## PUBLIC INFORMATION CENTRE THURSDAY, JANUARY 29, 2015

### WILDWOOD ROAD RECONSTRUCTION – OAK RIDGE DRIVE TO ONTARIO STREET

The Town of Halton Hills is planning to perform improvements to the above-mentioned road starting in the spring of 2015:

You are invited to attend a Public Information Centre to learn about the planned construction and discuss any concerns you may have with representatives from the Town of Halton Hills. This Public Information Centre will be an informal meeting and you are invited to drop in at your convenience between the noted hours.

The Public Information Centre is scheduled for:

**DATE:** Thursday, January 29, 2015

**TIME:** 6:00 p.m. to 8:00 p.m.

**PLACE:** Town of Halton Hills  
Council Chambers  
1 Halton Hills Drive  
Halton Hills ON L7G 5G2

Please let me know as soon as possible, if you may have an accessibility or accommodation requirement at the Public Information Centre.

If you are unable to attend this Public Information Centre and wish to obtain more information or provide written comments, please address your concerns to:

**Mr. Todd Cronkright, C.E.T.**  
Manager of Design & Construction  
Infrastructure Services

## NEWS

# Mill St. rail crossing gets overdue repairs

By Lisa Tallyn  
[ltallyn@theifp.ca](mailto:ltallyn@theifp.ca)

A letter from the Mayor to Metrolinx Chair Robert Prichard last week sparked some action resulting in the Mill St. rail crossing finally being repaired.

Mayor Rick Bonnette sent the letter Jan 15 after complaining at last Monday's council meeting about the poor repair job Goderich Exeter Rail Line (GEXR) and Metrolinx did at the crossing and the fact they hadn't come back to fix it despite repeated calls from Town staff.

He requested in the letter dated Jan. 15 the work be done expeditiously.

It appears the letter worked, because after waiting for months the work was completed by PNR Railworks on behalf of GO Transit Tuesday.

"This crossing was rehabbed last October, but left a large "hump" for vehicular traffic to drive over," said Wesley Logan, General Manager of GEXR.

"The reason why it took so long to address this problem was due to GEXR's concern of reconciling the interests of all the stakeholders involved," said Logan.

"Go Transit is the new owner of this infrastructure, the repair affects both the train and traffic signal system, so it needed to be in accordance with Go Transit's future expansion plans (which are in the early stages of being developed) and not to cause undue traffic congestion," Logan said.

"The repairs were overdue but I am pleased to see the quick action as a result of my correspondence," said Bonnette. "The people of Acton and the commuters will be very relieved to see this work completed."

## Town accepting applications for Investment Fund

The Town's Community Sustainability Investment Fund is accepting applications.

Our Community Sustainability Strategy, Imagine Halton Hills captures the visions, goals and focus areas for a better quality of life. To encourage and assist stakeholders in introducing actions that contribute to the Strategy's implementation the Town Sustainability Implementation Committee is accepting application requests for funding. The deadline is April 30 at 4:30 p.m.

"This is the second year of the Community Sustainability Investment Fund and it is an exciting initiative for our community," said Halton Hills Mayor Rick Bonnette. "There are many organizations interested in implementing the goals and focus areas of the Community Sustainability Strategy and this fund is set up to help them. It is also a worthwhile investment in our community. The Fund continues

to show our commitment to take practical steps that will raise the quality of life in our community. I encourage organizations to review the Community Sustainability Investment Fund for eligibility and explore ways in which we can jointly shape our Town's future."

Given the Community Sustainability Strategy's broad focus, its implementation will benefit many other Town initiatives, including the Cycling Master Plan, Youth Needs Study, Official Plan, Economic Development Strategy, Mayor's Community Energy Plan, and the Green Plan.

Additional information on the Sustainability Fund, including the Application Guide, is available via on the web at [www.haltonhills.ca/sustainability](http://www.haltonhills.ca/sustainability), twitter at [www.twitter.com/ImagineHH](https://twitter.com/ImagineHH) and Facebook at [www.facebook.com/ImagineHaltonHills](https://www.facebook.com/ImagineHaltonHills)
