THE NORTH-WEST TERRITORY.

THE GOVERNMENT REGULATIONS CONDEMNED—A FRUITFUL SOIL—MANITOBAN EXPRESSIONS.

A correspondent of the Brighton *Express*, writing from Gladstone, says: Lands can be obtained in a day's travel (to and from) of the contemplated railroad. "Rusticus," in the Montreal *Witness*, seems to think that the regulations made by the present Government would not affect the country much, but let him go through the partly settled townships and take the voice of the people of either side of politics and he will find the vast majority a dissenting voice they condemn the shutting up the land beyond the reach of small capitalists or farmers. I don't not that he will find many persons in Manitoba who have succeeded in securing large tracts of land, and who now wish to sell them who would support the land lock, but they are not going to build up the country. They want liberal measures in land matters not altogether from a Manitoba point of view, but as a portion of our grand Dominion, to open up our lands and to find exits for their grain to the markets of the world.

The soil is varied but chiefly consisting of a fine black vegetable mould of from 3 to 6 feet deep lying upon a thin layer of fine sand and gravel from 4 to 6 inches in depth underneath which lies a thick body of clay. Wheat yielded from 25 to 40 bushels per acre; oats from 35 to 60; barley from 40 to 60; potatoes from 200 to 600 and turnips and carrots in proportion to the above. Many farmers in Ontario think that we have only a prairie without wood and water but for the present we have plenty of wood within easy reach and small rivers within short distances of each other.

Most of the houses erected are made of logs flattened and dovetailed at the corners and covered with thatch. A house properly thatched is far warmer and more secure than one that is shingled. There are a few frame houses and fewer brick. The day is not far distant when most of the buildings will be of brick and our fuel coal.

The spring and summer of this year has been the wettest within the memory of the oldest inhabitant, but the fall has been magnificent.

For stock raising this country excels any that I have ever seen, plenty of natural grass supplying grand pasturage during the spring, summer, and most of the fall and furnishing meadows from which plenty of hay can be cut to feed all the cattle at a very small cost. Not a calf is killed here, they bringing when only a few days old $5 a head.

There has been considerable agitation among the inhabitants of Western Manitoba and the Eastern part of the North-West to have the Province of Manitoba extended so as to take in the settlement as far West as the Little Saskatchewan, but the people of the North-West are very much afraid if they yield to annexation the prohibitory liquor law that we now enjoy will be quashed and that we will be brought under the liquor law of Manitoba, and that is what they do not want as many of our strong Temperance Advocates have chosen the North-West in preference to Manitoba just on account of Temperance Prohibition. If some of our weak-kneed temperance people who do not believe that proper accommodation can be kept without the sale of liquor to back it, would take a journey up North-West call at the Hotel at Gladstone and go on West they would find there theories did not agree with the practice.

COSTIVENESS.—Thousands of human beings pass through life oppressed by dyspepsia and many ailments, traceable directly to a chronic constiveness. The best remedy for this affliction is to pay proper attention to diet; let it be moistening and laxative, such as roasted apples and pears, gruels, broths, etc. The bread should be of unbolted wheat flour or rye and Indian meal. An occasional dose of DR. HERRICK'S SUGAR COATED PILLS produces a change in the biliary secretions, promoting evacuations, moderate and healthful, and these followed up by the above recommended diet, will effect a radical change in the state of the bowels, and the discharges will become regular and properly frequent. Rise early, exercise freely, if attainable, bathe frequently, and rub the region of the bowels well every morning. When attacked by colds, a costive habit is apt to induce feverish symptoms in the region of the stomach, extending to the head, and oppressing the respiratory organs. By bathing the feet in warm water, into which mustard and salt have been dissolved, and taking a dose of these sugar coated pills, the effects of the colds are speedily removed. Whether actively sick or constitutionally costive a recourse to these pills is always beneficial.

STOP THAT COUGH.—If you are suffering with a Cough, Cold, Asthma, Bronchitis, Hay Fever, Consumption, loss of voice, tickling in the throat, or an affection of the Throat or Lungs, use Dr. King's New Discovery for Consumption. This is the great remedy that is causing so much excitement by its wonderful cures, curing thousands of hopeless cases. Over one million bottles of Dr. King's New Discovery have been used within the last year, and have given perfect satisfaction in every instance. We can unhesitatingly say that this is really the only sure cure for throat and lung affections, and can cheerfully recommend it to all. Call and get a trial bottle free of cost or a regular size for $1.00. J. G. King, Successor to E. H. Parker, Market Square Kingston.

CHOLERA INFANTUM.—When the poor little fellow wakes up in the middle of the night, away from physician and friend, and you suddenly feel that his Spirit is about to depart before morning, and all your cherished plans frustrated, how helpless you feel. Take our advice, go buy a bottle of Perry Davis' Pain-Killer, and you have a remedy at hand you can safely rely upon. Do not neglect so important a duty.

THE piquant and charming actress, Miss Marian Mordaunt, of the Broadway Theatre, New York, was taken suddenly with a severe hoarseness—was unable to perform; a friend recommended Giles' Liniment Iodide Ammonia; the cure was rapid and complete. Giles' Pills cures Suppression. Sold by all druggists. Send for pamphlet. Dr. Giles, 120 West Broadway, N.Y. Trial size 25 cents.

BUCKLEN'S ARNICA SALVE.—The best Salve in the world for Cuts, Bruises Sores, Ulcers, Salt Rheum, Tetter, Chapped Hands, Chilblains, Corns, and all kinds of Skin Eruptions. This Salve is guaranteed to give perfect satisfaction in every case or money refunded. Price 25 cents per box. For sale by J. G. King, successor to E. H. Parker.

Dr. Harris, of Middlebury, Vt., says: "I had been troubled with Bronchitis for two years, so affecting the organs of speech that I could not speak aloud for six weeks. I had with it a severe cough and cold night sweats. I took two bottles of Allen's Lung Balsam and am entirely cured.

MONEY IS TIGHT.—And when was it ever otherwise? The oldest man cannot remember. People are grumblers—all grumble—ministers and laymen complain. Well, then, 'times are dull, and money is tight,' but haven't you got enough to buy a bottle of SOZODONT, to keep your teeth clean, and mouth sweet, and help you enjoy life.

Fellows' Syrup of Hypophosphites supplies matter for bone and blood, rendering it highly beneficial for feeble children.

Benson's Capcine Porous Plaster.

The only Improvement ever made on the Common Porous Plaster
Over 2000 Druggists have signed a paper stating that
BENSON'S CAPCINE POROUS PLASTERS
are superior to all other plasters
PRICE 25 CENTS. SEABURY & JOHNSON, Pharmaceutical Chemists.

Why Will You

Allow a cold to advance in your system and thus encourage more serious maladies, such as Pneumonia, Hemorrhages and Lung troubles, when an immediate relief can be so readily attained. BOSCHEE'S GERMAN SYRUP has gained the largest sale in the world for the cure of Coughs, Colds and the severest Lung Diseases. It is Dr. Boschee's famous German prescription, and is prepared with the greatest care, and no fear need be entertained in administering it to the youngest child, as per directions. The sale of this medicine is unprecedented. Since first introduced there has been a constant increasing demand and without a single report of a failure to do its work in any case. Ask your druggist as to the truth of these remarks. Large size 75 cents. Try it and be convinced.

NO RISK.

Thomas' Eclectric Oil! Worth Ten Times its Weight in Gold. Do you know anything of It! If not, it is time you did.

Pain cannot stay where it is used. It is the cheapest medicine ever made. One dose cures common Sore Throat. One bottle has cured Bronchitis. Fifty cents worth has cured an Old Standing Cough. One or two bottles cures bad cases of Piles or Kidney trouble. Six to eight applications cure any case of Excoriated Nipples or Inflamed Breast. One Bottle has cured Lame Back of eight years standing. Daniel Plank, of Brookfield, Tioga Co., Pa., says: "I went thirty miles for a bottle of your Oil, which affected a wonderful cure of a Crooked Limb, by six applications.—Another who has had Asthma for years, says: "I have half a bottle left, and $100 would not buy it if could get no more."—Rufus Robinson, Nunda, N.Y., writes: "One small bottle of your Eclectric Oil restored the voice where the person had not spoken above a whisper in Five years" —Rev. J. Mallory, of Wyoming, N.Y., writes: "Your Eclectric Oil cured me of Bronchitis in one week."

It is composed of Six of the best Oils that are known. It is as good for internal as for external use, and is believed to be immeasurably superior to anything ever made. It will save you much suffering and many dollars of expense.

BEWARE OF IMITATIONS.—Ask for Dr. Thomas' Eclectric Oil. See that the signature of S. N. Thomas is on the wrapper, and the names of Northrop & Lyman are blown in the bottle, and take no other. Sold by all medicine dealers. Price 25c. NORTHROP & LYMAN, Toronto, Ont., proprietors for the Dominion.

NOTE.—*Eclectric*—Selected and Eclecsrized.

RINGWORM AND OLD CHRONIC SORES, of previous origin, or resulting from whatever cause, yield to the *American Eye Salve*. It is used successfully for Piles. Its soothing effect is immediate, and a permanent cure requires but a few applications. The proprietors of "Dr. J. Pettit's American Eye Salve," while making new and improved machinery for making a more perfect Box for the Eye Salve, have changed the Trade Mark on the cover so as to correspond with the Cut on the Wrapper, Circulars, Advertisements, etc. We call attention to this, as it might otherwise be regarded as counterfeiting. Pettit & Barker, Proprietors, Fredonia, N.Y. Northrop & Lyman, Toronto, Agents for Canada.

MITCHELL'S BELLADONNA IMPROVED INDIA RUBBER POROUS PLASTERS are acknowledged by all who have used them to act quicker than any other Plasters they ever before tried, and that one of these Plasters will do more real service than a hundred of the ordinary kind. All other Plasters are slow of action, and require to be worn continually to effect a cure; but with these it is entirely different; the instant one is applied the patient will feel its effect. They possess all the soothing, warming, supporting and strengthening qualities of all other Plasters. Prepared by G. E. Mitchell, Lowell, Mass. Sold by all Druggists, and wholesale by Northrop & Lyman, Toronto

PATENTS

Gained for new inventions, or for improvements in old ones. Caveats, Trade Marks and all patent business promptly attended to.

INVENTIONS THAT HAVE BEEN REJECTED may still, in most cases, be patented by us. Being opposite the U. S. Patent Office, and engaged in PATENT BUSINESS EXCLUSIVELY, we can secure patents in less time than those who are remote from Washington, and who must depend upon the mails in all transactions with the Patent Office.

When Inventors send model or sketch we make search in the Patent Office and advise as to its patentability FREE OF CHARGE. Correspondence confidential, prices low, and NO CHARGE UNLESS PATENT IS OBTAINED.

We refer to Hon. Postmaster General D. M. Key, Rev. F. D. Power, to officials in the U. S. Patent Office, and especially to our clients in every State of the Union and in Canada. For special references, terms, advice, &c. Address
