT.
SEPTEMBER 28th THE DAY
YOUR TICKETS NOW OR NEVER
THE vast sales of Tickets already made, and the increasing demand for them from all quarters, have determined the Trustees that the Grand Gift Concert for the Benefit of the Public Library of Kentucky, advertised for Saturday, September 28, 1872, will positively come off on that day, without postponement, the drawing not leaving sufficient all who expect to participate in the drawing that they should buy their tickets at once. Delay or a few days caused many who wanted tickets at the cutoff in December last to go without them. Some living in Louisville waited until sales were closed, expecting no doubt a postponement, and then offered fifteen, twenty and even twenty-five dollars for tickets which the day before were offered to purchasers at the regular price. Others living at a distance sent thousands of dollars by mail and express, which got here after sales were closed, and had to be sent back. Those disappointments need not occur again if the warning now given in due season is heeded.
The drawing will begin precisely at six o'clock Saturday morning, September 28, 1872, in the great Hall of the Public Library building, and continue until the one thousand gifts are all drawn.

The Concert itself will be the most brilliant orchestral display that ever occurred in the West. One hundred performers, gathered from all parts of this country and from Europe, under the direction of Prof. Hast, will contribute to this grand musical carnival. And to afford ample room for every ticket holder to enjoy such an unusual musical festival, the Concert will be given in Central Park, where arrangements have been made to accommodate all who may come.
Persons holding whole, half or quarter tickets will be admitted to both the Concert and Drawing, and none without such tickets will be admitted to either.
PRICE OF TICKETS.
Whole Tickets at $10, half Tickets $5, quarter tickets $2.50, 11 whole tickets for $100, 22 for $205.50, 55 for $500, 113 for $1,000, 565 for $5,000, 1,130 for $10,000. A discount on less than $100, worth of Tickets at time.
In accordance with numerous solicitations, arrangements have been made with all the railroad and steamboat lines leading into the city for the sale of round-trip tickets good for six days to all persons who may wish to attend the concert or drawing. Such tickets will be furnished by the Louisville, Cincinnati and Lexington Railroad, the Ohio and Mississippi Railroad, the Louisville and Cincinnati Mailboat Line, and the Louisville, Owensboro and Henderson Mail Line Packets.
All agents are required to close sales and make their returns in full time to reach this office by Thursday, September 26th. To do this successfully, those located at great distances must close days before the 25th.
All tickets to which gifts are awarded will be paid without discount by the Farmers' and Drovers' Bank, either in currency, or by sight draft upon the Fourth National Bank of New York, at option of the holder. The tickets first must be presented at this office, Room No. 4, Public Library Building, before they will be paid by the Bank.
The drawing will be published in the Louisville papers and New York Herald, and official copies sent to purchasers to whom tickets have been sent by letter.

MARAVILLA COCOA.—Opinion of the Press:—"Those who have not yet tried Maravilla will do well to do so."—*Morning Post.* "It may justly be called the perfection of pure Cocoa."—*Medical Journal.*
MARAVILLA COCOA.—The *Globe* says, "Taylor Broth on Maravilla Cocoa has achieved a thorough success, and supersedes every other Cocoa in the Market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Invalids and Dyspeptics, we could not recommend a more agreeable beverage."
HOMŒOPATHIC COCOA.—This original preparation, which has attained such a world wide reputation, is manufactured by TAYLOR BROTHERS under the ablest homœopathic advice and by the skill and experience of the inventors, and will be found to combine in an eminent degree the purity, fine aroma, and nutritious property of the fresh nut.

FROM OTTAWA

THE CABINET—THE NEXT SPEAKER—CHURCH CEREMONY.

OTTAWA, Sept. 16.—Sir George Cartier is expected here this evening and his friends are preparing a reception for him.

The *Free Press* referring to the charge on the subject of the representative in the Cabinet from the Ottawa district, mentions the names of Messrs. Lewis, O'Reilly and Abram Wright, Protest and of whom it says, would be acceptable to the people. Rumor seems to think the demand will be conceded.

Mrs. Clemow of this city, fell and broke her leg on Saturday.

Mr. Shibley, M.P. for Addington, who was claimed as a supporter of the Opposition, has selected a seat on the Ministerial benches in the House of Commons.

Rev. Dr. Freeland, of Aylmer, died here yesterday.

Hon. John Young has been assigned the seat formerly occupied by the late Sandfield Macdonald, at the head of the Opposition.

Political gossips are already busy with the names of the probable candidates for the Speakership of the House of Commons. Some say that Mr. Cockburn, the ex Speaker, will be re-elected; others that the office will be given to Col. Robichet, the present admirable Speaker of the Quebec Assembly, and others again, that the Hon. Stewart Campbell, M.P. for Glengarry, N. S., will be the man for Finance.

Mr. Smith, M.P. for Westmoreland, England, was experimented at a large dinner party at the Rideau Club by Sir Francis Hincks on Saturday. The Lord Bishop, Sir John A. Macdonald and other Cabinet Ministers and members of Parliament were present to meet the great financier.

It is not now likely that Sir John Macdonald will go to England this year.

A large procession of persons headed by the Roman Catholic Bishop of Ottawa, left the city this morning to be present at the consecration of a new church on the Montreal road. Upwards of 1,500 persons were present and two bands of music.

To protect the understanding of humanity there is nothing like leather fastened together by CABLE SCREW WIRE. Boots and Shoes made in this way never rip, or leak or come apart.

"*Tired* Nature's Sweet restorer, Balmy Sleep." But there are times when this "Renewer of Strength" is denied us, times when our minds and bodies have been so over worked and are all worn out that we "woo the drowsy god in vain." The Peruvian Syrup (a Iron Tonic) renews our strength and makes our rest sweet and refreshing.

Very Sensible.—Horse dealers who are supposed to know what effects their interest, purchase 'Darley's Condition Powders and Arabian Heave Remedy' by the dozen and feed it to their horses for the purpose of improving their condition, which it always does—others should profit by their example—Remember the name, and see that the signature of Hurd & Co., is on each package. Northrop & Lyman, Newcastle, Ont., proprietors for Canada. Sold by all medicine dealers.

Be Wise.—Too often a cold or slight cough is considered a very ordinary, trifling affair, just as well left to go as it comes, and hence systematically neglected until a simple curable affection is converted into a serious pulmonary disease. The more prudent, aware that a cough or cold should never be trifled with, promptly use "Hagyard's Pulmonic Wafers," which have sustained their reputation for over 30 years. They are always efficacious, and exert a most beneficial influence on all the bronchial and pulmonary organs. Sold by all Druggists and country dealers. Price 25 cents per box.

"*Every pleasure has its necessary pain.*"—This maxim of the Greek philosopher is daily verified during the summer season, when our pleasure in eating delicious fruits is somewhat dulled by the doleful prospect of colics, cramps, diarrhœa, dysentery, cholera, and other disagreeable consequences of an over-feed. But the pain of anticipation vanishes and the present pleasure alone, remains, when we reflect that "every bane has its antidote" and that all diseases of the bowels are checked and cured by the tingly use of ASSOTT'S AFRICA ANODYNE.

Harbor Grace, Newfoundland, Dec. 9th, 1871.—Jas. I. Fellows, Esq.—Dear Sir—We are receiving orders almost daily from the Outports for your invaluable syrup of Hypophosphites, and the sale is steadily increasing. I firmly believe it has done more good than any medicine yet discovered, in the cure of Consumption, Bronchitis, Asthma, Whooping Cough and kindred diseases. It is the only medicine we have which cures these diseases by strengthening and Nervous System; and as it is also what we call a so-called chemical preparation, I predict for it a more extended demand than any other remedy in existence. W. H. Thorburn.

☞ *Is health* worth having? If it is protect it—it is a jewel as easily lost as virtue, and in many cases as difficult to recover. In this climate, and more particularly at this season of the year, people are very apt to take cold and suffer from sore throat, coughs, spitting of blood and pulmonary complaints generally, which if not checked immediately lead to serious consequences. The question arises—which is the quickest and most effectual remedy? Bryan's Pulmonic Wafers have been before the public for twenty years, and have always given perfect satisfaction, and invariably effect permanent cures when taken in season. Sold by all medicine dealers, country stores, at 25 cts per box.

A Chemical Food and Nutritive Tonic—Without Phosphorus, as though, say the Germans, and they might add, no action, since Phosphorus and its compounds are known to be the motive power of the nervous and muscular system. They constitute more than half the material of the human body, being found in every tissue, and their presence is absolutely essential to nutrition, as they promote the conversion of albumen in the food into fibrine, which is the vitalizing agent of pure, healthy blood. They are now coming into universal use in Europe and America in the treatment of Scrofulous, Consumptive and Venereal diseases, which are caused by impoverished or poisoned blood, in pale, puny children, and that condition of nervous and physical prostration resulting from bad habits, excessive use of stimulants, and tobacco, and all that train of evils following in fast life. The great reliability and promptness in its effects in immediately and permanently restoring the devitalized constitution has made DR. WHELPLEY'S CO
