MARINE.

MARINE NEWS.—The weather was very mild yesterday. The schooner Lucy J. Latham, which ran in during the gale last week, having broken her centre board, left yesterday for Chicago, after repairing damages. The steamer Huron and propeller Avon, of Jaques Tracey & Co., have left for Hamilton, on their first trips. The schooner Governor left last night for Toronto, and the schooner D. McInnis for Hamilton. The schooner Canada left for Milford yesterday, to load lumber for Oswego. The tug Frances arrived on Tuesday from Bedford, on the Rideau Canal, with four barges loaded with cordwood, and left yesterday for the Canal. She is the first steamer from the Canal this season. The steamer St. Helen passed down on Wednesday morning with a good load of freight for Montreal and intermediate ports, being the first steamer to make the trip this season. It is expected that the St. Lawrence Canals will be opened on Monday. The steamer Passport left Toronto at three o'clock yesterday with the Volunteers on board, and was to arrive here at five o'clock this morning.

THE BAY OF QUINTE ROUTE.—The steamer Bay of Quinte has gone through a regular course of refitting and painting, and makes her first trip this afternoon, leaving Kingston for Belleville at four o'clock.

POLICE COURT, Wednesday.—Nelson Potter and Louise Potter (his wife) were charged with abusive language towards Mrs. Francis Porte, living on Ontario Street. Louise Potter was fined $1 and costs, and the case against Nelson Potter was dismissed. Ellen Meagher and Margaret Howard (her daughter) were charged with stealing five yards of silk, a coral necklace and a brooch, the property of James Cookson, living on Queen Street, between Friday and Sunday last, from his bureau. Part of the property was found in the trunk of Ellen Meagher, which was filled with valuables, jewellery, &c., which it would be impossible for a woman in her position to procure by fair means. The parties charged with the offence lived in part of the house occupied by complainant. Margaret Howard was discharged, there being no evidence to criminate her. Ellen Meagher wishing to have the case tried summarily, the Police Magistrate reserved his judgment. Bridget Kees was sent to gaol for 30 days for vagrancy.

SPECIAL SESSION.

THE WRIGHT CASE.—At the Police Court yesterday morning, Horatio Wright and Elizabeth Wright, his reputed wife, were charged before the Recorder, associated with the Mayor and Police Magistrate, at a Special Session of the Recorder's Court, in accordance with "An Act respecting prompt and summary administration of criminal justice in certain cases," with being keepers of a Baudy House. Mr. Macarow appeared for the defence, and claimed the right to have the defendants tried separately. The case of Horatio Wright was taken up first. Mr. Macarow contended that the house had been known to the authorities and police for the last three years as a nuisance, and the very fact of their not putting down the house before this, was licensing it. He also contended that notice should have been given to Horatio Wright to leave the house or abate the nuisance. The Court however, considered that no notice was necessary, as the Provincial Statute gave sufficient notice to the offending parties. The first witness for the prosecution was Samuel Free, who deposed that he lived opposite the house complained of; the house had the name of being one of ill-fame; he was of opinion that Horatio Wright kept the house; Wright had lived there three years; the house was frequented by women of loose character; at all hours people are coming to and going from the house; had seen Mrs. Wright stop a quarrel, and had seen a quarrel at the house during last summer; it was difficult to rent property in that vicinity owing to the character of the house; it is a well-known house of prostitution. John Corbett deposed that he lived next to Wright's house; had known Horatio Wright for three years; Elizabeth Wright, and a boy and child, and several girls lived in the house; the girls are said to be prostitutes; men and women are constantly frequenting the house at all hours; the house has the name of a house of ill-fame; witness never saw any improper conduct going on in the house, and no rows, except when a girl named Chambers was trying to get in. James Simpson (cabman) deposed that he lived near the house; had lived there for eight years; Elizabeth Wright lived in the house with Horatio Wright; the house had the reputation of being one of ill-fame; it was frequented by men and women at all hours; the women had the name of being prostitutes; witness has driven parties there several times; knew nothing of the house except by rumor; had seen no rows there, except that caused by the girl Chambers. Ann Moore, one of those arrested as an inmate of the house, deposed that she was a monthly tenant of Horatio Wright's; had a room in the house complained of; some of those girls arrested as inmates, lived in the house; witness had boarded there for two weeks, and paid Mrs. Wright $4 a week; the girls eat at the same table; witness does not know how the girls get a living; does not know whether the house is a baudy house or not. Sergeant Stacey, Police Force, deposed that he knows Wright's house for three years; the house had the reputation of being one of ill-fame, and was frequented by women, who were reported as loose characters; the house was known to the police as of the reputation of a house of ill-fame; had seen nothing improper going on in the house. Sergeant Meacle deposed that the house had the reputation of being a baudy house; had seen loose characters in the house; arrested six girls on Tuesday in the house on a charge of being inmates of the house; had seen men and women going to the house in cabs at all hours; never saw improper conduct going on in the house. Sergeant Major Robbs deposed that Wright's house had the character of being a house of ill-fame; arrested Horatio Wright on Tuesday on a charge of keeping it. Kate Smith, arrested as one of the inmates of the house, deposed that she had lived in the house for a week; had come from Toronto; hired a room from Elizabeth Wright; was to pay her for it; was to pay for her board; witness saw Elizabeth Wright at Toronto. Mr. Macarow made a capital defence for Wright. He showed that no direct evidence had been given of any act of immorality committed in his house, and that his house had always been well kept, wholly free from disorderly conduct, and that the city had tacitly connived at its existence for several years. And much more he said of the same kind; but all was of no avail, the case had been too clearly proved by the evidence. The Court, therefore, thought that there was sufficient evidence to convict the defendant, and condemned him for his living on the fruits of prostitution and disgracing his sex. The defendant was then sentenced to three months' imprisonment in the Common Gaol, and to pay a fine of $100, to be further imprisoned for three months if the fine be not paid. The case against Elizabeth Wright was dismissed on her promising to leave the city, and the five girls, Agnes Lee, Ann Moore, Mary Bates, Elizabeth Wilson and Ann Madock, were discharged in the hope that they would leave the city. Katie Smith, one of the inmates, a girl of 17 years of age, who had been decoyed from Toronto by Mrs. Wright, was detained to be sent to one of her relatives in Toronto.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

The Rev. C. W. Vining who has safely returned from a journey in the East, thoughtfully brings us, among other curiosities, some of the newspapers published in Egypt and Turkey. They are in four languages, French, Turkish, Armenian and Greek. We cannot read them, but he can, and through his patience we have been gratified to learn their contents, and the materials of which newspapers are made up in the land of the Osmanlis. Our American enterprise is well represented: stoves, wooden and tin-ware, ploughs, axes and tools are advertised from this country. In each of the four languages are heralded the virtues of the remedies made by our celebrated countryman, Dr. J. C. Ayer & Co., of Lowell. They seem not to depend on their home reputation for confidence abroad, but publish the certificates of the Mussulman rulers themselves, to the cures which those medicines have made in their midst. The Rev. gentleman informs us that the whole of remedial aid employed in those countries, comes from Europe or America, as they possess no medical colleges or schools in which they have any confidence themselves. There arose the religious idea which pervade the human family, but almost all that is useful in art or invention must be carried back to these, the earlier settlements of mankind.—Lynn News.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but know what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, sauey and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

DIED.

At Portsmouth, on the 15th inst., Margaret McNamara, the beloved wife of John Waters, aged 33 years.

The Funeral will take place this (THURSDAY) afternoon at HALF-PAST TWO O'CLOCK. Friends and acquaintances are requested to attend.

In the Town of Port Hope, on Friday, the 21st of April, Mr. Isaac Jenkin, aged 49 years, Brother to Mr. Edward Jenkin, of this City.

At Red Rock, near Kingston, on the 20th of April, in the 90th year of his age, W. P. Cook, a native of Plymouth, England.

In Battersea, on the 14th inst., Colonel Daniel Ansley, aged 72 years.

At Fort William, Ottawa River, on the 8th instant, John W. Simpson, Esq., Chief Factor of the Hudson's Bay Company, aged 47 years.

The deceased was for many years in charge of the Temiscamingue Post. He had been in poor health for some time, and went to Fort William to be under medical treatment. Having gone out to walk on the wharf and the air being somewhat chilly, his servant went back to the Fort for a great coat, and while absent, Mr. Simpson fell into the water, and although more than fifteen minutes had not elapsed from the time he fell until recovered, all efforts to restore animation proved unavailing. It is stated as a somewhat singular fact, that the body was floating on the water when found.

Suddenly, from the falling of a tree, during the storm on Wednesday, 12th inst., in the Township of Bristol, C. E., Miss Mary, second daughter of John Duff, Esq.

In Montreal, on the 24th instant, Pierre Charlebois, Esq., aged 63 years.

On the 23rd instant, in the Township of London, Elizabeth, the wife of John Ferguson, aged 64 years.

In Prescott, on the 19th instant, Henry R. Hurlburt, Esq., aged 40 years.

At Richmond Hill, on the 23rd instant, Catharine, relict of the late Jacob Hostetter, Esq., aged 74 years.

In Ottawa, on the 20th instant, in her 64th year, Madame Henrietta Dupuis; and on the following morning, in her 66th year, her sister Mademoiselle Angelique Faillon. These sisters had lived affectionately together for upwards of thirty years; and so strong was the bond of affection which held them together, that each had often been heard to express the wish that she might not survive the other. About twelve days before their death, they had, within a few hours of each other, been seized with erysipelas in the right foot; and it will be seen, both died within a few hours of each other—their desire that one might not survive the other, having thus, strangely as it may appear, been realized. Madame Dupuis, was the widow of a watchmaker, who carried on business in Sussex Street, and who died about twenty years ago.

At Stoney Creek, on the 18th inst., the wife of Mr. S. W. Morrison, in the 34th year of her age.

At Prescott, on the 15th inst., Mary Campbell McCallum, relict of the late John McCallum, Esq., of Kingston, aged 82 years.

In Toronto, on the 10th instant, Jane, daughter of Mr. James Murray.

On the 17th instant, in the Township of Holland, C.W., Adam Mathewson, aged 29 years.
