THE CITY MISSION REPORT.

SECOND ANNUAL REPORT BY REV. MR. HAMMOND.

Delivered On The 15th Inst At The Y.M.C.A.—A Great Work Being Done—The Forming Of Evil Habits Should Be Checked—Number Of Visits Made, Services Conducted.

Rev. Mr. Hammond presented this annual report to the executive of the city mission:

"I wish first to express the gratitude, which I trust we all feel, to the great Master of the vineyard for health and opportunities for us to work, and for an honest purpose, which I believe He has given us, to make the very best of these opportunities for useful work, for His glory and the good of humanity about us.

"The one object for which our city mission was reorganized two years ago, was to supply a felt want for an undenominational agency that would, as far as possible, co-operate with other good agencies, in supplying help, both temporal and spiritual, to the most needy in our city. My statistical report will show what has been done since the last meeting of the board, till the first of this month.

"I am glad to be able to report a growing interest in the mission, and a growing interest in the mission, and a growing friendliness of feeling, gratitude is often expressed not only to the workers, but from others as well. Kind words are spoken to us and heard as they do come better cheered with the work. The close attachment to the state of the mission, as set by the executive at its last meeting, hold it very much to the interests. The general mind is interested by all classes and denominations in the work. Some of the good people are still in the dark, the greater good seems to be the second thought, they do not feel the need of the work, they do not realize the need of the work, they do not realize the need of the work, they do not realize
