## Concussion Passport to Safe Play

Where every patient is treated  
like an elite athlete

We are here to keep our athletes active  
into their adult years and can offer you:

- Player and Coach Education
- Preseason Baseline Testing
- Balance Assessment
- Sports Medicine Consultation
- Cognitive and ImPACT testing
- Return to Play Protocols
- Follow Up and Collaborative Medical Evaluation
- Step by Step Medical Guidance

When you need concussion assessment  
and follow up treatment, you can be  
reassured that our Concussion Passport  
Guidelines are medically endorsed and  
follow the International Zurich  
Concussion Guidelines.

We are here to treat every patient like  
an athlete, but FIRST they have to be  
medically assessed and treated as a  
patient and more importantly your child.

## BUSINESS

**BUSINESS EXPANSION:** On hand for the ribbon cutting at the grand reopening of the newly expanded Ross Physiotherapy Solutions, located at 318 Guelph St., right next door to the previous clinic, were from left, clinic owner Kristie Millard, Acting Mayor Councillor Bob Inglis and clinic owner Gerry Ross. The new facility is 1,000 sq. ft. larger and the clinic now offers many special programs such as concussion screening and treatment, a spinal compression program and pelvic health and incontinence program. The clinic celebrated 15 years in business in September and has grown to include four physiotherapists, three registered massage therapists and an athletic therapist.
