TOWN AND COUNTRY.

WEDN'SDAY EVENG, JULY 2, 1873.

POLICE COURT, Tuesday.—No business; satisfactory state of morals.

EXAMINATIONS.—The medical matriculation examinations are being held to-day.

THE PLANKWALKS.—The Princess Street plankwalk was completed by rapid work on Monday. The King Street walk is also going ahead.

ALMOST AN ACCIDENT.—This morning there was a narrow escape from a serious accident on the Grand Trunk west of Kingston. Fortunately fortune intervened.

ACCIDENT.—A boy on the schooner *Star* had his leg broken yesterday while loading stone at Rudd's wharf, Pittsburg. He was brought to town, and when his limb was set, was carried to his home in Gananoque.

EXCITING.—The yacht race between the Lady Stanley and Ina at Cape Vincent, on the 4th July, is likely to attract a large number of visiters owing to the reputation of the boats and the large stake which will be at issue.

WHAT THEY CALL LAURELS.—The St. Catharines' *News* speaks of one of its young citizens, now in Kingston, as having been "gaining fresh laurels at the military school, having taken a second-class certificate." Such is success.

CITY COUNCIL.—A special meeting was called for Tuesday evening *re* purchase of Government lots for a Crystal Palace site. No quorum; nothing done. The Mayor, Alds. Drennan, Price, and others of the ever-faithful alone were present.

THE RAIN.—Many were the blessings on the rain of Monday night. But it *was* good! The country looks like another section, the change is so great. That rain is worth $500,000 in saving the parched crops, and more is coming. The air is cool and all nature rejoices, as the rain favors celebrations, we hope the 4th of July will hurry up.

STRAWBERRY FESTIVAL.—The St Paul's Strawberry Festival, owing to the rain and other circumstances which united against it, was not a financial harvest, but to those present it was a very enjoyable affair, and the strawberries and cream were a temptation which could not be withstood. It was well managed, but the fates were against it.

SHORTS.—The English mail per *Circassian* was delivered yesterday.—Sorry the rain did not fall to-day. All signs fail.—People are "played out" to-day. Too much pic-nic yesterday.—The Board of Trade Quarterly meeting has been postponed until Tuesday next.—Lots of amusement this week.—The Princess street druggist who displays a sign, "Shoo Fly Poison," does not intend it to refer to the soda fountain immediately in rear of it.

THE WIMBLEDON TEAM.—A correspondent of the *Globe* writes condemnatory in strong terms of the conduct of the Militia Department towards Capt. Holmes, of the Garrison Battery, Kingston, to which treatment we called attention several days ago. "Fair Play" makes a safe charge against the department of setting bad examples, inasmuch as it has, while condemning individuals throughout the country for not giving leave to employees for military duty, refused Capt. Holmes this very privilege. Col. Robertson-Ross has resigned, they say.

A Regular Staggerer.

A THUNDERBOLT WHICH KNOCKED GENERALLY, AND FRIGHTENED THE DOGS.

MR. DONOVAN lives in the Township of Kingston, about eight miles from the city. He was unfortunate in residing there during the thunder-storm of Monday evening. He could with greater safety have taken his abode at the Openiscon or Cushindall. The lightning was playful. It first made a two-strike on the gable end of his driving-house and woodshed, shivering to pieces the three centre-posts, and tearing away two cross-beams, besides acting otherwise ridiculously. Some dry lumber was set on fire in the shed, but water soon extinguished the flame. Mrs. Donovan and her family felt the shock, and for a few moments they were stupefied, but soon recovered, fortunately in time to avert the threatened loss by fire. The cows in the barnyard were somewhat surprised, being all knocked down. Their feelings were alone hurt, however, and they soon got over their trouble. But the two house dogs were taken back the worst way. They were "took," as Grace Egerton says, and were so scared that they ran bellowing for half a mile to the farm of Mr. Donovan's mother, (Mrs. Donovan's mother-in-law,) where they crept into a hen-house. It required considerable coaxing to get them home the next day. They will look out for lightning lively in future.

Another Successful Pic-Nic.

A pic-nic in aid of St. Edward's Church, Westport, was held on Thursday, 26th ult. The day was fine and the attendance very large. The Westport pic-nics have now earned a reputation which draws crowds from the counties of Frontenac, Leeds and Lanark. All creeds and races were represented. As usual a splendid dinner was provided by the ever liberal ladies of the Mission and gave universal satisfaction. The Newboro brass band added greatly to the amusement of the day. Two large platforms for dancing and all sorts of field sports were provided. In the evening a sewing machine was raffled and the amount realized was $104, (one hundred and four dollars). The nett proceeds of the pic-nic were four hundred dollars. St. Edward's Church is now one of the best in Ontario, and although it cost about sixteen thousand dollars, the debt is only one hundred dollars.

PERSONAL.—The Rev. I. B. Aylsworth, of Ottawa; W. S. Williams, Esq. of Napanee; J. Ormiston, Esq., of Gananoque; and Mr. Clark, of Picton, are in the city, *en route* for Grand Lodge, I.O. of G.T., in England.—*Montreal Witness.*

The Royal Canadian Insurance Company.

AUTHORIZED CAPITAL, $5,000,000.

LIMITED LIABILITY.

THE present rates of Fire Insurance throughout the Dominion (the result of combination among the various Insurance Companies) are, it is believed, not only excessive, but unnecessary; and however severe the losses to those Companies may have been in the late calamitous fires in Chicago, Boston, and other cities in the United States, the losses in the business of Insurance throughout the Dominion does not warrant the great increase which has lately taken place in Kingston and elsewhere.

The improvements for extinguishing fire by the recent introduction of Steam Fire Engines and other apparatus have been ignored. Hitherto the risks have not been sufficiently classified, and taking past experience into consideration, it is ample to justify the promoters of this Company in saying a most profitable business can be done in the City of Kingston at much reduced rates than are demanded and enforced by the existing combination; it will also enable the citizens to retain with themselves large sums of money which have hitherto been annually sent abroad.

Within a short period, the rates on special risks—such as the Cathedrals, Churches, Hospitals, &c, have been increased 100 per cent. while the mercantile community now pay from 100 to 150 per cent more on their stocks, than were the current rates of Insurance in the same premises one year ago.

From the published official returns of the business of the principal Companies for 1872 within the Dominion, this great increase would seem unnecessary, as the following table shows:—

NAME OF COMPANY.	PREMIUM FOR THE YEAR.	AMOUNT OF LOSSES.
Royal (of England).....	$315,848 36	$182,497 01.
North British.....	235,200 00	121,819 00.
Agricultural.....	73,613 23	35,216 17.
Isolated Risk.....	59,121 98	11,074 10.

Such being the case, the Hon. John Young, M.P., Messrs. Thos. Caverhill, L. A. Boyer M.P., Benjamin Lyman, J. F. Sincennes, Andrew Robertson, James Crathern, Wm. Workman, J. R. Thibaudeau, John Duncan, E. K. Greene, John A. Perkins, Joseph Barsalou, E. G. Penny, J. Hodgson, R. J. Reekie, John Grant, Henry Belmer, Wm. McNaughton, James Renny, Henry Lyman, J. Donnelly, S. H. May, Jas. Coristine, J. Popham, Wm. Rodden, Walter Macfarlan, Wm. O'Brien, Andrew Wilson, Henry Mullholland, Alex. Buntin, Thos: Tiffin, R. Campbell & Co, Wm. Darling & Co., Peck, Benny & Co., Chas. Alexander, J. O'Brien, DeLisle Bro. and McGill have secured an Act of Incorporation for the above Company during the last Session of Parliament to carry on the business of Fire and Marine Insurance. The authorized Capital of the Company is $5,000,000, in fifty thousand Shares of $100 each. Five per cent. is payable in such instalments as the majority of the Directors shall determine; not, however, to exceed five per cent. per call, and at periods of not less than three months' interval.

Agencies will be opened in the leading cities and towns of Ontario, Quebec, Nova Scotia and New Brunswick, as soon as the required amount of Stock set aside for each place has been subscribed and ten per cent paid thereon.

In conformity with the above $200,000 have been allotted to the City of Kingston, and so soon as $50,000 have been taken up arrangements will be made to open a Branch of the Company.
