THE WEDDING RING.

Only a well-worn hoop of gold,
Unit by and glow
Of rain gem, a ring that told
Its story long ago.

Only a circlet dimm'd and thin,
With wedded years of life,
Whose memories cloud my soul within
With sorrow shaded strife.

Only a cincture clasping fast
Two separate lives in one,
That ev'r to mind the sunny Past,
Yet leaves me still alone.

Only a relic of the joy
In days no more to be,
O! thoughts. Regret alone can cloy
Never again for me.

Only a treasure from the hand
No more to rest in mine,
But pass'd into the voiceless land,
Beyond the hills divine.

Only a pledge of mutual love,
Of love that ne'er shall fade,
Though Death has call'd those lips above
That sacred plightings made.

Only an earnest of the troth,
Nor Time nor aught can bend,
But ever still will bind us both
Unwavering to the end.

Small as the circlet is, it bound
All close her love to mine;
Now she is gone, but steadfast round
My soul it pledges twine.

Never again its gold shall thread
Her yielding finger's snow;
Never—not e'en when graves their dead
Have loosened from sleep below.

Never again! But as one thought,
In realms of perfect peace,
Our hearts shall beat with rapture fraught,
When Death gives me release.

CURRENCY.

—Bret Harte and Dion Boucicault are to write a play together.

—Jerome Bonaparte has left his card at President MacMahon's and the courtesy has been returned.

—A Charleston father gave a young man who had saved his daughter from drowning, a two-year-old steer and a shotgun.

—A new steamer for the Canadian Navigation Company, bearing the name of *Bohemian*, was on Saturday launched at Montreal. She is intended to ply between Montreal and Prescott, and is especially fitted for excursion travel.

—There is a rumor that Mr. Crawford, M. P., is to become Lieut.-Governor of Ontario, and that Alderman John Turner is to run for West Toronto.

—On Sunday Bishop Fabre laid the corner stone of a new church at Cote St. Paul in the presence of 5,000 people. Addresses were delivered by Rev. Fathers Lapierre and Salmon. Two bands of music turned out.

—Chicago is happy this week because she is making a great noise which, by courtesy, is called a jubilee. Indeed she seems to be only less happy than when, begrimed with smoke and ashes, she could boast that she had passed through the "greatest fire the world ever saw."

—Lord Chief Justice Coburn has just made a joke. A Mrs. Jury being examined as a witness in the Tichborne case, stated that she had had eleven children, whereupon His Honor observed he had always understood it took twelve to make a jury. England is still echoing the laugh which convulsed the Court.

THINGS IN GENERAL.

—The Emperor of Morocco has eighty "kids."

—The Montreal press are agitating for a hospital for Infectious Diseases.

—Gilmore's band, of Boston, will give concerts on their return from the Chicago Jubilee as follows: Syracuse, June 21st; Utica, June 23rd.

—The rebuilding of the Warwick Castle is going on most satisfactorily. Many of the ancient suits of armor injured by the fire have been wonderfully restored.

—The Orange lodges in New York are not yet decided whether or no to parade on the 12th of July. The minority will turn out if the majority refuses to do so.

—The 7th of July will be the centennial anniversary of the establishment of popular government in Prince Edward Island, the first General Assembly having met in Charlottetown on the 7th of July, 1773.

—The key to a lock in the Springfield, Mass., jail being lost, all the expert locksmiths in the town tried unavailingly to open it for several hours, until a burglarious inmate came to their aid and picked it without difficulty.

—San Francisco papers of late dates report that the condition of the crops in California is steadily improving, and a good harvest is confidently looked for. Some weeks ago the prospects were very discouraging in that State.

—The Hon. John Prentiss, the oldest newspaper publisher in New England, and perhaps in the United States, died at Keene, N. H., in the 96th year of his age. He established the *New Hampshire Sentinel* in 1799, and conducted it for 49 years.

—Mr. Scott, the Chief Architect of the Public Works Department, has been sent to New York to consult the gentlemen in charge of the Central Park with regard to the lying out of the grounds around the Parliament Buildings.

—Cholera is prevailing among the negroes at New Orleans, and the New York Board of Health are taking precautions to prevent its advent to that city. This mysterious but fatal disease is carried from place to place with wonderful rapidity.

—Shooting in Decatur county, Ind., must be nearly over for the season. A paper there says: "Milt. Bryan went gunning the other day, and returned home after a twenty-four hours' ramble with 0 squirrels, 0 doves, 1 grasshopper, and a ham sandwich."

—The Wesleyan body has just had a handsome windfall. Mr. Joseph Farmley, of Southport, has left by will £20,000 to the General Chapel Fund, and several small sums to other Wesleyan institutions. The Bible Society gets £20,000.

—It is estimated that thirty-three per cent. of the losses by fire in the United States is caused by incendiaries. The National Board of Underwriters at its last meeting in New York, resolved to raise a fund of $100,000 for the detection, conviction and punishment of incendiaries.

—The Troy men are humbugs. One of them who built a splendid residence a few years ago had a capacious wine-cellar included in the plans. The Philadelphia Sunday School Times says of Geo. P. Rowell & Co., of New York; "They are the most enterprising, prompt, systematic and reliable Advertising Agents with whom we are acquainted. We have had some most satisfactory dealings with them in some advertising plans in our business."

The first approaches of consumption are so insidious that thousands remain unconscious of its presence until it has brought them to the verge of the grave. The immediate use of "Bryan's Pulmonic Wafers" upon the first appearance of the cough, pain or soreness of the throat or chest, would generally preclude a fatal result; therefore, when you take a cold use "Bryan's Pulmonic Wafers," and thus prevent the necessity for taking them in more dangerous complaints. To be obtained of all Druggists and country dealers. Price 25 cts. per box.

During fourteen years' experience with advertisers and advertising agencies, we have never had dealings with a firm whose straightforward, upright policy so largely secured our confidence and respect as that of Geo. P. Rowell & Co., Advertising Agents, New York. Their contracts are always plain, intelligible, specific and liberal. They secure the most advantageous rates from publishers for the reason that the latter feel assured that they are secured beyond chance or technicality, in getting whatever the amount of their contract calls for, providing always that publishers have done as they agreed to.—Sioux City (Iowa) *Times.*

The Horse.—"Of the great number of animals under the control of man, the horse is unquestionably the most serviceable; but it is not strange that so many who own horses, and who are dependent on their labor for a living, should neglect to give them that care and attention which their own interest no less than the safety and comfort the horse demands. The best medicine for horses is "Darley's Condition Powders and Arabian Heave Remedy," of this there can be no doubt—it is safe and easily given.
