COMMERCE AND MARINE.

TUESDAY MORNING, NOV. 28, 1865.

Gold in New York yesterday closed at 147¼.

MARINE ITEMS.—The arrivals on Sunday were numerous, but very few were reported yesterday. The business done yesterday however was very large, particularly at G. Chaffey & Bros'. dock. The vessels which reached port on Sunday were: Barque Gibraltar, Chicago, 17,500 bushels corn, consigned to G. Chaffey & Bros.; barque Advance, Chicago, 18,850 bushels wheat, for do.; barque Mary Jane, Chicago, 3,500 barrels flour, 5,000 bushels wheat and sundries, for do.; schooner Garibaldi, Chicago, 12,300 bushels wheat, also consigned to G. Chaffey & Bros.; schooner Son and Heir, Chicago, grain, for J. Henderson & Co.; schooner Mail, Oswego, 530 barrels flour; schooner Catharine, Oswego, 150 tons coal, the two latter also for G. Chaffey & Bros.; brig Liverpool, Oswego, 353 tons coal and 46 barrels onions, the coal consigned to Mr. W. Anglin; and schooner America, Oswego, light. The latter goes to Trenton to load lumber for Kingston. The remainder discharged yesterday, the Advance being towed down to Rudd's to load ballast. The propeller Colonist arrived from Port Stanley on Sunday, and discharged 200 barrels apples. She loaded yesterday for Milwaukie, with pig iron, at which port she lays up for the winter. The propeller Her Majesty arrived on Sunday, and loaded a quantity of salt yesterday for Toronto. The steamer Huron, from Hamilton, passed down on Sunday morning, bound for Montreal, where she lies up at once. The steamer St. Helen passed up the same morning. She goes into winter quarters on reaching Montreal on her downward trip.

POLICE COURT, Monday.—The 'drunks' were unlimited this morning. The following were brought up before the Mayor:—Mary Ahern, third offence this year, committed for 21 days; John Webster, first offence, Daniel Abbott, second offence, Ellen Sullivan, third offence this year, Peter Bonter, first offence and William Kilmartin, do., were fined $2 each and liberated. Thomas Roddy, first offence, was fined $1. James and Ann McKeown, whose names have been entered for the sixth time each this year, were brought up on the old complaint, drunkenness and vagrancy, and Jemmy was committed for 21 days and his better half for 60 days in jail. Mrs. Canfield of Princess street was fined $20 and costs for selling liquor without license, on complaint of Mr. Inspector Shaw.

SLATE QUARRIES ON LAKE SUPERIOR.—Specimens of slate from quarries owned by Mr. Vickers, of Toronto, in the township of Paigoonge, near Fort William, have been examined by the professor of Geology and Mineralogy in University College, and he gives the following opinion concerning them:—"They appear to be of good workable quality. Samples taken from below the top, or rubbish lift, exhibit an even cleavage and uniform color; and as the slate seems to be generally free from pyrites, it will not be likely to become stained or rusty. Its absorbent power, however, is comparatively low, and hence it stands the action of frost remarkably well. A specimen exposed fully to the weather during the whole of the winter of 1864-5 remained altogether unaffected. The slate beds on this property situated in great part along the right bank of the River Kaministiquia, within about three miles of its navigable portion. Between this point and Thunder Bay the distance does not exceed 10 or 12 miles. The beds are also traversed by a small stream which falls into the Kaministiquia. They are consequently very favourably conditioned for working and exportation. A ready sale, I should imagine, might be effected for this Slate in Chicago and other large cities of the Western States." Mr. Vickers is of opinion that this is the only place on Lake Superior that good workable slate has been found; and we understand that he has had handsome offers from American speculators to rent or sell a portion of the beds, but has not accepted any, not wishing to dispose of any of the property except en bloc.

Captain Hoover, who has for the past two years run the Lady Ida on Lake Scugog, between Lindsay and Port Perry, was drowned at the latter place on Tuesday evening last. The boat was nearing the wharf, the night being dark, when the captain fell into the water, and before he could be recovered was drowned.

The scow Sunshine is sunk at Port Huron. The schooner Cascade is ashore on Plum Island, Green Bay.

The brig Andes, recently waterlogged at Green Bay, has been towed to Chicago and repaired.

POINT BURWELL CLOSED—NOTICE TO MARINERS.—Owing to the information of a shifting bar of sand of the mouth of Port Burwell, Lake Erie, the entrance to the harbor is considered unsafe, and the harbor is therefore declared closed, and toll and pier light discontinued until such obstructions are removed. The light will be removed the 1st of December.

STOPPAGE OF THE GRAND TRUNK ROLLING MILLS.—The Rolling Mills in Toronto have been stopped, and there is considerable talk about it. On the part of the proprietors Messrs. At all events, Mr. Gzowski has gone to England.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" * * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

" * * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

" * * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

" * * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

" * * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

" * * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

" * * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
