**PERSONAL MESSAGE
FROM ANGIE**

*There is work and there is passion,
my career was my life's work.
The kind that had over 100,000
hours of experience dedicated to
it. Dedicated to clients I sacrificed
weekends for with pleasure. My
career added up to something big
and it happened in Georgetown!
My success is attributed to the
3,000 Buying and Selling clients
that called to have me represent
their needs, emotions and sale of
their most valued asset, their home!
Thank you Georgetown for the year
off, I am honoured to be back!*
