CASHh in on the fun

"We can do this".... 4 words spoken 15 years ago that have helped improve the lives of over 2,500 Halton Hills residents!

Cancer Assistance Services of Halton Hills (affectionately known as CASHh) began when the continuing need of providing practical services to the residents of Halton Hills who live with a cancer diagnosis was recognized.

In 2014, 59 drivers volunteered their time and made 1,901 trips to and from doctors and hospital appointments, contributed 7,913 hours and travelled 199,653 kms to help CASHh clients.

Over 280 canvassers and coordinators volunteered their time to knock on doors during the April "Give Where You Live" residential campaign and helped raise over \$111,000 to continue to help those in need.

Personal services assisted 687 clients from home support, wellness, special needs and patient aids and all of these services were provided at NO CHARGE to the clients of CASHh.

Cancer Assistance Services of Halton Hills will be celebrating their 15th year of service to the residents of Halton Hills on Saturday, Feb. 14, at the Acton Legion. Join us for three-course dinner, entertainment by Monty Greig from 5-8, p.m. DJ Sonic Entertainment from 9 p.m. to 1 a.m. and a silent auction rounds out our celebration.

The fun begins at 5 p.m. and goes until 1 a.m. Everyone is welcome and tickets are available now for \$50 per person at the CASHh office at 222 Mountainview Road N., Georgetown. Call 905-702-8886 for more information.

Local artist among finalists in international photography contest

James Cassidy, a Fine Arts Landscape Photographer and owner of Cassidream Photography of Acton, was chosen as a finalist in the Shoot The Frame International Photography Contest.

The photograph, Burlington Pier Sunrise, was chosen as one of 10 finalists in the entries for the "Shoot The Land" portion of the contest.

Shoot The Frame is a suite of international photography contests. The mission is to give all photographers the opportunity

to showcase their amazing work on an international stage.

Contest organizers say, "There is an incredible amount of talent out there, both amateur and professional, capturing sensational images from all corners of the globe. We want to find it, see it and show it to the world."
