SWAM FOR HIS LIFE.

An Amherst Island Man Capsized in the Lake.

Stella, Dec. 18.—The Methodist Sabbath school is preparing an excellent programme for a Christmas tree entertainment Monday evening, to take place in Victoria hall. The Chosen Friends society will hold their meetings Saturday evening, the 22nd, instead of Monday.

Burney Stevenson had a narrow escape from being drowned last week. He left home to go to Collins Bay with some wheat, but found it impossible to get there owing to ice along the shore. He turned back, and in some way the boat capsized, throwing Burney and the wheat into the water. Burney, however, threw off his coats and swam for the light house, which he reached with great difficulty. Miss O'Rourke, taking care of the light house since the sad drowning accident of her father, about three weeks ago, heard her dog barking. Looking to see what was the matter, she discovered Burney trying to reach the house. He was unable to walk, but she assisted him in and gave him dry clothes. He was obliged to stay until his father went in search of him after two days. The boat had drifted to the Upper Brother.

Mr. and Mrs. Strain are home. Mr. McDonald and Silvie McDonald have returned home from sailing. Capt. Glen and Capt. Saunders will also winter here. G. Howard, H. Howard and C. Patterson arrived home Saturday. Miss M. Neilson and Miss M. Moutray arrived from Toronto Saturday.
