NEW YORK DESPATCHES

New York, June 21.—The conference at the Fifth Avenue Hotel, after a session of three hours, to-day nominated Wm. S. Gollsbeck, of Ohio, for President; and Fredrick Law Olmstead, of New York for Vice-President of the United States.

New York, June 22.—A special to the *Herald* from Geneva says that it has at last transpired that the question of indirect claims has been definitely settled, the American agent and counsel having been instructed by their Government to declare that the Government of the United States did not seek a money award for indirect losses, but only desired a settlement of the principle Lord Tenterden, on the part of his government called the attention of the court to the seventh article of the treaty, which gives the arbitrators only authority to consider claims in relation to money award, and submitted that since the United States government declared they did not seek money award for these classes of claims they could not be properly entertained by the court. The American counsel thereupon demanded judgement on this issue by the court. The court took time for its decision, but it is known to have decided in favour of the point raised by Lord Tenterden and against the admissibility of indirect claims. This judgment will be delvered it is said, when the court meets on the 26th inst., and it is reported to be acceptable to both governments. All the members of the court have left for Chamoinex. They intend returning on Monday or Tuesday next, when the Counsel on both sides will exchange the results of their instructions, and arrange the order in which the business will proceed. During the interval, Earl Granville will negotiate with Secretary Fish on the subject. It is believed that when the arbitrators meet again the sittings will be public.

New York, June 22.—A fire broke out this morning in a drug store on Liberty street, while the firemen were attempting to extinguish the flames, an explosion took place, which injured twenty or twenty-five of them. Some of the wounded will lose their eyesight. It is believed all will recover.

An English exchange says that our distinguished countrywoman, Mdll. Albani, the now famous cantatrice, had the honour of singing at the state concert, given at Buchingham Palace, by command of the Queen on the 5th instant, before the Royal Family and a distinguished company.

Dominion of Canada.

The Canadian Wimbledon Team sails today from Quebec, on the same vessel with Lord Lisgar.

It is expected that the Hon. Wm. McDougall will accompany Lord Lisgar to England, sailing from Quebec on Saturday, for the purpose of negotiating the Canadian Railway and Canal Loans on the London markets. It is stated that Mr McDougall will be assisted by Sir John Rose.

THANKSGIVING DAY.—The Synods of the Church of Scotland, and of the Canada Presbyterian Church, the Wesleyan Methodist Conference, the Congregational Union and Bible Christain Conference, have all agreed to observe the 14th of November as a day of thanksgiving. The Church of England will probably adopt the same day. The Synod of the diocese of Montreal having already done so.

ROYAL SCARLET CHAPTER.—The Illustrious Order of the Royal Scarlet Chapter for Picton District was opened in due and ancient form in L. O. L. Room No. 1013, Northport, on the 14th inst. The following is a list of the officers for the current year: H. C. Cronk, Comp. in Command; Thos. E. Young, Dpt. Comp. in Command; W. Boulter, Comp. Registrar; Jas. Mosgrove, Comp. Treasurer; John Fraser, Comp. Sir H.K. at arms; Joseph Wessels, Comp. Tyler.

NORTH RENEREW.—Sir Francis Hincks has announced his intention of again becoming a candidate for this Riding. Mr Fraser, of Westmeath, and Findlay are spoken of as his opponents. Mr Fraser is deservedly popular, and the contest will be keen and animating. It is difficult to speculate on the result.—*Almonte Gazette.*

SOUTH AFRICAN CLERGYMAN.—Natal papers state that, on the 24th of December, the Bishop of Maritzburg ordained three deacons, two of whom were natives carefully trained under the Rev. Dr. Callaway. They are described as the first native ministers ordained in the Church of South Africa, with the exception of one, who was ordained by the late Bishop of Grahamstown, but who died about six months after his ordination.

SOUTH RENFREW.—Mr J. L. McDougall is in the field, and Mr John Brown, of White Lake, has announced his intention of opposing him. The meeting to take place at the Town Hall in the township of McNab, on the 29th inst., will have a great influence on the election. Mr Brown has always been a Liberal Conservative, and will no doubt support the Government.—*Almonte Gazette.*
