CABLE NEWS.

(Special Despatch to Daily News.)

London, June 25.—The storm which prevailed yesterday afternoon was most severe in the midland counties, where at some points the fury of the tempest was without precedent. The storm was particularly destructive in Stafford county. The station of the London and North Western Railway and a number of other buildings were completely wrecked. Many buildings and trees at other points were struck by lightning. Between the towns of Stafford and Wolverhampton the crops are prostrated and destroyed.

Liverpool, June 25—Arrived, the steamers Algeria, City of Brooklyn, Atlantic, and Assyria, from New York.

NEW YORK DESPATCHES

New York, June 24.—A Washington special says the State Department received despatches from George Holt, our Consul at Gaspe Basin, Canada, to the effect that the captain of the Dominion cutter Stella Marie captured the American schooner James Bliss, for alleged violation of the Dominion laws, and brought her into port with the Dominion flag flying at the peak over the American flag, which was down. Our Consul protested against the insult, but it was repeated, and it is understood the action was sanctioned by the highest Dominion authorities.

Boston, June 24.—The Oratorio day passed off agreeably to the strictly musical portion of a moderate audience. The remainder of the audience were wearied of the 36 airs and choruses, unrelieved by the popular elements. "Israel in Egypt" was well sung by a chorus of twelve hundred. President Grant will be the attractive feature of to-morow, and all the attractive features of the past week's programme will be performed.

New York June 25.—A London special gives a review of the great strike of the London building trade, demonstrating that as the result of seventy years of agitation in 1858 a demand was made by the men for a reduction in the hours of labour from ten hours a day. In 1859 a memorial, numerously signed, and presented to masters. A short struggle ensued and the masters obtained the victory to be united.

Matamoras June 24.—Saltillo dates to the 18th ~~inst have been~~ received. General Rocha, with three thousand Government troops, had reached that place from Sinaloa uniting with General Zniero and Colonel Leurillo, forming an army of five thousand men to advance on Monterey where Quieroga and Trevino, with the revolutionists are intrenching. The revolutionists are supposed not to exceed four thousand men at Monterey, while the government forces unser Generals Rocha and Cevallos, approaching from opposite directions, will amount to about eight thousand. A decisive conflict is eminent at Montery with numerical strength loyally on the side of the Government under the command of Gener- Rocha, a most enterprising and successful officer.

New York, June 25.—Arrived, the steamer Housa, from Bremen.

The Parkill *Gazette* says Mr Oswald Belfare, farmer of East Williams, has had the good fortune to outlive a wealthy relative, who has left him the interest, for his life-time, of $8,000. They say it is better to be born lucky than rich.

ARRIVAL OF THE NEW GOVERNOR GENERAL.

Quebec, June 24.—The steamer Prussian, with Lord Dufferin on board, passed Father Point at 7 p.m., and will reach this city about 10 o'clock to-morrow morning. His Excellency will be met here by Sir Hastings Doyle and Col. Fletcher, Lieut.-Governor Belleau, the Ministers in town, namely, Sir John Macdonald, Sir F. Hincks, Hon. Messrs Langevin and Chapais, and the President and Council of the Board of Trade, who will present an address, and the Mayor and other members of the corporation.

A guard of honour, with the band of the Dominion Artillery, will be drawn up on the wharf, and a salute will be fired from the citadel.

Lord Dufferin will be sworn in as Governor-General, and Sir Hastings Doyle, who is now acting as administrator, will hand over the seals of office to him. The corporation and the St. Patrick's Society will present addresses to his Excellency before his departure from the city.

The subsequent movements of his Excellency are not determined upon, but it is probable that he will remain here one day and then go west.

Lieut.-Gov. Belleau gave a dinner this evening, at Spencer Wood, to Sir Hastings Doyle and the members of the Cabinet in town, in honour of St. Jean Baptiste day.

THE PRESCOTT CAMP.

The Brigade consists of the following corps, viz. the 18th battalion; Lt.-Col. Shields; the 41st battalion; the 42nd battalion, Col. Buell; the 43rd Battalion, Lt.-Col. Bearman; 56th Battalion, Lt.-Col. Jessup; the 59th, Lt.-Col. Bergin; the Prescott Cavalry Troop, Capt. Walsh; the Ottawa Cavalry Troop, Captain Sparks, and the Ottawa Field Battery.

Brigadier, Lt.-Col. Jackson; brigade major, Major D. A. McDonald; supply officer, Capt. Butler; field musketry instructor, Capt. Weatherly; orderly officer Capt. Wells; camp quartermaster, Lt. Jones; Aide-de-camp, Mr Supple.

The Camp is on the same ground as last year, being on the east of the town. The situation is both healthful and agreeable, commanding a fine view of the St. Lawrence River in front, and having a pleasant landscape, skirted by the Grand Trunk Railway in rear. Sheds 700 feet long, for the accommodation of the cavalry horses, have been erected near Fort Wellington, at the expense of the corporation. The water for the camp is also supplied at the expense of the town. It is brought from the river in carts, and requires the service of several men and horses the whole of each day.

Dominion of Canada.

Houses have been engaged at Riviere du Loup for the residences of Lord Dufferin, Sir John A. Macdonald, Hon. Mr McGreevy, and Mr Sandford Fleming during the holidays.

It is announced that the notorious John O'Farrel, of the *Irish Sentinel*, is to oppose Hon. Mr McGreevy in Quebec West! What has that constituency done that it should be so afflicted.—*Ottawa Citizen.*

Our contemporary the Whitby *Chronicle* having recently been considerably enlarged, and dressed in new type, makes a much improved appearance. The *Chronicle* is an ably conducted paper, and we are glad to see this evidence of its prosperity.

The Markham *Economist* says:—"Mr George Miller, of Markham, sold to John Hallam, of Toronto, on Tuesday last, eighty fleeces of wool, for which he realized $561.09, averaging over thirteen pounds to the fleece. Can this yield be beaten?

The Customs Department to-day received intelligence of the death of no less than four of its officers, viz., of Mr Macpherson, Appraiser at Toronto; of Mr Fletcher, Tide Surveyor of Montreal; and of a Landing Waiter and Searcher, at Gaspe and Amherstburg.—*Ottawa Citizen.*

The people of Peterborough have made preparations for a grand reception to be given to Hon. Sir John A. Macdonald on his visit to that place on the 9th July next. The *Review* promises that it will be the greatest demonstration of the kind that has ever taken place in that county.

On Thursday night a political meeting was held at Taylorsville, at which Dr. Grant received the unanimous support of the electors present. The Hon. Malcolm Cameron came out as a thorough going Grit. The feeling in Russell is altogether in favour of the Ministerial candidate.

We learn that Mr David Ford Jones, who represented South Leeds in the old Canadian Assembly, is about to come forward as a candidate for the New House of Commons against Hon. A. N. Richards, the nominee of the Grit purists. Most heartily do we wish Mr Jones a signal victory.—*Ottawa Citizen.*

The resolution of the Rev. E. H Dewart to the editorial chair of the *Christian Guardian*, is highly commended by the press. Mr Dewart fills the chair with great credit to himself and great benefit to the church. The *Guardian* is one of the best religious papers we know of.

Mr R. H. Wilson, photographer, of Whitby eloped a few days ago with the wife of a merchant, who is said to have been handsome. When beauty robs virtue of its graces, the depth of perfidy that may follow can never be fathomed. Mr Wilson's creditors are more anxious about him than the woman's husband concerning her.

A special despatch from Mitchell informs us that Mr Joseph Kidd, of Carrouhrook, has been nominated by the Conservative Convention for south Perth. Mr Kidd is a popular man and will easily carry the Division.

A telegram from St. Johns, Newfoundland, June 22nd, says: "The Gaspe mail steamer Picton, of St. John's, was lost off St. Peter's yesterday. The mails and passengers were saved, and are coming per steamer Albambra.

Mr Christopher Lee, aged eighty-four years, lately from Kingston, residing with his niece at Point St. Charles, was found dead in his bed. His wife died a few weeks ago, after having lived with her husband for sixty years.

A telegram from Oswego, 21st June, says: "The schooner Jamaica, bound from Milwaukie to this port with wheat, capsized and sunk in deep water on Lake Huron. The crew, with the exception of the cook—a woman—were saved.

A telegram June 21st, says: "There are 108 ships and one hundred and twenty thousand tons more this year, twenty-seven steamers and fifteen thousand five hundred and eighty-four tons more this year in port.

On Saturday afternoon about two o'clock, two little girls aged five and seven years, the former a daughter of Mr J. T. Grange, M. P. of Napanee, the other of Mr Thos. Grange were drowned in a pond while bathing at Grange's mills. Great sympathy is expressed for the bereaved parents.

A serious accident occurred at Prescott on Friday by which a man named John Bradly came near loosing his life. He was walking through La Batt's brewery, and his foot slipped and he fell into a vat of boiling water up to his neck. He is not expected to live many hours, as his flesh is coming entirely off.

We are glad to learn ~~that to-day~~ new and elegant Pullman palace cars will commence running to Cacouna, via Quebec, the trains leaving Montreal each morning at half-past eight o'clock. This announcement will be gratifying to those whose good fortune it is to be able to visit our Canadian water places.—*Montreal Gazette.*

On Thursday evening as Mr. Christopher Switzen, of Ernestown, drove into town and when near the bridge, one Charles Smith, got into the buggy witn him, and immdiately entered into conversation, and as they reached the town, Smith proposed to hold his horse, whilst he went into several of the shops to do some business. At Mr. Embury's he purchased a bag of flour, placed it in the buggy, and drove to Mrs. Scuryver's grocery, where he left the horse and buggy in possession of Smith, when he returned to the street, the horse buggy and Smith had disappeared. No tidings of the horse and buggy were received until a late hour in the evening. Mr. Switzer applied to the Mayor for assistance to find his lost property. Mr. Allen Chief of Police, got on the trail of Smith, and we have just learned that he has succeeded in finding the horse and buggy at Odessa. It is to be hoped that he will also succeed in catching Smith, for he is deserving of being indentured out at the public expense to learn a trade.
