The Daily News.

THURSDAY EVENING, MAY 9.

Gold in New York 100½

PERSONAL.—We had a pleasant call yesterday afternoon from Mr Twitchell, the new American Consul in this city.

THE FARMERS ADVOCATE for May is an excellent number, and full of interesting information which the great majority of farmers would be the better for knowing The *Advocate* is only $1 per annum.

EMBROIDERY.—Mrs Ferns advertises the reception of elegant novelties in embroidery as well as a full stock of ornamental needlework materials of superior quality. The ladies would do well to call and inspect Mrs Ferns stock.

A FINE CARRIAGE.—Messrs J. Brown & Co., yesterday shipped for Hamilton a basket phaeton, which has been sold to a gentleman in that city. The carriage took first prize at the Midland Central Fair last year and was much admired for its beauty and lightness of build.

YESTERDAY'S FIRE.—When it was said in the paragraph referring to the fire on Ordnance Street yesterday morning that the services of the engine were of no avail, it was meant that it was impossible to save the building. The fire brigade did good service in saving the adjoining property.

PERSONAL.—Rev. H. Wilson left to-day *en route* for England.—Captain J. F. Wilson, of A Battery, left town this morning on the Spartan for the same destination.—Mr Strange, Police Magistrate, intended leaving for Montreal this afternoon on three weeks' leave of absence for the benefit of his health.

THE ACCIDENT AT LOBORO BRIDGE.—The proprietors of the Perth Road have arranged Mr Guthrie's claim for the team of horses which were drowned recently by paying him $150. This, of course, was not the full value of the horses and of the other articles which were lost, but was looked upon by Mr Guthrie as a very fair compensation under the circumstances.

THE BAND CONCERT.—The band concert last evening was so successful, and the programme so good, that Mr Rackett has received many requests to repeat it some afternoon for the benefit of ladies and children who were unable to be present at the concert. We understand Mr Rackett has consented to this, and arrangements are being made. Mr Rackett went down to Garanoque this afternoon to make arrangements for a concert in that place on an early day.

ONTARIO LODGE, PORTSMOUTH.—Ontario Lodge No. 80, U.T.A., has had an addition of ten to its membership during the past quarter, and future prospects are very hopeful. The Lodge will for the future meet regularly on the second and fourth Tuesdays of each month. At the meeting last night the following officers were installed by Mr. Jas. Schroder, Provincial Deputy, assisted by S. Ranton, National Recorder: H. P. Lindsay, President; Miss A. McWater, Vice-President; T. McCammon, Secretary; Wm. Graham, Treasurer; A. Atkins, Senior Counsellor; E. Elms, Junior Counsellor; R. McCammon, Financier; Jas. Schroder, Chaplain; Miss A. Lindsay, Recorder; R. Baldon, Marshal; Miss L. Forsyth, Deputy Marshal; N. Mathewson, Guard; J. O'Neil, Sentinel; T. C. Kennedy, Past President. [The foregoing was crowded out yesterday.

Conservative Meetings.

We call attention to the advertisement in another column announcing meeting of Conservatives in different parts of the city to-morrow evening. It is to be hoped that all interested in the return of Sir John Macdonald will endeavour to be present and render such assistance in promoting his election as lies in their power.

Young Men's Conservative Association.

A meeting of this Association will be held Monday evening next at Bethel Hall, over Wade's Drug Store, at 7:30 p.m. All Conservative young men in the city are requested to attend, as the election of officers and other important business will be taken up.

R. W. SHANNON,
Secretary *pro tem.*

Police Court.

(BEFORE MR. STRANGE, P.M.)

Thursday, May 9.

William Wright and Patrick Fitzsimmons were charged with stealing poultry from John Daly. The charge was withdrawn, strong pressure having been brought to bear upon the prosecutor.

Three young men were charged with assaulting Francis Hudson. The prosecutor did not appear, and prisoners were discharged.

Charles Smith and John Jones, two drunken tramps, were discharged on promising to get out of town.

James Reid was fined $2 and costs for assaulting Thomas McGilton.

Short Notes.

The weather to-day was fine.

Phosphate is selling at Ottawa at $16 per ton.

Heavy thunderstorm last night, accompanied by much rain.

Confirmation service at Trinity Church, Brockville, this morning.

Mr W. H. Fredenburg has been nominated as the Grit candidate for South Leeds.

Mr Britton, Q.C., is conducting the Crown Business at the Brockville Assizes.

Dr Holland, of *Scribner's Monthly*, has arrived at the Crossman House, Alexandria Bay.

Now, then, look out for the "Finnegan's." They are coming, 50,000 strong. 14th to the front.

Exchange:—"At a full dress reception in Paris they called a man Adam because his wife's dress so closely resembled Eve's.

Rev. H. Wilson is off to-day for a trip to the Old Country. Mr Kirkpatrick leaves to-morrow. We wish them a *bon voyage*.

Major Walsh, of the Northwest Mounted Police, who has been on a visit to his home at Prescott, leaves for Battleford next Wednesday.

Says the *True Witness*: Abolish both the Orange processions and the Catholic Union processions, and then we shall have peace in Montreal.

The New York *Herald*—"It is bad policy to worry about filling your church. See that your pulpit is properly filled, and then the church will take care of itself."

Grip says: "Notice.—Managers of the Conservative Party are hereby notified to conduct their correspondence hereafter by postal card, and thus save the postmasters the time and trouble of opening letters."

Says the Montreal *Witness*: "Messrs. Ogilvie & Co., purpose starting a ten thousand acre wheat farm in Manitoba. The arrivals of immigrants in our North West Territory are now estimated at 1,000 souls a week."

"The Rock of Gibraltar is limestone capped with shale."—*New York Herald.* "You mean, perhaps, that the blarneystone is a shamrock, capped with shale-alah."—*Hank Waterson.* The *Herald* (y)ought to haul in its jib or alter its mode of expression after Mr Waterson's tack.

The *Witness* says: The Trustees of the "Hackett Monument Fund" have received in cash, up to date, about $1,200. In addition the sum of $600 has been voted—$500 by the Orangemen of Toronto which can be drawn at any time, and $100 by the Grand Lodge of Ontario West. The money will be appropriated towards the building of the Hackett monument, for which a location has already been selected in Mount Royal Cemetery. The trustees require about $3,000 in all to carry out their plans in their entirety.

THE members of Christ Church, Cataraqui, made up a very nice purse for the Rev. Mr. Wilson, which they presented to him yesterday afternoon with a kindly expression of their cordial sentiments of regard and esteem for him on his departure to Europe. The mission of Cataraqui Church is in a very flourishing condition, the contributions exceeding those of any previous year. The Rev. Mr. Echlin will be in charge of the mission as well as of the Cathedral congregation during the Rev. Mr Wilson's absence.

DISTRICT LODGE OF 'PRENTICE BOYS.—On Thursday the Lennox District Lodge of 'Prentice Boys held their annual meeting in the Orange Hall, Perry Block. Delegates were present from Napanee, Clark's Mills, Colebrook, Enterprise, Sydenham, Newburgh, Arden and Tamworth. The following are the names of the officers for the current year:—Cephas H. Storms, Colebrook, district master; F. Busby, Tamworth, deputy do.; Marshall Richardson, Napanee, Secretary; Geo. S. Blake, Sydenham, Treasurer; D. P. Clute, Newburgh, chaplain; George, Riley, Clark's Mills, Director of Ceremonies; Geo. Challes, Napanee, was appointed representative of the District Lodge, in addition to the Deputy and District Masters, who are ex officio representation to the Grand Lodge of the order, to be held at St. Catherines on the 11th of June next. A resolution was unanimously passed sanctioning the action of the subordinate lodges, should the latter decide to go to Montreal on the 12th of July next. After business was concluded the members, to the number of about thirty, sat down to a sumptuous supper at the Paisley House.—*Beaver.*

PROBABILITIES for the next twenty-four hours: For the lower lake region, fresh to southwesterly to northwesterly winds and clear to fair weather.

Local "Reform" Purity.

(From an authority, the Argus.)

"John A. Macdonald had a majority of seventeen at the last election over" (Mr) "Carruthers. Now, IT IS WELL KNOWN THAT" (MR) "CARRUTHERS WAS PUT UP AGAINST JOHN A. MACDONALD SIMPLY ON ACCOUNT OF HIS MONEY; and gave" (Mr) "Gunn a sort of *carte blanche* to spend it in bribery and corruption. . . . Is it not a mockery of reform, then, that" . . . (Mr) "Gunn . . . should be set up as the champion of purity at elections?"

"We may say, that as John A. Macdonald is not considered worse than he was at the last election, and as Mackenzie is by many who previously respected him now deemed fully as corrupt, John A. Macdonald's majority against any one representing Mackenzie would be larger than formerly. This" (Mr) "John Carruthers sees; and hence his discreetness in stepping out of the way."

Hurrah for "Come along John and put down bribery and corruption. We have lots of money."

Marine Notes.

There are no arrivals as yet from the Canal, but vessels are expected immediately.

HOLCOMB & STEWART. Arrived—Schr. C. Gearing, Wellington, 6,000 bush wheat and peas.

A telegram from Quebec states that the first raft from Garden Island arrived there last night.

CHARTERS.—The schr. M. L. Breck has obtained three charters, two from Cheboygan and one from Bay City, at $60 per thousand, which is about as low a rate as ever reigned before.

SWIFT'S DOCK.—Called—Strs. Milford, from Ottawa; D. C. West, from Westport; Algerian, from Montreal; Armenia, from Picton; Spartan, from Toronto; Kincardine, from Oswego; Persia, from St. Catharines.

Port Colborne, May 8.—Arrived—Schrs. City of Manitowac, Chicago, Port Colborne, corn; Dudley, Erie, Port Colborne, coal. Prop. Scotia, Duluth, St. Catharines, wheat.

Cleared—Schrs. C. G. Cooper, Port Colborne, Cleveland, light; M. C. Upper, Port Colborne, Cleveland, light; Mary, Port Colborne, Cleveland, light.

Wind, south-west, light.

A Battery Band Promenade Concert.

Last evening the non-commissioned officers and men of A Battery gave a concert and exhibition in the Drill Shed, which was as successful as it was unique. The object of the entertainment was to provide funds for defraying the expenses of the band to Montreal, where it will take part in a band competition which is to come off in that city during the week commencing on the 20th of June. The programme opened with a march "Keep your powder dry," and the overture from "William Tell," both of which were executed with taste and spirit. "William Tell" is a selection which is usually reserved for artists, and is seldom attempted by brass bands. It is especially creditable to the musical organization of A Battery that it should perform and perform well such high class music. The solos in the piece just mentioned were exceedingly fine. Staff Sergeant Morgan, Scots Fusilier Guards, and at present instructor in gymnastics to the Military College, followed with a display of science and muscle in the handling of Indian clubs which drew repeated bursts of applause from the lovers of physical perfection among the audience. Later on in the evening Sergeant Morgan performed on the horizontal bar, in which he was assisted by gunner Griffiths, who showed great proficiency in this exercise. The most original and beautiful part of the programme, however, was the double ride and sword exercise of eight artillerymen in command of Sergeant-Major Clarke. The horses seemed to be part of their masters and endowed with their intelligence, and the ease and grace with which they went through their evolutions were wonderful. This was succeeded by Rossini's "Semiramide," which, as well as the "Interpational" medley at the close, was played in the excellent style which has made Kingstonians proud of the "A" Battery Band. The only other feature was the gun drill, mounting and dismounting a brass field gun. This was performed with a celerity and despatch which astonished the natives and demonstrated the perfection which is reached by practice. The audience of about 600 who were present went away well pleased with the entertainment, and we believe that in response to numerous requests the Battery men have consented to give a matinee at an early period for the benefit of ladies and children.

HEAVY THUNDERSTORM.—Last night a very heavy thunderstorm prevailed in this neighbourhood. From an early hour in the evening the lightning flashed brilliantly, reaching its worst between ten and eleven o'clock. The sky then became overcast, and distant thunder was heard. The rumbling sounds gradually approaching nearer, until about midnight when the storm burst with great fury right over the city. Rain poured in torrents for some time, thoroughly saturating the ground. The only damage done, so far as we have heard, occurred in the Dominion Telegraph Company's Office, Ontario street. About twelve o'clock a flash of lightning entered the office, and destroyed two instruments, completely severing the connecting wires. Fortunately the disaster was discovered almost immediately and the alarm given. The office was on fire, but a couple of pails of water put it out. There was no interruption of business. The damage will amount to about $50. Mr C. McSorley, cabman, saw the lightning enter the telegraph office and at once gave the alarm. His promptitude saved a large amount of property from destruction.

POLICE COURT CHANGES.—Workmen were to-day engaged in opening the doorway between the old City Registry Office for the convenience of the City Solicitor, who is to occupy the office. This will be a great advantage in Mr Agnew's conducting the city business.

SYDENHAM STREET CHURCH.—The tenders for frescoing and upholstering the Sydenham Street Church have been decided. Messrs T. Savage & Sons are to do the frescoing and Messrs J. W. Brown & Co. the upholstering.

The Orange Institution.

GRAND LODGE.—The date of the annual meeting of the Grand Lodge of British America, which will this year be held in the city of St. John, New Brunswick, has been changed from Tuesday, June 4th, to Monday June 3rd, at 2 p.m. Arrangements have been made with the Grand Trunk and Intercolonial Railways, for return tickets good from May 25th to July 1st, and arrangements will be made with other Railroad Companies for reduced rates of fare. Tickets issued between May 25th and 31st can be used only between the 30th May and 2nd of June on the downward journey.

ORANGE GRAND LODGE OF ONTARIO WEST.—A special meeting of the Orange Grand Lodge of Ontario West is called by the Grand Master to meet in Toronto on the 16th instant. It is understood that the object of the meeting is to consider what action should be taken on the reply of the Government to their petition, which is said to have been of a evasive nature.

THE CHRONICLE AND NEWS for the present week was published to day and contains notices of the death and funeral of the late Rev. Dr. Chisholm; Canada at the Paris Exhibition; the Quebec Elections; Inductions at Mill Point and Gananoque; Orations on John Morissey; Montreal Rowdyism; "My Uncle Ben"; lots of poetry for the ladies and local news for everybody. Births, deaths and marriages. The circulation of the CHRONICLE is rapidly increasing. Call at any of the bookstores or at the office and get a copy, price five cents.

BASEBALL.—The adjourned meeting of baseball players was held last evening, when amalgamation was resolved on between the St. Lawrence and Earls. The name of the new club will be the "Limestone City Club." The following players will compose the first nine: Messrs Carson, Dick, O'Neil, Gallivan, Drysdale, R. McMahon, Cliff, Renton and Conway, a very good team indeed. They expect to be playing on the new ground on the 24th of May.

THE PORTLAND ROAD.—A gentleman writes that "The Portland Road from one end to the other is in splendid order."

Rev. Dr. Douglas, President of the Montreal Conference, and Hon. Judge Wilmot, ex-Governor of New Brunswick, have gone as representatives from the Methodist Church of Canada, to the General Conference of the Methodist Episcopal Church South, which met at Atlanta, Ga., last Wednesday.

☞ The occasional "hotel grumbler" is not a rarity, but there are few hotels that give the almost universal satisfaction both in rates and accommodation, that characterizes the Grand Central Hotel, New York. It is concededly the best kept and most popular among all its rivals.

Unlike other cathartics, Dr. Pierce's Pellets do not render the bowels costive after operation, but, on the contrary, they establish a permanently healthy action. *Being entirely vegetable*, no particular care is required while using them. Sold by druggists.
