London, Jan. 27.—Mr Otway, M.P. for Chatham, addressed his constitutents last night upon political affairs. He expressed the opinion that the state of Europe was pregnant with complications which might lead to war. He also discussed at great length the Alabama question, and in the course of his remarks said that if the claim of the United States was not granted, war between England and that country would become a necessity. He added that the blunder of the English government might become the cause of future discussion at home, and deprecated the honours which have been conferred on the negotiators of the treaty of Washington.

An extraordinary scene occurred in the Spanish Senate yesterday. On the dissolution of the Chamber violent speeches were made, and a republican named Arbassurga declared that the King had betrayed the country, and nothing was left but barricades. Great crowds were outside the building, and the military were under arms. The popular excitement is intense and trouble is feared.

This report contains much valuable information, relating to the progress of education in Ontario.

The Hamilton *Spectator* referring to the report, says that compared with the other cities in Ontario, Hamilton leads in the proportion of her school population attending school, as well as the percentage of average attendance, as will be seen by the following statement:

	School pop.	Number attending.	Average attendance.
Toronto	13,333	9,759	4,639
Hamilton	5,800	5,756	3,604
Kingston	3,600	3,207	1,730
London	4,160	3,997	2,215
Ottawa	5,000	3,797	1,650

Thus it appears a little over 73 per cent. of Toronto's population attended school, 98 of Hamilton's, 89 of Kingston's, London's 95, and Ottawa's 75. The average percentage of attendance of those attending school was, in Toronto over 48 per cent., Hamilton nearly 63, Kingston over 53, London over 56, and Ottawa less than 44.

DOMINION OF CANADA

The death is announced of Lieut.-General Sir Edward Macarthur, K.C.B., Colonel of the 100th Regiment.

The Montreal *Herald* states that Colonel Bergin has been named as a candidate in opposition to Mr Sandfield Macdonald at the next general election for the Commons.

Mr Ebenezer Anderson, oldest son of the postmaster of Wyoming, died very suddenly on Wednesday evening while out in the barnyard feeding the cattle. He was evidently seized with a fit, as when found he was unconscious, in which state he remained until death, which occurred in an hour or two afterwards.

A move was made to have the Dunkin temperance by-law carried in North Fredericksburgh this year, but through, some mistake in drafting the same, it will have to be laid over till next year.

The votes of the electors of Napanee will be taken on Monbay next on the proposed by-law prohibiting the sale of spirituous liquors within the corporation. Both sides have canvassed the town, and both sides seem confident of success.

The Lindsay Railway Committee have decided to support Mr Laidlaw's scheme granting the Lindsay, Fenelon Falls, and Ottawa River Railway connecting with the Port Perry and Nipissing Railway, a bonus of $60,000. The workshops and free warehouses to be at Lindsay.

The Ottawa correspondent of an Eastern paper mentions the name of Hon. Senator Macpherson as the probable successor of Mr Howland in the Gubernational chair of Ontario; in Quebec, it is thought, M Cauchon, the Speaker of the Senate, has designs on Governor Belleau's plush breeches and silk stocking.

Mr Wm. Smith, Deputy Minister of Marine and Fisheries, received a letter to-day from Witney, England, asking for fuller information about Canada, and saying that there are any number of agricultural laborers in that vicinity earning only nine shillings a week now, who would gladly come here if they knew something about the country.
