☞ Single copies of the DAILY NEWS may be had at the counter of the publication office, Princess Street. Price two cents.

The death is reported of a gentleman of Abbotsham, near Bideford, at the age of 99. Deceased leaves four daughters and three sons, 45 grandchildren, and 90 great-grandchildren.

A smashing argument against church music was used at a late meeting of the Irish Presbyterian Synod in Belfast. Attention having been called by the pro-music party to the passage in the Book of Revelation where the "Elders" are described as having harps in their hands, a certain Rev. Mr Robb, with all possible gravity and seriousness, remarked that, even so, they couldn't play on them, because each Elder held in addition a "golden vial full of odours." Where would the odours go to if they tried to play?—so there was no use bringing that up. The report says that this novel argument convulsed the assembly with laughter; but we are sure that no amount of laughter would convince the author of such an argument that it was not perfectly sound.

The New York *Home Journal* says: "The story of Mr Greeley's white coat and hat will not hold good as to the present time. The candidate for White House honours passed the *Home Journal* office on Monday last, wearing, as is his habit of late years, a black dress-coat, black trousers, single-breasted black velvet vest, black silk neckerchief, and a dark brown straw hat; the latter somewhat the worse for wear. He seemed not to know that he was the observed of all observers, but walked along in his slipshod, easy way, like a man who cares more for what he is than for what he looks like."

IMPORTANT TO ADVERTISERS.—The attention of advertisers and persons in business is called to the superior advantages presented by the DAILY NEWS and weekly CHRONICLE AND NEWS as media for advertisements intended to gain the widest publicity in the city of Kingston and the large district of which it is the centre.

THE DAILY NEWS is universally read, and is by far the best and cheapest medium for giving publicity to advertisements in this locality.

THE CHRONICLE AND NEWS is the weekly edition of the DAILY NEWS. It has an immense circulation in the Counties of Frontenac, Lennox and Addington, Prince Edward, Hastings, the two Ridings of Leeds, and along the whole St. Lawrence front. Notices intended to reach the country population in the above counties should be published in this the oldest paper in the district. Established in 1810.

Advertisers in the DAILY NEWS have names placed in the Business Directory of the CHRONICLE *gratis*. By this means they are brought under the notice of many thousands of readers.

The Dominion proprietors of Depew's Medical Victory certainly deserve great credit for introducing into this country a Real Blood Purifier, which, for the cure of Scrofula and every kind of Humor, is really without a single parallel in the whole history of medicine. The radical cures made by Depew's Medical Victory in cases of Dyspepsia, Liver Complaint, and diseases peculiar to females, are surprising to all, and to those suffering from Costiveness, Kidney Diseases, or General Debility, it is worth its weight in gold.—*Adv.*

The cathartics used and approved by the physicians comprising the various medical associations of this country are now compounded and sold under the name of Parsons' Purgative Pills.—*Adv.*

We copy the following from an exchange, which is important, if true:—"Chronic diarrhœa of long standing, also dysentery and all similar complaints common at this season of the year, can be cured by the use (internally) of Johnson's Anodyne Liniment. We know whereof we affirm.—*Adv.*

To persons employed in constant mental toil, study or anxiety, Fellows' Compound Syrup of Hypophosphites is specially adapted, namely to Teachers, Clergymen, Editors, Lawyers, and impecunious business men.—*Adv.*

NEGLECTED COUGHS AND COLDS.—Few are aware of the importance of checking a Cough or Common Cold in its first stage; that which in the beginning would yield to Brown's Bronchial Troches, if neglected, often works upon the lungs.—*Adv.*

The world moves, but not so fast as the reputation of the Cable Screw Wire Boots and Shoes. All pronounce them superior to any other kind. Try them.—*Adv.*

**A Chemical Food and Nutritive Tonic.**

THE great popularity of Dr. WHEELER'S COMPOUND ELIXIR OF PHOSPHATES and CALISAYA is, owing to its perfect reliability in building up constitutions run down with diseases of the stomach, liver, and kidneys, which arise from dyspepsia or feeble digestion, and result in poor blood and breaking down of the general health. It effectually relieves pain or a sense of fulness in the stomach after eating, heart-burn, flatulence, constipation from torpid liver, bilious headaches, irritation of the kidneys and bladder from the red deposit in the urine, irritability and restlessness followed by nervous prostration and general debility which invariably arise from one common cause—dyspepsia or feeble digestion. All those delicate constitutions that lack energy and vitality, and are unable to arouse themselves to any exertion or undergo any fatigue, will be astonished at the rapidity with which the whole system is raised out of this prostrate condition and energized and vitalized under the use of this preparation. It is harmless, delicious, does not lose its effect, and is not followed by a relapse. Sold at $1.
