TOWN AND COUNTRY.

FRIDAY EVEN'G, JULY 4, 1873.

PERSONAL.—His Lordship Bishop Lewis, with his family, left Ottawa yesterday for Cacouna.

THE GARRISON GAMES are proceeding to-day. The sun is very warm for sports, but there is a cool breeze to take the temper off.

CRICKET.—The members of the Kingston Cricket Club are all requested to be on the ground sharp at 1:30 to-morrow, for the match—Smokers against Nons.

IRON ORE.—The Milwaukee *Wisconsin* makes a note that the propeller Lake Michigan landed 100 tons of iron ore there from Kingston, Canada.

SALE.—The stone house on Princess street, advertised by Messrs. Fraser & George for sale, was sold yesterday to Mr. Pillar, baker, for $3,000 cash. Such is advertising in the WHIG.

CHANGE.—Capt. Sherwood, whose boat (the *Banshee*) was sold to take the place of the ill-fated *Renaud* between Cornwall and Montreal, is to take command of the *Passport*, in the place of the late Capt. Simpson.

CRUEL.—Some mischief-makers placed two torpedoes on the chair of a portly boarder at one of our boarding houses last night and the concussion which ensued upon his taking the seat exceedingly gratified their infernal tastes.

JUDICIOUS ADVERTISING.—The judicious plan of Messrs. Tuckett & Billings to advertise their celebrated Myrtle Navy brand of tobacco is already bearing fruit. The firm has made it a point to advertise through the most reliable newspapers, and not to exaggerate the quality of the article manufactured. The result has been that the demand for the "T. & B." brand is such that the manufacturers cannot supply the orders sent in. The firm has purchased new machinery and engaged a number of experienced hands so as to be able to supply the demand.

LIFE OF DR. MACFAR.—A memoir of this good man and excellent minister and citizen, which will prove especially interesting to Kingstonians, is soon to be published by Messrs. Campbell & Sons, Toronto. The volume will be handsomely bound, and contains 300 pages, consisting of a narrative of Dr. Machar's Life and Ministry, with some of his Pastoral Sermons. Dating from 1827, the year in which he came to Canada, his Canadian life is thus closely connected with the early history of the Presbyterian Church in this country, the founding of Queen's University, and other events of general interest.

COMING AGAIN.—We are glad to find all about it in the Watertown *Despatch*:—

"While in New York recently, we met Manager Herndon, who was securing the best talent in the dramatic market for the ensuing campaign. Mr. Herndon will visit Watertown during the Fair, with one of the best theatrical troupes in the Provinces. He intends making another tour of Canada, visiting Ottawa, Brockville, Kingston, Belleville, Toronto, Hamilton, St. Catharines, London, &c. Our Canadian cousins gave him full houses on his last tour and will be pleased to hear of his second coming."

Public School Board.

The monthly meeting of the Public School Board was held at the Council Chamber on Thursday evening. Present, Wm. McRossie, Esq., Chairman, and Messrs. Allen, Burton, Carroll, Cunningham, Dr. Fee, Dr. McCammon, and Professor Dupuis, Inspector.

A report of the Building Committee, recommending the adoption of the plan proposed by Mr. Power of the new building on Wellington Street, was received, read and adopted.

The Inspector read the programme prepared by him for the Examination, which was approved of, and ordered to be published three times in the daily papers.

On motion of Dr. McCammon, seconded by Mr. Carroll, it was resolved that all accounts be submitted to the Finance Committee previous to being paid.

Moved by Dr. McCammon, seconded by Dr. Fee, that the Committee of Williamsville School, together with the Committee on Building, be empowered to purchase two suitable lots at the sale of Ordnance Lands about to take place next week, or reserve a site for a School at Williamsville. Carried.

On motion the Secretary was instructed to advertise for 100 cords wood and 10 tons coal for the use of the Schools.

The Inspector and Secretary were authorized to purchase a new stock of maps for the use of the city Schools.

Dr. McCammon closed the proceedings and the Board adjourned.

Secretary's Office, Princess St.,
Kingston, 27th June 1873.

The Royal Canadian Insurance Company.

AUTHORIZED CAPITAL, $5,000,000.

LIMITED LIABILITY.

THE present rates of Fire Insurance throughout the Dominion (the result of combination among the various Insurance Companies) are, it is believed, not only excessive, but unnecessary; and however severe the losses to those Companies may have been in the late calamitous fires in Chicago, Boston, and other cities in the United States, the losses in the business of Insurance throughout the Dominion does not warrant the great increase which has lately taken place in Kingston and elsewhere.

The improvements for extinguishing fire by the recent introduction of Steam Fire Engines and other apparatus have been ignored. Hitherto the risks have not been sufficiently classified, and taking past experience into consideration, it is ample to justify the promoters of this Company in saying a most profitable business can be done in the City of Kingston at much reduced rates than are demanded and enforced by the existing combination; it will also enable the citizens to retain with themselves large sums of money which have hitherto been annually sent abroad.

Within a short period, the rates on special risks—such as the Cathedrals, Churches, Hospitals, &c., have been increased 100 per cent. while the mercantile community now pay from 100 to 150 per cent more on their stocks, than were the current rates of Insurance in the same premises one year ago.

From the published official returns of the business of the principal Companies for 1872 within the Dominion, this great increase would seem unnecessary, as the following table shows:—

NAME OF COMPANY.	PREMIUM FOR THE YEAR.	AMOUNT OF LOSSES.
Royal (of England)	$315,848 36	$182,497 01.
North British.....	235,290 00	121,819 00.
Agricultural.....	73,613 23	35,216 17.
Isolated Risk.....	59,121 98	11,074 10.

Such being the case, the Hon. John Young, M.P., Messrs. Thos. Caverhill, L. A. Boyer M.P., Benjamin Lyman, J. F. Sincennes, Andrew Robertson, James Crathern, Wm. Workman, J. R. Thibaudeau, John Duncan, E. K. Greene, John A. Perkins, Joseph Barsalou, E. G. Penny, J. Hodgson, R. J. Reekie, John Grant, Henry Bulmer, Wm. McNaughton, James Kenny, Henry Lyman, J. Donnelly, S. H. May, Jas. Coristine, J. Popham, Wm. Rodden, Walter Macfarlan, Wm. O'Brien, Andrew Wilson, Henry Mulholland, Alex. Buntin, Thos. Tiffin, R. Campbell & Co., Wm. Darling & Co., Peck, Benny & Co., Chas. Alexander, J. O'Brien, DeLisle Bros. and McGill have secured an Act of Incorporation for the above Company during the last Session of Parliament to carry on the business of Fire and Marine Insurance. The authorized Capital of the Company is $5,000,000, in fifty thousand Shares of $100 each. Five per cent is payable in such instalments as the majority of the Directors shall determine; not, however, to exceed five per cent. per call, and at periods of not less than three months' interval.

Agencies will be opened in the leading cities and towns of Ontario, Quebec, Nova Scotia and New Brunswick, as soon as the required amount of Stock set aside for each place has been subscribed and ten per cent paid thereon.

In conformity with the above $200,000 have been allotted to the City of Kingston, and so soon as $59,000 have been taken up arrangements will be made to open a Branch of the Company.
