FOR THE CHILDREN.

To Enjoy Their Digestion, Perfect Nothing Is So Safe And Pleasant as Stuart's Dyspepsia Tablets.

Thousands of men and women have found Stuart's Dyspepsia Tablets the safest and most certain preparation for any form of indigestion or stomach trouble.

Thousands of people who are not sick, but who feel dull and will be happy well, take Stuart's Tablets after every meal to insure perfect digestion and avoid trouble.

But it is not generally known that the Tablets are just as good and wholesome for little folks as for their elders.

Little children who are pale, thin and have no appetite, or who not grow as others, should see the tablets after eating and will derive great benefit from them.

Mrs. C. H. Chandler, 226 Washington street, Hoboken, New Jersey, writes: "Stuart's Dyspepsia Tablets are all the talk for children as well as for other folks. I've had the best of luck with them. My three-year-old girl takes them as readily as candy. I have only to say 'tablets' and she drops everything else and runs for them."

A Buffalo mother, a short time ago, who despaired of the life of her baby, was so delighted with the results from giving the child these tablets that she went before the notary public of Erie county, N.Y., and made the following affidavit:

Gentlemen:—Stuart's Dyspepsia Tablets were recommended to me for my two months' old baby, which was sick and poor and the doctors said was only living from indigestion. I took the child to the hospital, but there found no relief. A friend mentioned the Stuart's Tablets and I procured a box from my druggist and used only the large sweet lozenges in the box, and was delighted to find they were just the thing for a baby. I had instilled the analysis from Stuart's Dyspepsia Tablets saved my child's life.

MRS. W. T. DIXON, 97.

Subscribed and sworn to before me this 7th day of April, 1897.

HENRY KABIS,

Notary public in and for Erie county, N.Y.

For babies, no matter how young or delicate, the tablets will beyond question be increasing flesh, appetite and growth. The only the large sweet tablets in every box. Full sized boxes are sold by all druggists for 50c., and no parent should neglect the use of this safe remedy for all stomach and bowel troubles if the child is ailing, is any way suffering for food or indigestion.

Stuart's Dyspepsia Tablets have been known for years as the best preparation for all stomach troubles whether in adults or infants.

WHAT THE DOCTORS CALLED IT!

Upper Stewiacke, March 20th.
To the Egyptian Rheumatic Oil Co., Ltd., Halifax, N.S.:

My wife has been suffering with what the doctors called Rheumatism of the lungs, and by the free use of Egyptian Rheumatic Oil the pain has entirely left her, and all evidence of rheumatism in three parts has disappeared.

I also wish to say that I strained my ankle so badly I could scarcely walk, but the pain and swelling were speedily removed by a few applications of your oil. I need not tell you that I shall ever continue to recommend this invaluable remedy.

Yours truly,
SAMUEL P. CHISHOLM.

A TRIUMPH FOR QUEEN'S.

THE GAELIC DARK HORSE TOO MUCH FOR M'GILL.

Queen's 26, McGill 2—Queen's II Defeated R.M.C. 1—Granites Routed at Ottawa—Intercollegiate Rugby Executive Meeting.

In the K.A.A.A. grounds on Saturday afternoon, McGill rugby team were trimmed by the Queen's men. There were fewer to admit that they were only the second best team in the intercollegiate union. Queen's 26, McGill 2—that was the score when the timekeeper declared the match concluded, and there was great cheering by the 1,200 people who witnessed the contest. At half time the score was 2 to 0 in McGill's favor, but the Gaelic dark horse always looms up before it is done to win, and invariably a dashing finish. This was done in 47 years, and the red, blue and yellow came out on top.

At three o'clock the teams lined up: Queen's—Full back, Simpson; halves, Walkem, Weatherhead, Clarke; quarter, Richardson; scrimmage, Paul, Carr-Harris, Sherriff; wings, Young, Brown, McDonald, Shillington, Hill, Williams, Devitt.

McGill—Full back, McNee; halves, Caldwell, Savage, Johnston; quarter, Kenny; scrimmage, O'Brien, Barnes, Carson; wings, Beck, Seifert, H. Robson, Cowan, Graham, Shillington, Nagle.

Referee, Walder; Umpire, Fullerton; Timing.

Queen's won simply because they played a better game than McGill. During the first half the ball was in Queen's territory most of the time, because McGill had a great breeze behind them, but chiefly owing to the free free kicks being awarded to the visitors. In the start Queen's made a vigorous onslaught and forced the ball down to McGill twenty-five yard line. Good kicking by McGill halves brought the ball out with near Queen's line, but more play broke McGill line another several times.

On a throw in at Queen's ten yard line, after a free kick to McGill, the ball was dribbled over Queen's line and a touch-in-goal was the result. McGill 1, Queen's 0. From a free kick not many minutes afterwards, McGill scored a rouge. McGill 2, Queen's 0. During the last five minutes of the first half Queen's did sharper work, and so managed to keep the ball in McGill territory.

With the wind at their back in the second half, Queen's started to drive the McGill scrimmagers, who had fetched Savage so handily. They rushed the ball into their opponents limits. On a pass from quarter Richardson, Walkem backed heavy yards and over McGill's goal line. McGill snapped and Queen's fired, score was made, McGill 2, Queen's 4.

But that was only the beginning. Two minutes had scarcely elapsed when Weatherhead made the grand stand dodge with anything, when he kicked over McGill's line. Shillington was over in a flash, and nailed full back McNee, who again snapped. Queen's 7, McGill 2. Hardly had the scrimmagers been marshalled, when Weatherhead again put the ball over McGill's line. McNee caught it and passed back to Kenny, who was tackled by Williams and a scrimmage was the result. Queen's 8, McGill 2.

The kick-off was immediately returned by Weatherhead, over McGill's line, but Shillington again made McNee bow down before him to rouge. Queen's 9, McGill 2. McGill got the ball down to Queen's twenty-five yard line, but it was returned on a beautiful kick by full-back Simpson, who sent it into touch at McGill's twenty-yard line. In the twinkle Simpson received a mass on over the eye from the foot of a McGill player, and had to retire. On a dribble the ball went across the field, and Clarke kicked to McNee. McNee struggle kicked back behind his goal, evidently to avoid a touch. Instead of scrugging it as he should have done, Young jumped on the ball and secured a touch. Clarke failed to convert. Queen's 9, McGill 2. McGill's goal again was in danger when Clarke sent the ball into touch-in-goal. Queen's 10, McGill 2.

But the end was not yet. From the kick-off, Walkem got the ball at his forty-five yard line, and started off. The crowd was there treated to one of the most remarkable runs ever made on a Canadian football field. Walkem went through the whole McGill team to close dodging, and after running some yards, dropped on the ball behind McGill's goal for a touch. He magnificent run received tremendous applause. Shillington converted. Queen's 16, McGill 2. The ball of runs saved McGill from another touch being added to Queen's score.

McGill were completely outplayed in the second half. Queen's kept the ball nearly all the time, and looked to great advantage. Kenny did good work in the first part of the game, both in kicking and heeling. Their wings, but Queen's wing sailed right through all the second half. The kicking to Queen's wings was a feature of the match.

Touchline Brevities.

Principal Grant attended the two Queen's matches, and his presence brought two visitors, Dr. and Dr. Walkem were together on the touchline at the senior match.

Simpson, Queen's full-back, will be lying into a chair shortly.

Clark, Weatherhead did good work for his team, and went through McGill line in splendid style.

"Dave" Williams was for most being on the leg, he was on and at his and all other opposing players.

"Teddy" Shillington was the most dashing player on the field. His style of play is similar to that of Nelson.

McGill got rattled, Joe Locke and Queen's lost.

Three players were called off, John Cook, of McGill, and Williams and Young, of Queen's. Williams was off twice.

The crowd was admirably handled, and the field was kept entirely clear by the police.

Clark, Sick Kenny, McGill's clever quarter-back, worked hard to win. He saved his team several times.

Queen's must do more kicking when the opportunity affords. They lost several chances in the first half. McGill never made a mistake in their opportunities.

Caldwell, of last year's R.M.C. intercollegiate championship team, played half-back for McGill.

Queen's have a few tricks which gave the Rough Riders all the rough and tumble they wanted.

Walkem's great run was recalled to "Dan" Scott, when Queen's defeated Ottawa on the K.A.A.A. grounds in 1895.

Queen's II Win The Round.

Queen's II spring a great surprise on Saturday afternoon, by defeating R.M.C. II in the return match by 6 to 2, and thus winning the round by one point. On the previous Saturday, cadets won by 4 to 1. The latter had the same team with the exception of Jennings, who was replaced at quarter by Parsons. Queen's II, otherwise known as Indians, was completely changed, and to all appearances weakened. An entirely new half-back division and full-back were trotted out. But "Bricks" Nunnis's Indians were worthy of their name, and it was due, principally to their fierce tackling that they won the game. They played like per man, being than in the first match, while the cadets played much warm. Everyone expected the cadets to win, and could scarcely realize that they had been defeated.

During the first half the play was all deep outside of cadets twenty-five yard line. Queen's scored all rouges in rapid succession, Crothers kicking over cadets' line for five, and Parnell for one. Several times cadets opened out, and worried the ball down the field, but met no success in scoring. Once a cadet got well off, and had a clear field to travel, but failed to pass Nunnis, who saved Queen's a score much.

In the second half, the play was constantly at Queen's twenty-five yard line, cadets having the wind in their favor. However, Queen's managed to keep the ball nearly all the time. Biggs twice kicked over Queen's line for rouges. There were critical moments for Queen's but brave play saved them. The result was an awful disappointment to the cadets.

Queen's II—Full-back, Carruthers; halves, Nunnis, Crothers, Irvi; quarter, Parnell; scrimmage, Bullock, Grant, Cowell; wings, Ellis, Kingston, McGreer, Ferguson, Belcher, Powell, Mabee.

R.M.C.—Full-back, Walton; halves, Chamney, Biggs, Lowden; quarter, Jones; scrimmage, Boteno, Barling, Fulger; wings, Brewer, Robertson, Carr-Harris, Hallowell, Logan, Harvey, Sherwood.

Granites Were Routed.

The Rough Riders had to travel to defeating the Granites at Ottawa on Saturday. The score at half time was 15 to 1, and at the finish 22 to 4. Granites failed to get a scrimmage together. Hip and Hinch missing to play. Three new men had to be sought out, but they made no nothing against an aggregation like. The wonder is that the Granites scored at all. Rough Riders secured seven touches and a rouge, while Granites got a touch-down and convert. With Elliott responsible, the result, for the two more matches is somewhat disheartening.

Intercollegiate Executive.

The intercollegiate rugby executive met at the Prince George on Saturday evening. There were present: E. R. Nunnis (Queen's), president, F. S. Parsons (McGill) secretary, L. S. Burke (Varsity), R. S. MacKenzie (Trinity), Caden Harvey (R.M.C.). The Varsity-Queen's match at Kingston was changed from Nov. 3rd to Nov. 10th, as also was the final intercollegiate match, in Kingston.

McGill did not enter a formal protest against Queen's for playing Hill, who had, neither the Granites in a match. Opponent Nunnis was against it his decision that Queen's had played the player at the time. To enable the rule more explicit, it was changed to read that "no player shall play for more than one club in any union during the season." It was found that Queen's had transgressed the spirit of the old rule, but Hill was granted absolution on the motion of R. S. Waldie, seconded by F. S. Parsons. The annual meeting was fixed for Nov. 19th in Toronto, and on Nov. 17th the annual dinner will be held.

An Ungentlemanly Referee.

Beside the Varsity man who refereed the McGill-Queen's match, was generally thought down here to be a rabid and prejudiced referee, but an incident which occurred after the match showed that. His rough would mortify be the show his teeth and use insulting language. J. D. Silver of the collegiate mentioned was a young man and was McGill man disposition and obtaining away. Walkem made no great run. Beside that Silver decision was right, as he, himself, saw that Walkem the ball was outside the line. Nevertheless, he asked Silver to return and shake a McGill man to be sound. When Silver went to Waldie after the match to call on an explanation, he was met with scorn. He was not the gentleman to answer a civil question. Silver is a bar at Ottawa is sporting circles as Kingston has ever seen, and his disappointment on Saturday was not at the least after him in the estimation of the people of this city.

The Big Skinners Go Free.

The O. R. F. U. executive met in Ottawa. Elliott, a professional, without asking him to state his side of the case. It certainly does strike one as very strange that Kingston players alone are dealt with in rugby to professionalism. Wilson, Mellor and Elliott have been thrown out of the O.R.F.U. made of a year while in Ottawa, Hamilton and Toronto football players are being month paid for their services, and yet are let alone. It was unfair on the part of the Kingston fellows to report that fact to the Elliott investigation. However, Elliott will likely clear himself of the charge.

Other Rugby Matches.

At Montreal, 4, Brockville, 16.
At Toronto-Upper, 9, Ottawa, 11.
Rosedale, 6, Varsity, 15. The match was for the championship of Toronto.

Take Nothing For Granted.

Liberals should not accept it for granted that because their registered above years ago for the provincial election that these names are on the list for the approaching Dominion election. There are hundreds of them, voters in the city whose names do not appear on the list of voters. Call at the Returning officer's office, look your list, and make sure that your name is on the list and your vote secured.

Size The Voters' List.

Every man whose name does not appear in the municipal voters list for 1898 should go in person to the registration court and register, because if their names are not then registered they will lose their vote. The voters list can be seen at the Town Hall gratis or Francis street.

INCIDENTS OF THE DAY.

PARAGRAPHS PICKED UP BY OUR BUSY REPORTERS.

The Spine of Every Day Life—What the People Are Talking About—Nothing Escapes Attention.

Claude Chadwick, Montreal, is in the city on a visit.

Miller's Grip Powders Cure. Sold by E. C. Mitchell.

Soup Kitchens have not been heard of in the last four years.

Are you positive all the liberal voters around the corner are known for registration?

Mrs. G. A. Bateman, Kingston, is visiting in Perth, the guest of Mrs. A. Beckie.

Miller's Compound Iron Pills, only 25c. for fifty doses. Sold by E. C. Mitchell.

To vote you must be registered. To register you must put your name on the roll this week.
