A CHINESE LOVE SONG.

O lovely daughter of the Sun
Whose eyes like radiant diamonds glow,
Say, do you love your Fa-fe-fum?
Tell me, my dearest Ho-ang-ho.
O can you, will you now be mine?
My fate I wish and long to know;
You are, an angel, all divine,
Light of my soul, my Ho-ang-ho.

The birds of Paradise I've seen,
And lovely swans as white as snow,
And sweetest flowers, some bright, some green
But none so bright as Ho-ang-ho.
The silver moon looks down on earth,
And lights all nature in a glow,
But all are dark, of little worth
Compared with you, my Ho-ang-ho.

Some time I've sought you, dearest one,
My love for you you do not know;
Will you be mine, my light, my sun,
My only choice, my Ho-ang-ho!
If you reject my proffered love,
My eyes will like the rivers flow,
While I am gloomy spheres do move
Without my lovely Ho-ang-ho.

O tell me now, if you do love,
One now no humble and so low.
O will you now a helper prove?
To your dear friend, say Ho-ang-ho
If you will be my lovely wife,
We shall be happy, this I know;
And live together without strife,
Yes, Fa-fe-fum and Ho-ang-ho.

Wesleyan Conference.

On Friday certain clauses of the Division of Conference scheme were discussed. The Provinces of Ontario and Quebec, according to the scheme will be divided into these conferences to be composed as follows:—The Toronto Conference to embrace the Toronto, Bradford, Barrie, Owen Sound, Whitby, Cobourg, Peterborough and Belleville districts; The London to embrace the Hamilton, Niagara, Brantford, London, Chatham, Sarnia, Guelph and Goderich districts; and the Montreal Conference to embrace the Montreal, Quebec, Stanstead, Pembroke, Perth, Ottawa, Brockville and Kingston districts.

VICTORIA UNIVERSITY.

The Rev. R. Jones, Treasurer of the Victoria College, read the report of the Educational Fund Committee. The primary object of this fund was to aid ministerial candidates in procuring an education. Latterly a portion has been applied to the general expenses of the University. After assisting ten conference students it is found that the year's receipts are $4,906, and that there is a surplus of $1,610. It was recommended that this be applied to the aid of the University.

Rev. Professor Burwash read the report of the Theological Department of the College, submitting details of the year's operation, including lectures and other studies.

A copy of the College calendar was presented to each member of the Conference. From it columns it appears that during the year lately closed there were students in arts, including undergraduates and specialists, 92; students in medicine, 118; and in law, 10; students in theology, 57; exhibiting a total in all the departments of 257 students. This large number is exclusive of 106 students in attendance at the Cobourg Collegiate Institute, an institute in affiliation with the college.

The Endowment Fund subscription is now upwards of $93,000. It is the intention to increase the Endowment Fund to at least $120,000. It is also recommended that the agency for continuing the effort to augment the Endowment Fund be persevered in, and that the Rev. Jno. Ash be reappointed, and the Rev. Joshua H. Johnson, M. A., be appointed to aid him in the work.

The Board recommend the selection of a European university graduate for a Professorship about to become vacant, and that President Nelles be requested to visit Europe for the purpose of securing such an appointment, and for other purposes connected with the university at Cobourg.

THE PRESIDENCY.

Rev. Dr. Rice was re-nominated for the Presidency of next year's Conference, and Rev. John A. Williams was nominated Co-Delegate. It was resolved that there be sent two representatives to the English Conference, and the Revs. Edward Dewart and Dr. Nelles were chosen for that mission by ballot.

The Revs. Dr. Rice and Dr. Douglas were appointed representatives to the Eastern British American Conference.

It was resolved to accept the invitation of the Official Board of the Centenary Church in Hamilton, to meet in annual Conference there next year.

STANSTEAD COLLEGE.

The Revs. Dr. Rice, Dr. Douglas, and Messrs. Hansford, Hooker, Langley, Washington, B.A., and Harper, B.A., were appointed the Board of Directors of Stanstead College.

On motion of Dr. Wood, the Rev. W. Hansford was appointed the First Governor of this College.

The Conference adjourned at 3 p.m.

NARROW GAUGE RAILWAYS.—There are now fifteen narrow gauge railways in the United States having 700 miles of track, and there are no less than one hundred and twenty organizations and 1,200 miles under process of construction. These roads have been planned and constructed within the last two years despite the prejudices which have been urged against them by the advocates of the wider gauge. Gen. Rosecrans has been their strongest advocate, and his great engineering skill has helped to surmount the difficulties in constructing narrow gauge railways in Colorado.

—Hiram Lawrence went into the gasometer at the gas works in Eastport, Me., and was overcome by gas. His brother Edward endeavored to rescue him and was himself suffocated. A third brother, James, tried to rescue his brothers and was drawn out insensible. The two former were dead when taken out.

The Philadelphia Sunday School Times says of Geo. P. Rowell & Co., of New York: "They are the most enterprising, prompt, systematic and reliable Advertising Agents with whom we are acquainted. We have had some most satisfactory dealings with them in some advertising plans in our business."

☞ *Is your throat sore,* or are you annoyed by a constant cough? If so, use promptly "Bryan's Pulmonic Wafers."—They relieve the air passages of phlegm or mucous, and allay inflammation, and no safer remedy can be had for coughs, colds, or any complaint of the throat or lungs, and if taken in time their efficacy will soon be proved. Sold by all Druggists and country dealers. Price 25 cts. per box.

During fourteen years' experience with advertisers and advertising agencies, we have never had dealings with a firm whose straightforward, upright policy so largely secured our confidence and respect as that of Geo. P. Rowell & Co., Advertising Agents, New York. Their contracts are always plain, intelligible, specific and liberal. They secure the most advantageous rates from publishers for the reason that the latter feel assured that they are secured beyond chance or technicality, in getting whatever the amount of their contract calls for, providing always that publishers have done as they agreed to.—Sioux City (Iowa) *Times.*

The Horse.—"Of the great number of animals under the control of man, the horse is unquestionably the most serviceable; but it is not strange that so many who own horses, and who are dependent on their labor for a living, should neglect to give them that care and attention which their own interest no less than the safety and comfort the horse demands. The best medicine for horses is "Darley's Condition Powders and Arabian Heave Remedy," of this there can be no doubt—it is safe and easily given. Remember the name, and see that the signature of Hurd & Co. is on each package. Northrop & Lyman, Newcastle, Ont., Proprietors for Canada. Sold by all Medicine dealers.

IF YOU HAVE A COUGH with raising of Phlegm in the morning, night sweats, and irregularities of the bowels, loss of appetite, and general debility, take DR. WHEELER'S COMPOUND ELIXIR of Phosphates and Calisaya. A host of those who have used it throughout the Dominion will attest its great efficacy in arresting the decline of the Consumptive. It begins at the root of the evil, the Stomach, and persects Digestion, Assimilation of Food, and the formation of Healthy Blood, rapidly invigorating the Constitution and restoring energy to all the Vital Organs. It is agreeable to take and permanent in its effect with no liability of relapse. Sold by all druggists at $1.00.

NO RISK.
