New-look Eagles set to soar

The Halton Hills Eagles recently celebrated the amalgamation between the Georgetown and Acton minor baseball associations with a festival and new uniform unveiling at the Cedarvale Community Centre.

Rep team members were fitted for their sharp new duds and Town of Halton Hills Acting Mayor Bob Inglis was on hand to observe the ceremony.

The HHMBA has a number of coaching

and umpiring clinics coming up, including NCCP-sanctioned clinics for rep and select coaches this weekend at the Cedarvale Community Centre. House league coaches do not require NCCP certification and anyone interested is asked to contact Fitzgerald at larry.fitzgerald@hhmba.ca

Registration for the house league divisions is tentatively set to begin on March 1. For more info visit the website www.haltonhillsminorbaseball.ca

Raiders tripped up by Trenton

In a matchup of two of the top three teams in the Ontario Junior Hockey League this season, the Trenton Golden Hawks were a step ahead of the host Georgetown Raiders Tuesday evening, picking up a 4-1 win.

The 41-9-2-1 Golden Hawks capitalized on two Georgetown gaffes in the opening period to take a 2-0 lead into the intermission, then added a backbreaker on a power-play tally with just eight seconds left in the middle stanza.

On the night that Raider captain Steve Hladin was presented with his player-of-the-month award for January, the Golden Hawks

limited the OJHL-leading scorer to an assist on Anthony Marra's second-period marker and few quality chances.

The 36-8-3-5 Raiders have just two games left in the regular season and have sewn up top spot in the league's South/West Conference, but have lost three of their past four starts.

They'll travel to Toronto Friday night to face the St. Michael's Buzzers and then host the Milton IceHawks Saturday at 7:30 p.m.

Georgetown will begin the opening round of playoffs at home next Wednesday against either the Buffalo Jr. Sabres or St. Mike's.
