The Intended Visit of Queen Victoria to Germany.

Presentation of an Address to the Prince of Wales.

Serious Riot at Killarney.

Liverpool, Feb. 28.—The steamship Parthia, damaged yesterday by collision, will be detained some days for repairs.

London, 6 a.m., Feb. 29.—It is reported that Queen Victoria is going to Germany, to visit her daughter, the wife of the Prince Imperial.

The Lord Mayor to-day presented an address to the Prince of Wales.

There was some rioting at Killarney to-day on the arrival of the Member of Parliament for Kerry. The mob commenced to pelt the police with stones, when the riot act was read and the police prepared to charge with fixed bayonets. The mob was finally dispersed and order restored. Nobody was seriously injured.

London, Feb. 29.—The pressure of the immense mass of people who collected to view the Royal procession on Tuesday last and the fall of two stands whereon people had congregated to view the demonstration were attended with much more calamitous results than at first supposed. It is now learned that five persons were killed, and thirty injured. The wounded were conveyed to various hosppitals in the city, and are being properly cared for.

The *Times* this morning again discusses the Alabama case and the claims of the United States government, and says England will pay nothing save what she is required to pay in obedience to the decision of the Geneua Tribunal of arbitration. She has never dreamed of offering any composition of the difficulties outside of the treaty. If the treaty is a failure it is the fault of the American government.

Paris, Feb. 26.—The Committee on capitulation of Nation Assembly is still engaged in examining into the facts connected with the surrender of the fortifications of Metz by Marshal Bazaine during the late war with Germany. A delegation from the Municipal council of Metz has arrived in Paris *en route* to Versailles, where they intend to testify against the Marshal. The committee will hear the testimony of the delegation on the fifth of March.

Brownsville, Texas, Feb. 28.—A meeting of prominent stock raisers in Western Texas is called to meet here for the purpose of terminating the serious depredations which have been lately committed. In the absence of support from the government they will advocate the protecting of themselves by making reprisals. The feeling is very bitter here.
