PRACTICAL EXPERIENCE
BETTER THAN
EXPERIMENTAL SCIENCE.
HOLLOWAY'S OINTMENT.

ACCLAMATION FOR THE SUFFERING.

Ninety fifty years continual use in every part of the habitable globe, amongst the wise and civilized alike, has proved that no eruptions, open sores, hard tumors, malignant developments of all kinds, abscesses, contracts and wounds, yield to each and every species of inflammation and complaint, whether in the skin, the flesh, the glands, or among the muscles, can be healed and permanently cured, without danger, by rubbing in, and using as a fomentation, this inestimable Ointment.

ERYSIPELAS, ERYSIPELAS, AND SALT RHEUM.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Scurvy, of Salt Rheum, Scurvy, Sore Heads, Erysipelas or Erysipelas, can long withstand its influence.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years' standing, that have obstinately resisted to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful ingment.

ERUPTIONS OF THE SKIN,

Arising from a bad state of the blood or humours, are eradicated, and a clear and vigorous surface regained by the rubbing action of this Ointment. It surpasses many of the cosmetics and other fashionable preparations in its power to dispel pimples and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated speedily and entirely by the use of this ointment. Warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Piles, Burns, Chapped Hands,
Fistulas, Fistula, Skin Diseases,
Gout, Dumbago, Rheumatism,
Lumbago, Ringworm, Salt Rheum,
Sore Breasts, Sore Legs, Scrofula or evils,
Sore Heads, Sore Throats,
Coughs of all kinds, Venereal Sores,
Sores of all kinds, Mercurial Eruptions,
Wounds of all kinds, Tetter, Ulcers.

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or selling the same, knowing them to be spurious.

Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots, at 25 cents, 62 cents, and $1 each.

N.B.—There is a considerable saving by taking the larger sizes.

N.B.—Directions for the guidance of patients are affixed to each pot.

It is not too much to Say
SINCE ALL
OLD AND YOUNG,
AFFIRM ITS TRUTH,

That *Professor Wood's Hair Restorative* Will preserve infallibly the growth and restore the hair, if used two or three times a week, to any imaginable age. Perfectly restores the gray, cover the bald with nature's own ornament, the hair; make it more soft and beautiful than any oil, and preserve the scalp free from all disease to the greatest age. Clergymen, Judges, Attorneys, Doctors, Clergymen, Professional men and Gentlemen and Ladies of all classes, all over the world, bear testimony that we do not say too much in its favor. Read the following and judge.

Hickory Grove, St. Charles Co., Mo., Nov. 19, 1857.

Prof. O. J. Wood.—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you to make the facts to report it.

Our little son's head for some time had been perfectly covered with sores, and some called it wild back. The hair almost entirely came off in consequence, when a friend, seeing his suffering, advised us to use your Restorative, and to do with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has not a sign of a scalp, and as luxuriant a crop of hair as any other child. We can, therefore, with hearty recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are yours respectfully,

JOHN W. HUNTSMAN, DAVID A. HUNTSMAN.

Paw Wonder-Dear Sir: My hair had for several years been becoming permanently thin, accompanied by a heaviness which rendered the continual application of oil necessary to its retention. About two months ago I was in that condition, and having seen your Hair Restorative advertised within the last three weeks, it occurred to its natural color, and seemed a thing and more greatly to be preferred to the inconvenience of the application of oils, or any other preparation I have ever used. I regard it as an unpalatable article for every label, whether to be used as a Hair Restorative or for the simple purpose of dressing and preserving the hair. You have permission to refer to me at any time whenever any doubt is entertained of the truth of what is claimed for it.

Mrs. C. Spencer.

Cincinnati, O., Feb. 13, 1858. 114 Third st.

Wonderful Mrs. Dow's, 1857.

Prof. Wood—Dear Sir: By the advice of a friend, who had been using your Hair Restorative, I purchased one bottle. Find the effect to be all that could be desired. My hair is now as thick as it ever was, and I feel very much obliged to you for your valuable preparation. I shall use it in my family, and recommend it to my friends.

Yours truly, A. R. Jackson.

Prof. Wood's Hair Restorative is put up in bottles of 3 sizes, viz., large, medium and small. The large or family size, containing a pint, and retails for one dollar or per bottle; the medium holds at least a half pint, and retails for one dollar; the small holds at least a quarter of a pint, and retails for 50 cents. Be sure and ask for Wood's Hair Restorative.

Prepared by R. P. Wood, Cincinnati, Ohio.

Sold by all Druggists and Fancy Goods Dealers. 1y-dw-228

Bryant's Pulmonic Wafers.

THE MOST EFFECTUAL REMEDY FOR COUGHS, COLDS, ASTHMA, BRONCHITIS, CONSUMPTION, &c.

THE most solemn testimony is given to the wonderful powers of these Wafers, which are so fully established as to place them beyond question. In a very short time after taking the Wafers, the cough is loosened, the lungs are free from phlegm, the night sweats and pain in the side are gone, and the patient is pronounced out of danger. Many who have been given up by their friends and physicians, and have taken these Wafers, are now in good health
